*WELCOME TO WAKE FOREST.
WE'RE GLAD YOU COULD MAKE IT.*

Within this book, you'll find everything you could possibly need to survive in the Forest.

Food, shelter, maps, general wisdom and the laws of the land. All conveniently located in the following pages. So make yourself comfortable, and take a look around.

You can graduate, but you never have to leave.

CONNECTING ONLINE

CONVENIENCE IS A CLICK AWAY

Complementing this book is newstudents.wfu.edu, where you'll find this information as well as relevant forms and documents.

Wake Forest University requires all new students to enable Google 2-Step Verification within 90 days of claiming their WFU Google Mail account. Watch the helpful video at go.wfu.edu/google2step.

Your myDeacNet Account

After submitting your initial deposit, you should have received an email from the Information Systems Service Desk (help@wfu.edu). The email was sent to the email address provided on your admissions application and contains instructions for activating your myDeacNet account. Your DeacNetID (user name) and password will enable you to access your WFU Google Mail account as well as the Wake Information Network (WIN) and other online services. Activating your myDeacNet Account allows you to manage your account from any computer, any place with an internet connection.

Your WFU Google Mail

Be sure to check your WFU Google Mail account regularly at google.wfu.edu.

The Policy on Responsible and Ethical Use of Computing Resources

Use of all Wake Forest technology resources is governed by the Policy on Responsible and Ethical Use of Computing Resources. This policy is presented to you when you claim your account. Please take time to read this policy as you are accountable for adhering to it. Annually, there is a copyright infringement notice that is sent out reminding you of your responsibilities regarding the use of copyrighted materials. This notice is found on is.wfu.edu/services/copyright.

For more information about all things computing at Wake Forest, see p. 157. If you have questions or concerns, please contact the Information Systems Service Desk at help@wfu.edu or 336.758.4357.

New Student Receptions

During the summer, New Student Receptions will be held across the country so new students and their parents/families can meet each other as well as current students and staff.

Receptions are typically held from early June through early August. You may attend the reception that is most convenient, whether it is in your hometown or elsewhere.

A list of New Student Receptions will be available in early June at go.wfu.edu/newstudentreceptions. You do not need

an invitation to attend — just sign up on the website. *Preregistration is required.*

Please check the website frequently as new dates and locations will be added. Once all event details are finalized, the city name will be linked to an RSVP page for that event. *Dates and locations are subject to change, and registration may be closed if we reach maximum capacity.*

The Daily Deac — A Daily Blog for Wake Forest Families

The Daily Deac is a blog that covers a variety of WFU activities and events and helps you get a sense of campus life. You can subscribe to the Daily Deac via the subscribe box at dailydeac.wfu.edu.

You will receive a confirmation email from Feedburner, our subscriber service. Once you verify your subscription by clicking the link in that email, you will begin to receive the Daily Deac each weekday in your inbox.

1. MEET OTHER INCOMING STUDENTS AND FAMILIES FROM YOUR AREA.
2. MEET CURRENT STUDENTS AND BUILD YOUR WFU NETWORK.
3. LEARN ABOUT HOW TO GET YOUR BEST START AT WAKE.
4. MAKE A CONNECTION WITH THE OFFICE OF FAMILY ENGAGEMENT AND OTHER WFU STAFF.
5. HAVE YOUR SPECIFIC QUESTIONS ANSWERED.
6. SCORE A WFU '23 KEYCHAIN (STUDENTS).
7. GET A "WAKE FOREST PARENT" STATIC WINDOW CLING FOR YOUR CAR (PARENTS/FAMILIES).
8. FEEL LESS ANXIOUS ABOUT STARTING SCHOOL BECAUSE YOU WILL HAVE MET SOME GREAT PEOPLE IN ADVANCE.
9. BE WARMLY WELCOMED INTO THE WAKE FOREST FAMILY.
10. GET EXCITED ABOUT THE NEXT FOUR YEARS AT WFU!

IN PURSUIT OF ... HAPPINESS?

At Wake Forest, there is a long tradition of incoming students engaging in a common reading or academic project. Along with raising awareness of vital political, cultural or social issues, this gives students the opportunity to engage in intellectual dialogue on a topic of interest with their new peers and professors.

In May, you will find a list of the 2019 Project Wake summer reading options at go.wfu.edu/projectwake. These books were chosen because they can provoke reflection and discussion on what it means to pursue happiness.

PRE-ORIENTATION PROGRAMS

BECAUSE SOMETIMES YOU JUST CAN'T WAIT

What's even cooler than Orientation? Pre-orientation, of course. You can start your Wake Forest experience early with one of our optional Pre-orientation programs.

Make new friends out in the wild, get to know your new home through volunteer work with your classmates, learn about Wake Forest history and traditions or climb a mountain for worship and reflection. These are just some of the options, so the choice is yours! Don't wait too long to apply, as these tend to fill up fast.

You'll arrive a few days early, and when the program concludes, you'll join the rest of your classmates for New Deac Week.

Need-based scholarships are available. Contact the sponsoring offices for more details.

PRE-ORIENTATION DROP-OFF

By participating in a Pre-orientation program, you will arrive on campus several days before the official Move-in Day of Wednesday, August 21. Many families choose to send their students to campus with the bare necessities for Pre-orientation, and then bring students' remaining belongings on Move-in Day. This also enables parents to participate in all parent and family orientation activities.

B.U.I.L.D.

BUILDING UNIVERSITY INCLUSION THROUGH LEADERSHIP AND DIVERSITY

Cost: \$50*

Application deadline: July 15

When: August 16

Sponsored by: Pro Humanitate Institute
go.wfu.edu/f101build

*PRICE SUBJECT TO CHANGE

Note: This experience is open to students who enroll in a multi-day Pre-orientation program (e.g., Deacon Camp, S.P.A.R.C., Worldwide Wake, WakeWell, etc.)

Building University Inclusion through Leadership and Diversity (B.U.I.L.D.) is a day-long immersion program that introduces first-year students to concepts of leadership, intercultural communication and social change.

Students will have the opportunity to connect with peer mentors, participate in exercises and community-based activities and develop leadership skills. In addition, students will learn about Winston-Salem and meet community leaders. Join the Pro Humanitate Institute staff for this fun, interactive introduction to life at Wake Forest.

B.U.I.L.D. accepts students on a rolling basis. Specific program details are available on our website.

Should you have any questions, please reach out to Irving Zavaleta-Jimenez at jimeneiz@wfu.edu.

DEACON CAMP

AN INSIDER'S GUIDE TO WAKE FOREST

Cost: \$350*

Application deadline: July 15

When: August 17-20

Sponsored by: Pro Humanitate Institute
go.wfu.edu/f101deaconcamp

First-year students who participate in Deacon Camp will get a once-in-a-lifetime view of Wake Forest that many Demon Deacons may never have the opportunity to witness. This program offers a three-and-a-half-day introduction to the compelling story of Mother So Dear through academics, traditions, athletics and servant leadership.

Participants in Deacon Camp will venture to places where few students will go, including the beloved Old Campus, attractions in downtown Winston-Salem and even straight onto BB&T Field, home of Wake Forest football.

*PRICE SUBJECT TO CHANGE

By interacting with dedicated upperclass leaders and classmates, the incoming students will begin to discover their new home and make their mark at Wake Forest University. Deacon Camp is designed and facilitated by student leaders from the Wake Forest Traditions Council and Pro Humanitate Institute staff with partnership from Wake Forest Athletics, the Wake Forest Birthplace Museum and Alumni Engagement. Each group of eight new students will have two upperclass students as their leaders.

Deacon Camp accepts students on a rolling basis with notification of acceptance sent within 10 days of an application being received. Specific program details, like the daily schedule, will be available in early August.

GROWTH MINDSET IN STEM

Cost: \$350*

Application deadline: June 9

When: August 17-20

Sponsored by: Office of the Provost and the Division V Departments

go.wfu.edu/f101stem

Growth Mindset in STEM is designed to help students excel in courses taken in Division V departments: biology, chemistry, computer science, engineering, health and exercise science, mathematics and statistics, and physics.

Our program is centered around the philosophy of growth mindset, which is the belief that abilities can be developed through appropriate effort. You will learn specific strategies on how to apply these concepts in your STEM classes through discussions

**PRICE SUBJECT TO CHANGE*

and activities led by Division V faculty. We will introduce you to relevant campus resources, and you will have ample opportunity to interact with faculty and current students who will be resources for you as you navigate Division V coursework.

The small size of the program and planned social activities, such as a scavenger hunt in downtown Winston-Salem, will help participants get to know one another and build a community that can provide support throughout their first year at Wake Forest. To foster this, participants will be invited to attend monthly mentoring dinners during the academic year. Issues explored will include challenges faced by members of the STEM community who belong to underrepresented groups. Priority will be given to applicants with an interest in making the STEM community more inclusive.

A limited number of scholarships are available.

MAZALWAKE:

THE WFU JEWISH PRE-ORIENTATION

Cost: \$350*

Early bird application deadline: July 15

After July 15, the cost increases to \$450

When: August 18-20

Sponsored by: Office of Jewish Life (part of Chaplain's Office) and Hillel

go.wfu.edu/f101mazalwake

MazalWAKE is a fun, three-day pre-orientation to college and to Jewish life at Wake Forest.

Once you move into your residence hall on Sunday, you and your parents are invited to a Bagel Brunch at Hillel, where parents and students get to know each other. Then the students will head off with the Hillel leaders for a day full of exciting activities.

The relaxed nature of MazalWAKE allows for a smooth transition into college life, as students remain on campus for the majority of the three days, becoming well acquainted with each other and their new home.

A great way to get to know the campus and make friends before school starts, MazalWAKE is a life-changing experience that allows students and parents alike to feel welcomed into the Wake Forest, and Jewish, community.

If you have any questions, please don't hesitate to contact Dr. Gail Bretan, the

director of Jewish life, at bretangh@wfu.edu, or Jessie Birnbaum, the student chair of MazalWAKE, at birnjr18@wfu.edu. Additional information, including participant testimonials, can be found at go.wfu.edu/f101mazalwake.

MazalWAKE is the perfect way to get to know your new school, form an instant friend group and learn about Jewish life on campus and in the Winston-Salem community. Activities led by Hillel student leaders include a challah French toast breakfast, a tour of the campus, a bowling night, a milkshake dinner with the dean of students and lunches with Jewish faculty members and their families.

S.P.A.R.C.

Cost: \$350*

Application deadline: July 15

When: August 17-20

Sponsored by: Pro Humanitate Institute
go.wfu.edu/fl01sparc

Students Promoting Action and Responsibility in the Community (S.P.A.R.C.) is a service-oriented Pre-orientation program organized by the Pro Humanitate Institute. Through S.P.A.R.C., you will meet with multiple nonprofit organizations and community partners through service, learn about the issues impacting Winston-Salem and build relationships with fellow Demon Deacons.

Over four action-filled days, you will volunteer in a group of four first-year students matched with an upperclass mentor. The mentors will lead you in service activities, answer any questions about Wake Forest University and introduce you to the spirit of our motto, *Pro Humanitate*.

S.P.A.R.C. accepts students on a rolling basis. You will be notified of your acceptance status within 10 days of your application submission. Program details will be available in early August.

SPIRIT OF THE OLD GOLD AND BLACK (SOTOGAB) MARCHING BAND CAMP

Cost: \$150

Application deadline: July 15

When: Aug. 14 – Percussion & Color Guard
 Aug. 16 – Everyone else

Sponsored by: SOTOGAB
go.wfu.edu/fl01sotogab

For those of you with instrumental music experience, one of the best ways to be a part of the high-profile athletics scene is to join the Spirit of Old Gold and Black Athletic Bands. Our mission is to provide spirit, energy and entertainment to the game day atmosphere. Your involvement in SOTOGAB will give you an "up close" view of Demon Deacon football and basketball while allowing you the opportunity to continue using the musical skills that you have developed over the years.

Band is FAMILY. When you join SOTOGAB, you will find that your closest friends during your undergraduate experience will be your SOTOGAB brothers and sisters. We enjoy making music together, and we LOVE to support the DEACS as they compete on the field and on the court.

Marching Band Camp serves as "pre-season training" for the Spirit of the Old Gold and Black Athletic Bands as

they prepare to entertain audiences at Demon Deacon football and basketball games. Membership is open to anyone with previous playing experience, and no audition is required to join SOTOGAB. We have a place for you! Marching experience is preferred but not required.

Participation in marching band camp includes your semester-long commitment to participate in Tuesday/Thursday rehearsals, football game halftime performances, home basketball games throughout fall semester, travel to selected football road games and the bowl game at the end of football season.

SUMMIT: CHRISTIAN CAMPUS MINISTRY PRE-ORIENTATION RETREAT

Cost: \$375*

Application deadline: July 15

When: August 18-21

Sponsored by: Office of the Chaplain and
Christian Campus Ministry

go.wfu.edu/fl01summit

*"SUMMIT ALLOWED ME TO ENTER
WAKE FOREST CONFIDENT THAT
THERE WAS A COMMUNITY OF
CHRISTIANS THAT WANTED TO
KNOW ME." — CQ ('19)*

Since 1955, the Office of the Chaplain and Christian Campus Ministry have sponsored Summit, a Pre-orientation program that introduces first-year students to the breadth of Christian life at Wake Forest.

In addition to relationship-building activities like small group discussions, chapel services, hiking, games and a talent show, first-year students enjoy

getting to know upperclass student leaders and Christian campus ministers who hope to provide friendship and guidance throughout the school year. The four-day program begins and ends on campus, and transportation is provided to and from the beautiful grounds of Camp Cheerio, a YMCA camp in Glade Valley, North Carolina.

Students are accepted on a rolling basis with notification of acceptance sent within 10 days of an application being received. Specific program details will be available in early August. So sign up, bring your adventurous spirit and be prepared for a pre-college experience you'll never forget.

WAKEWELL

Cost: \$350*

Application deadline: July 15

When: August 17-20

Sponsored by: Office of Wellbeing and
University Counseling Center

go.wfu.edu/fl01wakewell

WakeWell is designed to introduce incoming students to WFU's comprehensive approach to wellbeing. Participants will be grouped with an upperclass peer leader and have opportunities to meet other first-year

students who are also interested in wellbeing. The program is designed to help students identify personalized wellbeing plans for a successful transition into college.

WakeWell is a deep-dive orientation to the eight dimensions of wellbeing, making connections between how emotional wellbeing and mental health are intricately linked with physical, environmental, social, occupational, spiritual, financial and intellectual wellbeing.

**PRICE SUBJECT TO CHANGE*

WILDERNESS TO WAKE

Cost: \$660*

Application deadline: June 9

When: August 16-21

Sponsored by: Outdoor Pursuits

go.wfu.edu/f101wildtowake

Wilderness to Wake is the perfect way to jump straight into college life while forming strong friendships that will last far beyond the days of your trip. Whether your schedule includes backpacking, rock climbing, kayaking, canyoneering or all of the above, we guarantee that the Wilderness to Wake experience will be both challenging and rewarding.

Each group of nine first-year students is led by trained Outdoor Pursuits student leaders through both the scenic regions surrounding Wake Forest and the adjustment to life as a college student. These experiences take place in remote wilderness locations, so students should expect to

be challenged physically while taking part in adventure activities.

Your nights will be spent sleeping under the stars with crewmates, disconnected from cellphones and the hustle and bustle of daily life. After five days of group bonding and peer mentorship in a wilderness setting, students return to campus with the confidence to dive headfirst into the opportunities Wake Forest has to offer.

Wilderness to Wake 2019 will have Expedition and Base Camp models available: "Expedition" is centered around high adventure activities and back-country camping, while "Base Camp" is centered around day trips from a front-country camping setting.

WORLDWIDE WAKE

Cost: \$350*

Application deadline: July 15

When: August 17-20

Sponsored by: Center for Global Programs and Studies

go.wfu.edu/f101www

Since you're a first-year Wake Forest student, we know you are smart. But when it comes to your cultural IQ, how do you make the grade? Join other globally minded students to enrich your cross-cultural awareness through engaging discussions, daily global challenges, small group interactions and fun activities including a trivia contest, lunch in downtown Winston-Salem, a scavenger hunt and our goofy Global Olympiad!

You'll be challenged to expand your intercultural curiosity, learn about the array of students and opportunities at Wake Forest and get a head start on understanding the campus academic and social scenes with the help of upperclass student leaders.

There will be time to settle into your residence hall and learn about your new home of Winston-Salem, as well as set your course to become a more effective global citizen as you begin your experience as a Demon Deacon.

Worldwide Wake accepts students on a rolling basis with notification of acceptance within 10 days of an application being received.

FIVE FUN-FILLED DAYS OF FAMILIARITY

Getting excited about your arrival on campus? Your Wake Forest experience will start with New Deac Week on August 21. Our orientation program is designed to help you with your transition into our Wake Forest family. You will become acquainted with campus; meet classmates, faculty and staff; and learn more about the beloved community you will soon be calling home.

The five days prior to the start of classes will be full of exciting academic and social events. You will have the opportunity to bond with members of your residence hall, learn about our rich history and traditions, connect with your adviser, cheer on our men's soccer team, meet President Hatch and Provost Kersh, attend Convocation to officially celebrate

joining our family and spend time with new friends on the Quad. Several orientation events will occur during the Fall 2019 semester as well to help you acculturate to the Wake Forest community as you gain experiences in and out of the classroom.

Take advantage of all of the events, have fun and make the most of your time during New Deac Week. It's a great way to begin an enriching and rewarding journey as a Demon Deacon. We hope you are as excited as we are, and we look forward to seeing you on campus in August.

MOVE-IN CURBSIDE ASSISTANCE

Take a load off, and unload your belongings at the curb. Wake Forest student-athletes and others will be available from 8 a.m. to 2 p.m. on Move-in Day to assist you. Pro tip: Move-in Day is often one of the hottest days of the year. Don't forget your reusable water bottle.

MOVE-IN DAY SALE

The Bookstore will be set up on South Campus and will offer a number of items for residence hall rooms on Move-in Day, from 8 a.m. to 4 p.m. Look for the tent on Manchester Plaza, right across the street from first-year residence halls. Pick up those last-minute needs, including carpets, storage solutions, electronics and other room furnishings.

LOOK FOR YOUR NEW DEAC WEEK BROCHURE

It will contain a schedule of New Deac Week activities. You will receive an electronic version of the schedule via your WFU email in July. The schedule and details about the New Deac Week app will also be available on the New Students website.

UNIVERSITY STORES

University Stores consist of three different locations, each with its own unique presence, and online at our website, wfustores.com.

The Bookstore is in Taylor Hall. Here you can purchase or rent your textbooks in many different forms: new, used or digital. Rentals can save you up to 80 percent, and we always match prices. (Check the Bookstore website for details.) The Bookstore is also an authorized campus Apple Store and Dell retailer, as well as the official provider of WakeWare. School supplies, logo gifts and convenience items are in the Bookstore as well.

The Deacon Shop is in Kitchin Residence Hall and is your one-stop shop for all Deacon fans. Here you will find all the apparel and logo merchandise from brands such as Nike, Peter Millar, johnnie-O, Under Armour, Vineyard Vines, Champion and more.

The Hanes Mall Deacon Shop is located in the local mall, Hanes Mall, on the lower level outside of Belk. This game day destination is a must for all things Demon Deacon. You will find jerseys, gifts, tailgate essentials and more.

First-Year Student Housing

During your first year, you will typically live in one of the seven communities on South Campus. Students are assigned to the various communities at random. As such, students are not asked or able to indicate preferences. First-year roommates are assigned by the Office of Residence Life and Housing based upon a number of factors that indicate compatibility and common interests. This roommate pairing process is reflective of the University’s commitment to helping incoming students get to know individuals different than themselves. As a continuing student, you will be able to select your community and choose your own roommate(s).

Room Types

As a new student, your room will be assigned based on your responses to the Housing and Dining Application. New students may be assigned to a single, double or triple room based on their preferences and availability. Note that students assigned to single rooms are charged at the single rate. All students are eligible to request a room change in September based on space availability.

Room Amenities

Each residence hall room includes an extra-long twin bed (36” by 80”), a dresser, a desk and a desk chair. All rooms have window blinds and a closet or wardrobe unit. You may bring your own floor rug or purchase it upon your arrival to campus. Because each space varies, sometimes greatly, we encourage you to wait until you arrive on campus and see your exact space before purchasing items. By coordinating with your roommate(s) on these items, you will avoid purchasing duplicates.

Each room also has a MicroFridge® appliance (combination microwave/refrigerator-freezer unit), so there is no need to buy or rent a refrigerator. The microwave has a capacity of 0.7 cubic feet and a turntable for even heating.

Approved small appliances may be used or stored in residence hall rooms. Please see our Guide to Community Living at go.wfu.edu/gtcl for details. Residents in each residence hall have access to community kitchens featuring full-size appliances.

Deacon OneCard

The Deacon OneCard is your official student ID. You will receive your card when you arrive on campus for New Deac Week, and you should carry it with you at all times. The Deacon OneCard serves as your access card to enter University buildings, your card for checking items out of the library and your “ticket” to many campus events. The Deacon OneCard is also a payment card for three different purposes: Deacon Dollars, FoodDollars and your meal plan.

You must submit a photograph for your Deacon OneCard by July 1.

Faculty Fellows

Faculty Fellows are a group of faculty members assigned to your residence hall who will plan community-building events and be available for informal interaction and advising.

The Faculty Fellows Program was created to build community and increase faculty-student engagement, especially outside of the classroom, providing engaging discussions and activities within and beyond our residence halls.

Who's Who?

Resident Advisers (RAs)

Undergraduate student leaders responsible for building community and connecting students, RAs plan initiatives for not only their smaller communities, but also for the overall residential community they serve. Our South Campus communities have between seven and 11 RAs, based on the community. Look for a welcome email from your RA in August!

Graduate Hall Director (GHD)

A live-in graduate student who assists professional and student staff in the general management of a residential community, which houses 200-300 undergraduate students. Graduate Hall Directors focus on the staff and student development needs of the community they are assigned to.

Community Director (CD)

A full-time master's-level, live-in professional who manages a residential community and supervises RAs and GHDs. CDs work with their staff to foster inclusive community through co-curricular initiatives, mentorship

and faculty engagement. Additionally, CDs work to ensure that students understand and abide by University policy, and provide general assistance to students with residential concerns.

Area Council

The South Forest Area Council offers leadership experience for first-year students. Through advocacy, programming and strategic initiatives, the council works to improve the residential experience. The executive board members act as liaisons between students living on South Campus and the Office of Residence Life and Housing. For more information or to get involved with Area Council, contact your Community Director or Graduate Hall Director.

Disability-Related Housing or Dining Accommodations

Wake Forest University views living on campus as integral to a liberal arts education and the Wake Forest experience. As such, the University has a six-semester (three-year)

residency requirement. In support of students with disabilities, the Office of Residence Life and Housing has a wide variety of housing and dining options on campus that can accommodate the vast majority of disability needs. Students who would like to request a disability-related accommodation should visit go.wfu.edu/f101accommodations.

Substance Free Living

Substance Free Living is for residents who desire, and agree to maintain, a substance-free environment. This community will be on hallways, sections or floors of various communities as demand warrants.

In addition to the Housing and Dining Agreement, residents and their guests must abide by a Substance Free Housing Agreement, whereby they agree to not partake in or enter the residential environment under the influence of tobacco, alcohol or drugs.

Quiet Living

Quiet Living is for residents who desire, and agree to maintain, a quiet living environment. This is an option for students who need to get up early or just want a quiet place to live. As demand warrants, this community will be on hallways, sections or floors of various communities. In addition to the housing agreement, residents and their guests must abide by a Quiet Living Agreement.

Living Learning Communities (LLCs)

Residents in LLCs will live in the same residence hall or on the same floor while taking an FYS (First-Year Seminar) or WRI (First-Year Writing Seminar) course together. LLCs are designed to deepen student learning and foster community among faculty, staff and students who share co-curricular experiences related to coursework.

Residency Requirement and Guarantee

Wake Forest has a six-semester (three-year) residency requirement and is one of the few universities in the country that guarantees housing to students in good standing for eight semesters. Students are required to live in campus housing their first three years unless they live with a parent or guardian in the Winston-Salem area.

Insurance

Wake Forest University (and the Office of Residence Life and Housing) does not assume responsibility for theft, loss or damage to your personal property. Most thefts occur when residents leave their room doors unlocked and/or their property unattended. Keeping your room locked at all times is your best defense against theft.

The University does not cover property loss for damage due to facility incidents that may occur. Before coming to campus, you should determine what it would cost to replace belongings such as clothing, electronics — including cellphone, television, laptop — linens, etc.

As part of the housing application process, students will have the opportunity to purchase renter's insurance from a partner vendor, GradGuard. Additionally, students may wish to check your family's homeowner's insurance policies — many policies will cover loss or theft, even if the policy is in your parents' name(s) and you are living on campus.

Do you have more questions?

Visit our incoming students page at go.wfu.edu/f101housing. If you have additional questions or your question is not answered, please contact us at housing@wfu.edu or 336.758.5185.

How can I view the type of room I will be living in?

You may learn about our residence halls, review floor plans and more by visiting go.wfu.edu/f101housing.

What can and can't I bring to campus?

More info about what you can and cannot have in your room can be found online at go.wfu.edu/f101housing.

When can I move in?

Residence halls open on August 21. Students participating in Pre-orientation programs, band, athletics or another approved group will receive instructions from the Office of Residence Life and Housing.

What are the advantages of living on campus?

Aside from the short commute to class every morning, living in Wake Forest's residence halls has many advantages and places you in the center of the collegiate experience. In addition to having access to a variety of spaces and programs, you will be surrounded by a trained staff of helpful and caring resident advisers and a graduate hall director. The staff work consistently to answer questions, provide support and foster secure, comfortable, inclusive and engaging learning communities.

Will I have access to laundry facilities?

The Office of Residence Life and Housing is committed to providing students with the amenities necessary to make their living space a home away from home. One of those is the free laundry facilities available in each residential community. For more information on our laundry facilities, visit go.wfu.edu/f101laundry.

How do I apply for housing/dining?

All first-year students will complete a Housing and Dining Application online by logging into our Housing Portal at go.wfu.edu/housingportal. The application will be available May 13 and is due by July 1.

How are roommates matched?

Our assignment software matches roommates based on answers to a number of questions. Room and roommate assignments are made without regard to race, religion, sexual orientation or national origin, and we do not assign siblings or friends as roommates. Historically, we have had a low percentage of room change requests from first-year students.

When will I find out who my roommate is?

You will be notified when your room and roommate assignment are available in mid- to late July via your Wake Forest email. You will need to log into the Housing Portal at go.wfu.edu/housingportal to view your room and roommate assignments.

When you get your roommate assignment, please reach out so that you can start getting to know one another. When you arrive on campus, you and your roommate will complete a roommate agreement that will help define expectations for how you will use the room.

Student campus boxes will be assigned in mid-July and will be available in WIN's Internal Directory.

During the school year, student mailings via USPS that require a physical address should be addressed as:

Student Name

Campus P.O. Box

Wake Forest University

Winston-Salem, NC 27109

For FedEx, UPS and DHL letters or packages, you must use the following address template because they **will not deliver to P.O. Boxes**:

Student Name

1834 Wake Forest Road

Unit Box (same as P.O. Box, but use Unit instead)

Wake Forest University

Winston-Salem, NC 27106

PLEASE NOTE: DUE TO TRAFFIC AND PARKING ISSUES ON MOVE-IN DAY, NO DELIVERIES CAN BE MADE ON WEDNESDAY, AUGUST 21.

WHERE'S MY STUFF?

Although you may receive a USPS confirmation that your package has been delivered, this notification only confirms delivery to a nearby post office. The package will still need to be transferred to the WFU campus, received and processed by our Mail Services Department. To make your experience as efficient as possible, please wait to receive an email confirmation from WFU Mail Services that indicates that your package has been processed. In addition to this email, a notice will also be placed in your campus box. If the item will fit into your campus box, it will be placed there; otherwise, you will need to bring the notice to the counter to retrieve your package.

WAKE LINE SHUTTLES

Wake Forest operates a fleet of scheduled shuttle lines and on-demand services to members of the campus community. Different shuttle lines will take you to parking, Hanes Mall, Target, various apartment complexes, the Downtown Campus and the Coliseum for men's basketball games. Download the TransLoc Rider app to your smartphone to track each shuttle's location on the various routes and see estimated times of arrival. Nightly, you can use the TransLoc Rider app onCall Demand service for a free ride around campus and to and from surrounding Wake Forest neighborhoods. Visit the website for schedules and more information: parking.wfu.edu/ride-the-wake.

BIKE SHARING

SHARE THE RIDE

SharetheRideNC is an electronic ride-sharing board that helps students connect with others who are traveling to the same destination or just in the same direction. Rides are matched based on the criteria set by the individuals offering and seeking rides. sharetheridenc.org

ZIPCAR

Wake Forest offers this car-sharing program as an alternative to bringing your own car to campus. Cars are parked on campus near the first-year residence halls, between Kitchin and Poteat halls, and on the North Campus. They are available 24 hours a day; rates include gas and insurance. zipcar.com/wfu

PARKING REGISTRATION

For families who decide to send a car to campus, first-year parking permits will be available online beginning August 1, 2019. Visit our website at parking.wfu.edu to purchase your parking permit, access the parking map and become familiar with the Parking Rules and Regulations. Parking permits will be available for pickup in the Benson University Center on Move-in Day. All first-year and transfer students, including those who commute to campus, are required to park in a designated lot off campus. Shuttle service is provided. Students with disabilities or health issues should refer to LAC-DS (see p. 130).

   DEACONDINING

Through a variety of dining locations, broad menu offerings and welcoming staff, Wake Forest University Dining takes great pride in providing a first-class eating experience.

Dig in.

1 REYNOLDA HALL

“The Pit”

The Fresh Food Company

The Fresh Food Company is affectionately known around campus as “the Pit” due to its location in the lowest level of Reynolda Hall. Enjoy all-you-care-to-eat dining for breakfast, lunch and dinner. Choose from homestyle favorites, rotisserie items, sandwiches, fresh salads, pastas, international meals, homemade desserts and more. The Pit is also peanut-free with vegan food on the menu daily, which helped Wake Forest get named one of the “Top 10 Vegan Friendliest Schools in the Nation.”

“Mag Room”

The Magnolia Room

Come by the Magnolia Room and enjoy a delicious all-you-care-to-eat buffet for lunch Monday through Friday on the second floor of Reynolda Hall. Fine-dining decor, white tablecloths and Southern sweet tea on the tables are the highlights of this experience.

2 DAVIS HALL

Subway and Provisions on Demand (P.O.D.) Convenience Store

Subway and the attached P.O.D. convenience store are located on Hearn Plaza in Davis Hall.

3 BENSON UNIVERSITY CENTER

Benson Food Court

Located on the second floor of the Benson University Center, Benson Food Court features national and local favorites, including Chick-fil-A, Hissho Sushi (freshly prepared sushi and Asian cuisine hot bar), Forest Greens (chopped salads, deli, Village Juice smoothies), Moe’s Southwest Grill and the 336 Market.

Shorty’s Restaurant & Bar

The story began in 1916 with “Shorty” Joyner when he opened a small restaurant on White Street in Wake Forest, North Carolina, near the campus of Wake Forest College. The restaurant eventually became a local hangout for all students. When Wake Forest moved to Winston-Salem in 1956, Shorty’s came along with it.

Shorty’s remains a favorite dining and gathering place for the Wake Forest community. Located on the second floor of Benson University Center, this Wake Forest landmark is known for its delicious tavern menu and fun trivia nights!

4 ZSR LIBRARY

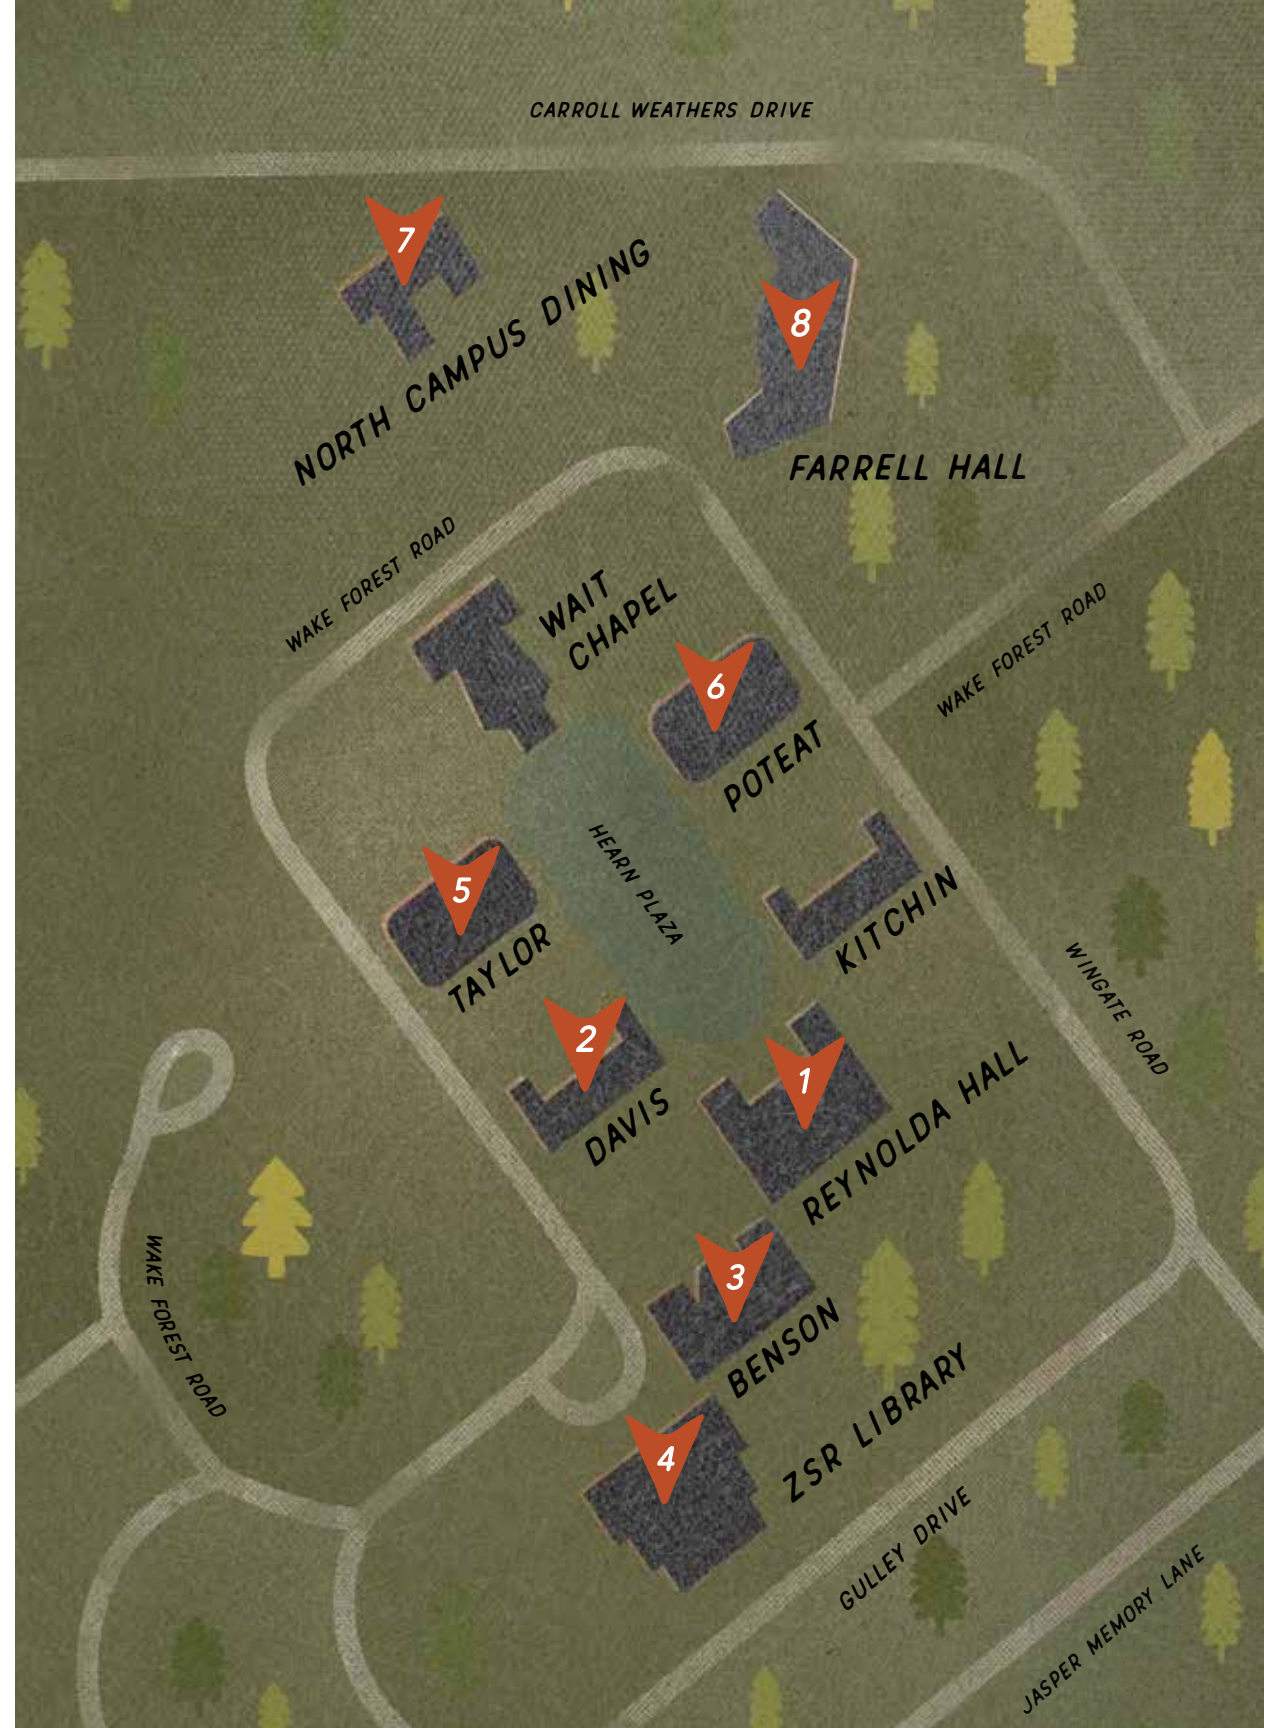

Starbucks

Starbucks is one of the best places on campus to grab a coffee and pastry, study and hang out with friends.

5 TAYLOR HALL

Campus Grounds

Conveniently located off Hearn Plaza. Stop by to enjoy locally roasted coffee and artisan-crafted products at this student-run gathering place.

6 POTEAT RESIDENCE HALL

Zick's

Named in honor of Ken Zick, former vice president and dean of student affairs, Zick's is proud to enrich the Wake Forest Reynolda Campus as a favorite hangout and dining venue. Visit this landmark for pizza, wings and billiards, or to watch a sporting event!

7 NORTH DINING HALL

Hilltop Market

The Hilltop Market combines the dining style of a modern servery with the fresh and healthy choices of a traditional residential restaurant. It is an à la carte destination allowing patrons to swipe through and exit with their selections. The menu features a wide variety of American favorites and global cuisine.

Village Juice, Starbucks and Provisions on Demand (P.O.D.) Market

The North Dining Hall's Starbucks is a full-service venue serving breakfast and lunch selections alongside its celebrated beverages. It's adjacent to the Provisions on Demand (P.O.D.) Market convenience store. Village Juice is located upstairs in North Dining Hall next to Hilltop Market. Village Juice makes to order salad, grain and smoothie bowls along with their signature smoothies.

8 FARRELL HALL

Einstein Bros. Bagels

Known for its perfectly baked bagels, Einstein Bros. also boasts some of the best coffee and espresso — famously known as its Darn Good Coffee® — deli sandwiches, breakfast egg sandwiches, lunch catering and delicious baked snacks and sweets.

HOW DO I PAY?

MEAL PLAN

Most residential students are required to purchase a meal plan. There are several meal plan options available to you. Each meal plan consists of Meal Swipes, Old Gold Swipes and Food Dollars. Choose the one that best matches your dining lifestyle. For more information on plans and pricing, please visit go.wfu.edu/f101mealplans.

FOOD DOLLARS

Food Dollars work like a debit account. Each time a purchase is made, the amount is deducted from the balance in your account. Food Dollars can be used at any campus dining location. Add Food Dollars to your account at any time by visiting deacondining.com or the dining office located in Reynolda Hall 12.

MEAL SWIPES

Meal Swipes are used to access the Fresh Food Company, the Magnolia Room and the Hilltop Market. These locations feature a variety of stations, including a deli, salad bar, made-to-order Mongolian grill, Southern kitchen, pizza and steamed vegetables.

OLD GOLD SWIPES

Old Gold Swipes are included in your total number of meals and serve as enhancements to the traditional meals. A portion of your Meal Swipes is considered Old Gold. In addition to their usage as traditional Meal Swipes, these swipes may be used to purchase combo meals in the following locations: Chick-fil-A, Einstein's, Forest Greens, Legal Grounds, Magnolia Room, Moe's, Shorty's, Starbucks, Subway, Village Juice and Zick's.

What happens if I do not use all of my Meal Swipes or Food Dollars?

Any unused meals (including Old Gold Meal Swipes) expire at the end of each semester. Unused Food Dollars carry over from fall to spring semester, but expire at the end of the spring semester.

Old Gold Swipes are included in your total number of meals and serve as enhancements to the traditional meals. A portion of your Meal Swipes is considered Old Gold. In addition to their usage as traditional Meal Swipes, these swipes may be used to purchase combo meals in the following locations: Chick-fil-A, Einstein's, Forest Greens, Legal Grounds, Magnolia Room, Moe's, Shorty's, Starbucks, Subway, Village Juice and Zick's.

What's being served right now? Can I check the menu?

Our menus are available online at deacondining.com and through our CampusDish app, available for both Android and iOS.

What is the difference between Food Dollars and Deacon Dollars?

Food Dollars can be used only for food purchases. Deacon Dollars can be used at a variety of locations, including the Bookstore and the Deacon Shop, in addition to Wake Forest Dining venues. Deacon Dollars carry over as long as you are enrolled as a Wake Forest student.

Can I add more Food Dollars?

Food Dollars work like a debit account. Each time a purchase is made, the amount is deducted from the balance in your account. Food Dollars can be used at any campus dining location. Add Food Dollars at our office in Reynolda Hall, Room 12, or by visiting deacondining.com.

Can I change my meal plan?

Meal plan changes are administered by the Office of Residence Life and Housing. For more information and deadlines, please visit go.wfu.edu/f101mealplans.

How do I track my meal plan usage?

Food Dollar balances can be checked at all cash registers and at deacondining.com. Meal Swipes can be checked through any residential dining hall registers. Sign up for low-balance alerts on our site to stay up to date on your Food Dollars.

Am I required to have a meal plan?

Most students who live on campus are required to have a meal plan. The requirement for the amount of meals purchased varies depending on where a student is living on campus. Students who live off campus are not required to have a meal plan, but they may purchase a

traditional, commuter or apartment plan when they register their off-campus address in WIN. Please visit go.wfu.edu/f101mealplans for more information regarding Dining Services, including meal plan options and rates.

Meet Our Registered Dietitian

Food is the fuel your body needs to function. Making smart choices is a critical part of health and wellbeing. Special dietary needs and concerns can be accommodated by contacting our registered dietitian. Please visit our main office in Reynolda Hall, Room 12, for more information or visit deacondining.com.

Diverse Dietary Needs

Deacon Dining strives to accommodate the diverse dietary needs of our students. Students can view menus and ingredients for all residential and retail locations online at deacondining.com, and have access to a dietitian who works with medical providers to help guide students on how to eat on campus with their specific food allergies, intolerances and preferences. We actively participate in the Global Foods Committee, as well as other international student organizations, to provide culturally authentic foods. We offer a variety of vegan, vegetarian, kosher and halal items across residential and retail dining locations.

Performance Dining

We engage and inform students about the healthy functions of foods to help them make choices that will fuel performance across the day, from the classroom to the gym. Students will find a performance dining station in the Fresh Food Company stocked with lean animal- and plant-based proteins, whole grains, a spice bar, a rainbow of vegetables and more. For suggestions on how to build a performance dining meal or snack, students can visit deacondining.com.

Sustainability in Dining

Our efforts to promote a more sustainable food system include the following:

- Prioritizing foods and beverages that are fresh and in season, organically certified, humanely raised and handled, fair trade certified and/or approved by the Monterey Bay Aquarium whenever possible.
- Creating delicious menus that optimize the nutrition of fruits, vegetables and grains for fully vegan, vegetarian or plant-forward options that include animal proteins. Shifting to a more plant-based way of eating helps reduce freshwater withdrawals and deforestation and is a win-win for both our personal health and the environment.
- Collecting prep waste in the Pit, coffee grounds at Starbucks and Campus Grounds and all food waste in North Dining for composting.

For more information on Wake Forest University's commitment to sustainability, please visit sustainability.wfu.edu.

Reducing Food Waste with Campus Kitchen

Campus Kitchen and Wake Forest Dining partner to tackle food waste and hunger. Food that is prepared but never served is repurposed into 300 regular meals per week for food-insecure individuals and families. Produce from the Campus Garden complements the repurposed food, so volunteers can make fresh meals from scratch in the Campus Kitchen (located, fittingly, in Kitchin Residence Hall).

In the Wake Forest tradition of educating the whole person, we are committed to sustaining a multidimensional culture of health and wellbeing that will benefit our students long after they leave the Forest.

Wellbeing is about much more than physical health. Here, it's a multifaceted balancing act that — when maintained properly — leaves us best able to cope with adversity, build rewarding relationships and live with a sense of purpose. Thrive is a campus-wide initiative — owned by every member of the Wake Forest University community. The Office of Wellbeing leads the campus in making wellbeing a part of every experience in the lives of our students, faculty and staff.

If you're ever curious about the University's commitment to wellbeing, look no further than the newly renovated Reynolds Gym, part of the Wake Forest Wellbeing Center. Here you will find conversation nooks, a workout facility and resources to help you relax and take care of your personal wellbeing.

With large windows for natural light, a fireplace, full-body massage chairs and an aromatherapy station, the Reynolds Gym Living Room and Office of Wellbeing suite are sure to be your new favorite spaces on campus.

Dimensions by the Month

Each month, the Office of Wellbeing offers programs and skill-building workshops to highlight a specific dimension of wellbeing. These events are intended to give students the skills and resources they need to thrive in all eight dimensions of wellbeing. thrive.wfu.edu/programs/dimensions-by-the-month

Wellbeing Wednesday

Get your friends and join us every Wednesday afternoon for a new wellbeing activity. Whether it's learning about essential oils, trying out some tai chi or practicing your hip-hop dance moves, there is sure to be an event that interests you! thrive.wfu.edu/programs/wellbeing-wednesday

Massage Therapy

Enhance your wellbeing through physical and mental relaxation. Book an appointment with one of our licensed massage therapists to help you de-stress and unwind or for pain relief. thrive.wfu.edu/services/massage-therapy

Peer Education

Wake Forest University P.E.E.R.S. is a student-led group that seeks to educate, empower and promote wellbeing within the campus community. Through their collaborative outreach and awareness programs, the peer group promotes services, tools and resources involving alcohol and other drug misuse, nutrition, invisible disabilities and mental health. thrive.wfu.edu/programs/peer-education

Gold Apron Cooking

Learn how to cook delicious, healthy meals that will fuel your mind and body. You can stop by our mobile kitchen in Reynolds Gym to talk to a nutritionist from Deacon Dining, watch a cooking demonstration and try free samples! thrive.wfu.edu/programs/gold-apron-cooking

Wellbeing Coaching

Work with a certified coach to identify professional or personal goals around any of the eight dimensions of wellbeing. Develop action plans to achieve your goals and measure your progress. thrive.wfu.edu/services/wellbeing-coaching

Alcohol and Other Drugs (AOD) Safety

The Office of Wellbeing coordinates Wake Forest's alcohol and other drugs (AOD) misuse prevention program. The office offers a number of services: AOD-related workshops, training and programming; private AOD individual assessments and brief consultation to students, parents, faculty and staff with regard to AOD concerns; referrals to community support services; and support for individuals in recovery from addiction. aod.thrive.wfu.edu

Bystander Intervention Training

Upon entering Wake Forest in the fall, all first-year students will participate in interactive, discussion-based training to learn how to be active bystanders in situations regarding alcohol, mental health and sexual assault. These sessions are intended to raise awareness of helping behaviors, increase motivation to help, develop skills and confidence when responding to problems or concerns, and ensure the safety and wellbeing of self and others.

Prevention Programs

Wake Forest University is committed to providing a safe, secure and healthy environment for all members of the University community. As part of our comprehensive program for first-year students, Wake Forest University requires you to complete two online programs:

1. AlcoholEdu is designed to increase students' knowledge, decrease harmful behaviors and provide information for safe decision-making in your college years and beyond. aod.thrive.wfu.edu/resources/alcoholedu-for-college
2. As part of Wake Forest University's efforts to prevent sexual misconduct and interpersonal violence, students are required to complete Part 1 of Sexual Assault Prevention for Undergraduates, an online course that defines behaviors that constitute sexual misconduct, ways to prevent sexual misconduct through bystander intervention, the avenues that are available to report sexual misconduct and the support resources available for students. sopr.wfu.edu

WFU's Office of the Chaplain sponsors a variety of opportunities for exploring the spiritual dimensions and meaning of your life. We can help you find a spiritual home base or form a new group, widen your circle of inclusion and identifications, handle an ethical dilemma or research a class project. The Office of the Chaplain collaborates as a multi-faith team to promote enriching dialogue, meaningful celebrations and remembrances, and enduring friendships among people of all religious and spiritual backgrounds.

To these ends, the Office and its chaplains and campus ministers seek ways to encourage:

- spiritual wellbeing
- an exploration of the spiritual dimensions of leadership
- ways to resiliently engage with life
- listening deeply and living your truth
- community cohesion: a caring and compassionate Wake Forest
- religious and spiritual commitment within the context of religious pluralism
- spiritual practices that encourage emotional intelligence
- moral reasoning
- active engagement in the search for meaning and purpose

Religious and Spiritual Spaces

From Wait and Davis Chapels to the Reynolda Village trails, there are many sacred spaces at Wake Forest that nurture the lives of people who encounter them. They include:

- Religious Life student lounges
- meditation rooms (Benson University Center and Wake Downtown)
- MindfulWake meditation room (Reynolda Hall)

MindfulWake

The central objective of MindfulWake is to help you develop mindfulness practices that deepen self-awareness and increase wellbeing. We offer:

- drop-in weekly meditation & practice groups
- mindfulness-based coaching
- half-day retreats
- koru mindfulness classes

Religious Life Pre-Orientation Retreats

MazalWAKE is a fun three-day pre-orientation to college and Jewish life at Wake Forest, with an opportunity to explore Jewish identity and to develop friendships that will last a lifetime.

Exclusively for first-year Demon Deacons, **Summit** offers Christian students the opportunity to get to know others who are both anxious and excited about their new life as a Wake Forest student.

Religious/Spiritual Student Groups

Founded on the principle that each religious tradition is an equally valued part of this community — and that this diversity contributes to a vital learning community — the Office of the Chaplain supports the life of all spiritual and religious traditions represented at Wake Forest. Groups include:

- Athletes in Action (AIA)
- Baptist Student Union (BSU)
- Campus Crusade for Christ (CRU)
- Chi Rho
- Episcopal Student Fellowship (ESF)
- Gospel Choir
- Hillel (Jewish)

Demon Deacons are extremely active both inside and outside the Forest. The WF Wellbeing Center is the hub for fitness and recreation on campus. Campus Rec offers workout spaces, intramural sports and club teams. Looking to get off campus? Outdoor Pursuits hosts outdoor adventure trips for all experience levels!

Recreational Facilities

Come check out the brand-new Wake Forest Wellbeing Center. This renovated and expanded facility boasts state-of-the-art cardio and weight equipment, as well as four gyms, four exercise studios, a pool and whirlpool, comfortable lounges and a climbing and bouldering wall. Campus also offers five acres of playing fields, over three miles of running trails, a disc golf course and outdoor basketball, tennis and sand volleyball courts. Campus Recreation has an extensive equipment checkout, including basketballs, tennis rackets, cornhole and more. And when the family comes to visit, they can get a guest pass and join you! To learn more, visit go.wfu.edu/recfacilities.

Fitness

In addition to state-of-the-art equipment, Campus Rec offers daily group fitness classes ranging from Zumba to yoga, as well as small-group training like TRX and HIIT. Personal trainers are also available in Reynolds Gym. All instructors and trainers are professionally certified and trained to give you the best fitness experience possible. Learn more at go.wfu.edu/fitness.

Intramural Sports

Most Deacons participate in at least one of several intramural sports offered each year. Both recreational and competitive leagues are available, so you can have fun no matter how competitive (or noncompetitive) you may be, and championship T-shirts are prized possessions! Check it out at go.wfu.edu/intramurals.

Club Sports

Wish you could continue competing in your favorite sport here at Wake? You can! There are 35 club sport teams that compete against other universities. If we don't currently field a team in your favorite sport, you can start your own club team. Learn more at go.wfu.edu/clubsports.

Outdoor Pursuits

Ready for an adventure? Outdoor Pursuits is your outdoor adventure headquarters. We offer not only a wide range of day and overnight trips, but also an extensive inventory of rental gear. Want to meet others who enjoy

the outdoors? Participate in Wilderness to Wake, the University's largest first-year pre-orientation program. Come join us at go.wfu.edu/outdoors.

Aquatics

Go ahead! Take the plunge and dive into our brand-new eight-lane pool, or relax in the 14-person whirlpool. Whether you want to swim for fitness, competition or fun, we're here for you! Whatever you do, jump in. 'Cause the water's great! Find out more at go.wfu.edu/aquatics.

Student Employment

Looking for a job during college? We want you! Campus Rec is the largest employer of students on campus, and we have jobs including lifeguard, trip guide and climbing wall attendant. We also hire and train group fitness instructors, personal trainers and intramural officials. Working on campus is super convenient, and we like to think we're pretty fun too! Visit go.wfu.edu/recjobs.

OFFICE OF SUSTAINABILITY

LOVE THE WORLD YOU'RE WITH

The Office of Sustainability provides students with the support to transform their interests in sustainability into passionate leadership. Whether we can encourage you to carry a reusable water bottle or inspire you to become a change agent for sustainability, there is a place and a way for you to get involved.

Oh, the Places You'll Go ... and the Things You'll Learn

What do drones, coral reefs in Belize, backpacking across Alaska and exploring the Peruvian Amazon have in common? They're all part of the environmental program here at Wake, where the world is your classroom. Explore cees.wfu.edu to learn all about our environmental education and research opportunities.

And the Learning Doesn't Stop There

Rolling Stones keyboardist Chuck Leavell, author and naturalist Terry Tempest Williams and environmental activist Vandana Shiva are just a few of the world-renowned speakers the Office of Sustainability has brought to campus. In addition to keynote speakers, the Office of Sustainability hosts an annual Earth Week celebration to inspire action through service projects, tree plantings and celebrations.

STOP BY REYNOLDA HALL 101 TO LEARN ABOUT WAYS TO GET INVOLVED IN CAMPUS SUSTAINABILITY

MOVE IN / MOVE OUT

Stop by our tent to pick up your personal recycling tote on Move-in Day. It's yours to keep for all four years.

CHOOSE TO REUSE

Fill up your reusable water bottle at any of more than 150 bottle-refilling stations across campus, and pick up your reusable to-go container in the Pit.

GET INVOLVED

Volunteer in the Campus Garden, on the Compost Crew, on the Plant-forward Dining Committee or as an Environmental Educator in local schools.

 WAKE FOREST STUDENT ENGAGEMENT

 @WFUSTUDENTENGAGEMENT

Wake Forest offers you the opportunity to expand your horizons within a community that is at once rooted in enduring traditions and characterized by innovation and adaptability to fast-changing contexts. Student Engagement invites you to become an engaged citizen in our community, to enhance your self-awareness and grow as a courageous leader and to be a part of tradition while also being a part of the future. Your Wake Forest experience will allow you to not only broaden your perspective but also deepen your view.

LOG ON TO "THE LINK" AT
WFU.COLLEGIATELINK.NET
TO GET INVOLVED

Student Engagement at Wake Forest offers a multitude of ways to connect, explore and grow. Throughout the year, you'll be able to take part in programs that complement your academic experience through the arts, traditions, political involvement, media and community service. Throughout these experiences, you'll develop new skills, new friendships and new ways of seeing the world.

Consider becoming an invested community member in one of the over 200 chartered student organizations and campuswide initiatives. From service-oriented organizations to political groups to social organizations and religiously affiliated groups, there is bound to be an organization that aligns with your interests and curiosities.

Wake the Demons/First-Year Tailgate, August 30

Kick off the 2019 Wake Forest football season with your class at the game against Utah State! Athletics and Campus Life sponsor a free event with food trucks, music and prizes exclusively for the incoming class at the first home football game. Storm the field with your class prior to the game and open the gate for the team. Free food, music and tons of Deacon spirit!

Student Involvement Fair, September 4

The Student Involvement Fair will be Wednesday, September 4 from 3:30 - 6 p.m. on Manchester Plaza. Students will have the opportunity to meet representatives from student organizations, community service partners and more!

Homecoming, September 20-21

Homecoming is fall reunion weekend for alumni, friends and students of Wake Forest. It includes the Homecoming football game against Elon and activities organized by Student Union, Student Government, the Alumni Office and Athletics. Mark your calendars for the Biennial President's Ball, held from 9 p.m. to 1 a.m. at LJVM Coliseum.

PARENTS AND FAMILIES OF WAKE FOREST STUDENTS ARE INVITED TO ATTEND AN EXCITING WEEKEND FILLED WITH ACTIVITIES, INCLUDING THE FOOTBALL GAME AGAINST THE WOLFPACK OF NC STATE, PARENT INFORMATION SESSIONS, AN ADDRESS BY PRESIDENT NATHAN G. HATCH, PROGRAMS ON THE HISTORY OF WAKE FOREST, NUMEROUS OPEN HOUSES AND SUNDAY BRUNCH.

*LIKE THE FIGHT SONG SAYS,
YOUR NEW HOME IS UNRIVALED BY ANY*

The history, events, quirks and rituals that make Wake Forest unique help form a lasting bond among those who call themselves Demon Deacons. In a time before Google, these were things passed from one generation of Wake Foresters to the next. Embrace them. Make them your own.

IN 1834, THE WAKE FOREST
Manual Labor Institute was founded in
Wake Forest, N.C.

THE REYNOLDA CAMPUS
opened its doors in 1956.

THE FIRST STUDENT WAS 12
years old, and the first graduating
class included four students.

WAKE FOREST WAS THE FIRST
major private institution in the South
to integrate.

IN 1946, THE SCHOOL ACCEPTED
an invitation from the Z. Smith
Reynolds Foundation to move across
North Carolina to Winston-Salem.

WAKE FOREST COLLEGE
became Wake Forest University
in 1967. The letters WFC can still be
found in ironwork around campus.

DEAR OLD WAKE FOREST,
THINE IS A NOBLE NAME;
THINE IS A GLORIOUS FAME,
CONSTANT AND TRUE.
WE GIVE THEE OF OUR PRAISE,
ADORE THINE ANCIENT DAYS,
SING THEE OUR HUMBLE LAYS,

MOTHER, SO DEAR

DEAR OLD WAKE FOREST,
MYSTIC THY NAME TO CHEER;
BE THOU OUR GUARDIAN NEAR FORE'ER AND AYE.
WE BOW BEFORE THY SHRINE,
THY BROW WITH BAYS ENTWINE,
ALL HONOR NOW BE THINE,
MOTHER, TODAY.

BY GEORGE W. PASCHAL, CLASS OF 1892 (THURINGIAN FOLK SONG)

PROJECT PUMPKIN

Project Pumpkin is an annual event sponsored by the Volunteer Service Corps around Halloween. It brings approximately 700 children from the Winston-Salem community onto campus and pairs them with Wake Forest undergraduates for trick-or-treating and carnival games. phi.wfu.edu/projectpumpkin

WAKE 'N SHAKE

What do over 1,200 students do together in Reynolds Gym for 12 continuous hours in March? They dance, sing, play games, hear inspirational stories and have an outrageous time, all to help find a cure for cancer. So get on your feet and get ready to dance! phi.wfu.edu/wakenshake

HIT THE BRICKS

"This is college!" These were the words of a first-year student while racing around the Quad as a member of his residence hall's relay team. More than 1,000 students, faculty and staff join together in Wake Forest's annual eight-hour team relay event to benefit the Brian Piccolo Cancer Drive. phi.wfu.edu/hitthebricks

MAGNOLIAS

You'll find them gracing Manchester Plaza, and they hold a special place in the hearts of Wake Foresters across the globe.

The magnolias of today come from seeds that were collected from the Old Campus in 1947, grown for five years in a swimming pool in South Carolina, then transplanted to the Reynolda Campus.

THE STONE ARCH

It's not our first arch. What graces the Quad today is a replica of the original, which can still be found on our Old Campus in Wake Forest, North Carolina.

Each year during Commencement, the graduating class carries on the tradition of entering the Quad through the arch.

WAIT CHAPEL

Named for Samuel Wait, our University's first president. The 12-ton carillon consists of 48 bronze bells. There are only 100 of its kind nationwide.

The chapel has hosted a wide range of events, including two presidential debates, the memorial service for Maya Angelou, NPR's "Wait Wait... Don't Tell Me" and many notable speakers, including Dr. Martin Luther King Jr., President Jimmy Carter, James Earl Jones, Robert F. Kennedy Jr., Tony Dungy, Senator John McCain, Ta-Nehisi Coates and Laverne Cox.

YOUR COLORS

OLD GOLD & BLACK

YOUR FIGHT SONG

O here's to Wake Forest
 A glass of the finest
 Red ruddy, Rhenish
 Filled up to the brim.
 Her sons, they are many
 Unrivalled by any
 With hearts o'erflowing,
 We will sing a hymn.

RAH, RAH, WAKE FOREST, RAH!

Old Alma Mater's sons are we!
 We'll herald the story
 and die for her glory:
 Old Gold and Black is
 ever waving high.

As frosh we adore her,
 As sophs we explore her,
 and carve our names
 upon her ancient walls.
 As juniors patrol her,
 as seniors extol her,
 and weep to leave fore'er
 her sacred halls.

(WIPE TEARS AND REPEAT CHORUS)

YOUR MASCOT

YOUR MOTTO

PRO HUMANITATE

The Wake Forest motto, *Pro Humanitate*, is regularly translated as "For Humanity" and is probably most often understood to mean that we do what we do for the sake of humanity, for the people of the world. It is often heard as a very specific call to community service.

ROLLING THE QUAD

HOW TO TOSS LIKE A BOSS

PREPARATION

Keep a secret stash ready at all times for victories. Use double rolls for maximum impact and tree coverage.

IT'S GO TIME

After the big win, promptly go to the Quad (Hearn Plaza) with your stash. We don't roll the Quad for just anything; it's gotta be a big deal.

USE PROPER FORM

Place your hand on the curvature of the roll so it will unravel upon release. Throw like a baseball over the tree, using plenty of arc. Follow it to the other side; repeat until tube is empty.

SATISFACTION

Bask in the glory of a newly decorated Quad with your peers. Make memories. Never forget the moment.

 WAKE FOREST SPORTS
 @DEMONDEACONS

The Deacon has been dominating opponents in one of the nation's premier athletic conferences for years.

As the smallest school in the Atlantic Coast Conference, Wake Forest continually proves that it's not the size of the school in the fight, it's the size of the fight in the school. With national championships, ACC regular season titles and tournament championships, NCAA basketball tournament appearances, bowl games and a signature ACC football championship in 2006, Wake Forest University competes — and wins — at the highest level of collegiate athletics.

With the full support of the legendary Screamin' Demons and the entire Wake Forest community wearing their black and gold, Demon Deacon athletic events are something you don't want to miss. And much like our loyal fans, your voice will also return.

How 'Bout Them Deacs?!

THE DEACONS took the crown in 1955 as the first ACC school to win baseball's College World Series.

BRIAN PICCOLO, the subject of the acclaimed movie "Brian's Song," was the 1964 ACC player of the year for the Deacs.

NINE NCAA CHAMPIONSHIPS have been claimed by the following teams: field hockey (2002, 2003, 2004), men's golf (1974, 1975, 1986), baseball (1955), men's soccer (2007) and men's tennis (2018).

ARNOLD PALMER, golf legend and former Wake Forest student, won the inaugural ACC championship in 1954.

WAKE FOREST has won 51 ACC Championships.

4 FORMER WAKE FOREST golfers have won a total of 11 major championships, which is the third most of any university.

OTHER NOTABLE DEACONS: Tim Duncan, Chris Paul, Dearica Hamby, Webb Simpson, Bill Haas, John Collins, Jack Harrison and Laura Diaz

Where are the athletic facilities?

Wake Forest's facilities are located both on and off the Reynolda Campus. Field hockey and track and field utilize Kentner Stadium, which is located next to Reynolds Gym. The men's and women's soccer teams practice and play at Spry Stadium, adjacent to Polo Residence Hall. The volleyball team uses Reynolds Gym as its home facility. The baseball, football and basketball facilities are adjacent to each other off campus on Deacon Boulevard. The football team plays at BB&T Field, the basketball teams host their home games at the Lawrence Joel Veterans Memorial Coliseum and the baseball team competes at David F. Couch Ballpark. The men's and women's tennis teams practice and play at both the Wake Forest University Indoor Tennis Center and the Wake Forest Tennis Complex.

How do I get to the football stadium?

Prior to football games, the athletics department runs shuttle buses between the Reynolda Campus and BB&T Field. The buses typically start picking up students at Wait Chapel four hours before game time. As kickoff approaches, additional shuttle buses will also make pickups at Benson University Center.

How do I get tickets to athletic events?

All undergraduate students receive free admission to all Wake Forest athletic events by showing their Deacon OneCards. However, the number of seats at these games is limited, and spots are first come, first served.

How much does it cost?

There is no cost for students to attend athletic events. There is a minimal cost for students to join the Screamin' Demons.

Can students tailgate at football games?

There is a designated student tailgate area within the University Tennis Center, which is behind the East Stands at BB&T Field. Any recognized student organization can reserve space at the student tailgate by contacting WFU Sports Marketing.

Where can I get apparel?

Wake Forest apparel items are sold at Deacon Shops in Kitchin Residence Hall and in Hanes Mall. Be proud and wear your black and gold!

How do I try out for a team?

The walk-on tryout process varies from team to team. The best thing to do is to contact the specific athletic team on which you would like to participate.

What is a Screamin' Demon?

The Screamin' Demons are a student group that supports all Wake Forest athletic teams. They are considered the loudest and proudest Wake Forest fans, and their presence helps to create the energy and atmosphere that make Wake Forest sporting events such a great tradition. Membership in the Screamin' Demons includes T-shirts for football and basketball games. Screamin' Demons also receive priority for the best seats at sporting events. For more information, visit godeacs.com/screamindemons.

YOUR HOMETOWN AWAY FROM HOME

With a laid-back, artsy vibe, Winston-Salem offers the convenience of a smaller city without the drama of a metropolis. Head west to the mountains, head east to the beach — either is just a few hours away. Along with 250 years of history, the City of Arts and Innovation has two film festivals, six colleges and universities, professional baseball, 450 restaurants, opera and plenty of green space.

So grab a friend and get out there, explore and make yourself at home.

REYNOLDA HOUSE, GARDENS AND VILLAGE

The origins of your new Winston-Salem home can be found a few steps away at Reynolda, the former estate of Katharine Smith Reynolds and tobacco magnate Richard Joshua (R.J.) Reynolds. At Reynolda, you can find your new favorite lunch spot, boutiques and salons within walking distance, a peaceful lawn for studying under the sun and works of art that will inspire you for years to come. A visit to Reynolda in your first year is essential to understanding why the ground you walk on is called the Reynolda Campus.

Reynolda gets its name from the feminine of Reynolds, a nod to the estate's visionary Katharine. As a 1,067-acre working estate, Reynolda originally incorporated the main house now called Reynolda House Museum of American Art, formal and informal gardens known as Reynolda Gardens and farm buildings turned into the unique shops of Reynolda Village. Wake Forest's Reynolda Campus rests on the land that was once farmland of the Reynolda Estate. Reynolda is an easy quarter-mile walk from campus along the Reynolda Trail, a wooded, paved trail that connects to South Campus.

THE START GALLERY

The START Gallery, the Wake Forest University Student Art Gallery, was founded in 2009 and is located in Reynolda Village adjacent to the University campus. The gallery offers students the opportunity to display and sell their artwork, and, through its eight to 10 exhibitions a year, strives to create a unique experience for students interested in art or art management. START boasts various opportunities for students to get involved, including STARTyourself, which allows interested students to present solo shows of their work or to curate exhibitions of the work of others.

ACADEMIC ADVISING

A TOUR GUIDE TO YOUR FUTURE

As expressed in the University's Statement of Purpose, Wake Forest dedicates itself to fostering "habits of mind that ask 'why,' that evaluate evidence, that are open to new ideas, that attempt to understand and appreciate the perspectives of others, that accept complexity and grapple with it, that admit error and that pursue truth."

Advising at Wake Forest reflects this vision and aspires to encourage students on a personal journey — one in which courses chosen and decisions made both inside and outside of the classroom are intentional and reflect exploration, open-mindedness, creativity, appropriate risk-taking and willingness to learn from challenges.

Advising Sessions during the Month of June 2019

During the month of June, new students are encouraged to contact the Office of Academic Advising to have a telephone advising session with a member of our staff. Students should follow the schedule below and should use Forestry 101, the new student website, and other resources to prepare specific questions. Due to volume, we cannot offer multiple telephone advising sessions, so please prepare your questions ahead of time as much as possible. After your advising session, if you have additional questions we will ask that you direct those to us via email at undergraduateadvising@wfu.edu. This email address is monitored closely and you will typically receive a reply within 48 hours.

We will be accepting advising calls Monday–Friday, June 3–28, from 9 a.m. to 4:30 p.m. EDT. No appointment is necessary so be prepared to be advised when you call us at 336.758.3320.

Lower-Division Advisers

The lower-division adviser is a member of the faculty or staff who provides academic guidance and support. Your lower-division adviser will be available during New Deac Week to review your schedule with you. Until you declare a major, your lower-division adviser will guide and support you during and between registration periods except the first round this summer. A face-to-face meeting

with your adviser is required before all registration periods except the first. Students are encouraged to arrange additional meetings at any time to seek advice or assistance.

Student Advisers

Your student adviser is a current student who is trained to provide academic guidance and mentorship and will work with your lower-division adviser. Both will be available to assist you with your transition to Wake Forest. **Your student adviser will reach out to you via WFU Google Mail in mid-August.**
You will be assigned a lower-division adviser and a student adviser in mid-August.

Professional Advising Staff

In addition to your lower-division adviser and your student adviser, academic counselors in the Office of Academic Advising can assist with academic planning, exceptions and any other academic need or concern. All incoming students will have the opportunity to schedule individual advising sessions in June via phone or in person.
See advising.wfu.edu.
Walk-in hours are daily 10 a.m.–4 p.m. in Reynolda Hall room 125.

Pre-Professional Advisers

Pre-professional advisers for the health professions (medical, dental, veterinary medicine, PA, PT, nursing, etc.), pre-law, pre-engineering, pre-business, pre-investment banking and pre-graduate school are also available to meet with you.
Visit advising.wfu.edu/academic-planning/pre-professional-tracks.

NOTE THE 2019–20 ACADEMIC CALENDAR:
WFU.EDU/ACADEMICS/CALENDARS

It contains important dates regarding holidays, exams, and course drop and add dates. Copy these dates into your calendar now; you are expected to be present on all dates when the college is in session through your last exam.

Do not schedule travel until you know your class and exam schedule!

CURRICULUM REQUIREMENTS

IT'S OK TO SEE OTHER SUBJECTS

You have chosen a school that emphasizes the liberal arts, so you should be expecting — and eager — to play the intellectual field. Explore. Learn broadly. Use your first two years to see which areas of study excite you and draw on your strengths so that you can choose a major wisely.

The *Undergraduate Bulletin* is an essential document that describes the academic policies that bind both students and the University, including your core academic requirements. You can find the *Undergraduate Bulletin* at bulletin.wfu.edu. It is a document that you will need to read carefully and refer to throughout your time at Wake Forest.

Bookmark the section titled “Requirements for Degrees.” These requirements are also summarized over the next few pages.

CORE REQUIREMENTS

Basic requirements

First Year Seminar (FYS 100, 3 hours):

Required for all students. This class is to be taken during the first year.

Writing Seminar (WRI 111, 4 hours):

Required unless you are exempted by an AP Language & Composition score of 4 or 5 or AP Literature & Composition score of 5 only, or IB higher-level English Language score of 6 or 7. This class is to be taken during the first year.

A 200-level foreign language course (3 hours), which might require

prerequisites: Placement is determined by the Foreign Language Placement Test. See the Foreign Language Placement section for more info (p. 102). You might be exempt based on Advanced Placement or International Baccalaureate score. Students whose primary language (the language of instruction in the student's prior schooling) is other than English are exempt from the basic requirement in foreign language. Please contact Dr. Tom Phillips (phillito@wfu.edu) for more information.

Health and Exercise Science (HES 100 and 101, 1 hour each):

Required for all students.

Divisional Requirements

You must complete courses in each of the five divisions of the undergraduate curriculum while enrolled at Wake Forest. Advanced Placement (AP) or International Baccalaureate (IB) credit for these courses can be used for elective credit but cannot be used to satisfy divisional requirements. Courses satisfying a divisional requirement are designated (D) after their descriptions in the *Undergraduate Bulletin* and under course attributes on WIN. The Course Completion Checklist (go.wfu.edu/f101coursechecklist) also lists current courses that meet divisional requirements.

Cultural Diversity and Quantitative Reasoning Requirements

One Cultural Diversity (CD) and one Quantitative Reasoning (QR) course are required. These can be taken at the basic, divisional or major/minor level or as electives. CD and QR designations are found after course descriptions in the *Undergraduate Bulletin* and under course attributes on WIN.

CHOOSE YOUR OWN ADVENTURE

Choosing a major is a big decision, and it is one you don't need to make right away. Our core requirements are designed to provide you with the appropriate time to expand your perspective and either confirm your instincts or turn you in an entirely new academic direction.

In your first year, we encourage you to test the waters for the majors and potential careers that interest you most. Take advantage of the opportunity to discuss majors and minors you are considering with your academic advisers, the Office of Academic Advising (OAA), the Office of Personal and Career Development (OPCD), department representatives at the Major/Minor Fair and adults who have made a career of the majors you are considering.

And don't forget to enjoy the journey.

PLANNING FOR REGISTRATION

IT'S ALL ABOUT CLASS

You will register for your fall classes online in July. Although your personal lower-division adviser will not be assigned to you yet, there are many resources available to help you plan, including academic counselors in the Office of Academic Advising. You will register for your spring semester courses in November.

Your registration can be accomplished using any device with internet access. Your access to registration begins at the assigned time on July 15 and ends July 19 at 11:59 p.m. Eastern Daylight Time (EDT), so you can register for classes at any time that is most convenient for you once your registration time opens. If you will be unavailable the entire week of registration, please contact the Office of Academic Advising prior to July 12.

- Timely email messages will arrive regularly from the Office of Academic Advising and the Office of the University Registrar with information about choosing courses and registration.
- The *Undergraduate Bulletin* can be found at bulletin.wfu.edu.

STEPS TO COMPLETE

1. Complete the Directed Self-Placement (DSP). Available May 27, due June 3

The DSP helps you make an informed decision about which writing-intensive course (WRI 105, WRI 111, WRI 210, WRI 212 or FYS 100) to take first. To complete the DSP, you will answer questions that help you to reflect on this writing experience and your past experiences as a reader and writer. Use the instructions provided to help guide your choice of a writing-intensive course based on your answers to the reflective questions. The DSP coordinator will email you feedback about your recommendation prior to registration. For instructions, more information and course descriptions for all writing-intensive course options, see go.wfu.edu/f101dsp.

2. Report incoming Advanced Placement or International Baccalaureate scores.

If you think your academic past can be part of your Wake Forest future, we want to hear all about it.

AP/IB credit is reviewed and awarded by the Office of the University Registrar. Some of these credits will serve as a prerequisite for higher-level courses. AP/IB credit cannot be used to satisfy divisional requirements. However, credits earned through AP/IB will count toward the 120 hours necessary to graduate. Instructions for submitting scores are below.

Students often forget to send scores from previous years; log in to your College Board

profile to make sure all your scores are sent to WFU. For tests taken in 2019: If you indicated that WFU should receive your scores when you took the test(s), no action is needed. If you did not indicate WFU as a college to receive your scores when you took the 2019 test(s), you will need to log in to your College Board profile when you receive an email (in early July) with your 2019 test scores.

3. Complete Foreign Language Placement (FLP) Test. Available online May 13, due July 13, prior to registration

You must complete the FLP test if you have studied any of the following languages: Arabic, Chinese, French, German, Hebrew, Italian, Japanese, Latin, Russian or Spanish. The tests can be found on the Office of Academic Advising (OAA) website at go.wfu.edu/flpt. Each test will take between 1 and 1.5 hours to complete. You should take the FLP test for any language(s) studied in high school, even if you intend to start the study of a new language (in case you change your mind in the future).

If you know you scored 3 or higher on an AP language exam or 6 or higher on an IB foreign language higher-level test, you do not need to take the FLP test because your foreign language placement will be based on your AP/IB score. (See Step 2 for instructions on how to report your official AP/IB scores.)

PRIOR TO REGISTRATION

If it is after July 11 and your AP/IB scores have not been applied to your academic record or you do not know the results of your AP/IB scores, complete the FLP test. Your placement will be adjusted if a late-arriving AP/IB score indicates a different placement.

If English is your second language, do not take the FLP test in your native language. You might be exempt from the foreign language requirement. Contact Dr. Tom Phillips at phillito@wfu.edu about processing a foreign language requirement exemption.

For further instructions, information on exemptions and other frequently asked questions, please see go.wfu.edu/flpt.

When registering for your foreign language:

If starting a new language, start at the level 101 or 111.

If continuing with a language you previously studied, enroll in the class in which you are placed through the FLP test or AP/IB score. If you believe your placement score is inaccurate, register as directed by your score, but discuss your concerns with your foreign language professor once you arrive on campus. Students will not receive credit for a class at a lower level than the level of their placement without following the procedure outlined in the *Undergraduate Bulletin* under "Foreign Language Placements."

4. Complete Writing Course Survey. Available June 21, due July 5

This brief survey will help us determine which first-year writing course is the best fit for you. The staff of the Office of Academic Advising will use this information to register you for your first-year writing course. It is possible that if you bring in AP credit for WRI 111, you might not be registered for a first-year writing course, but rather be advised to take your FYS 100 course during the Spring 2020 semester.

5. Complete Course Preference Survey (CPS). Sent to WFU email July 12, due July 19

You should begin the CPS before you register. It will help you start thinking about course selection for the fall semester as well as more broadly about your academic plans and goals.

Once you have finalized your fall registration, put the final touches on your CPS considering the classes you selected. Review your answers carefully since you will not be able to make changes to the CPS once submitted. The CPS helps academic counselors in the OAA take your interests, concerns and academic plans into consideration when reviewing your course schedule. In addition, the CPS will help your lower-division adviser get to know you and advise you more effectively.

Advising for Pre-Professional Interests

Interested in a career in health?

Careers in the health professions (e.g., medicine, dentistry, veterinary, physician's assistant, physical therapy, nursing) do not require a particular major, but they do require planning in order to complete requirements and take advantage of additional learning opportunities such as study abroad. Most pre-health students will take one or two science classes in the first semester. For important information about course recommendations based on your AP/IB experience and projected major, see college.wfu.edu/prehealth.

Interested in law school?

There are no specific requirements for students interested in attending law school. You are encouraged to take courses that develop your skills and interests, challenge you to think critically and creatively, and prepare you to read, write and communicate well. For more information, see college.wfu.edu/prelaw.

Interested in the School of Business?

Admission to the School of Business undergraduate program is by formal application in January of the sophomore year, and applicants are screened by the School's Committee on Admissions, Continuation and Scholarships. The number of students that can be accommodated is limited, and meeting the minimum requirements is not a guarantee of admission. The School of Business, therefore, reserves the right to grant or deny admission or readmission to any student even though he or she meets the minimum requirements. For more details about admission requirements, see the *2019–2020 Undergraduate Bulletin*: bulletin.wfu.edu.

Interested in investment banking?

First-year students who are interested in investment banking might be eligible to take courses relevant to this pre-professional interest in their first and second years. For more information, contact Betsy Hoppe (hoppe@wfu.edu).

Advanced Placement Scores

Wake Forest needs to receive your AP scores directly from the College Board. Log in to your College Board profile no later than June 15 to request that your scores be sent to the Office of the University Registrar (college code 5885). If you request your scores by this date, they should be received at Wake Forest University in time for registration in July. You must complete this process to ensure that the University Registrar receives your official scores, even if you submitted AP scores with your admissions application or prior to your enrollment. Please note that score processing may take up to two weeks once Wake Forest receives the scores from the College Board. Scores of 4 or 5 will generally result in students' being granted AP credit, but there are exceptions. For information on credit awarded, course equivalency and exemptions for specific tests and scores, see registrar.wfu.edu/ap-ib.

International Baccalaureate Scores

Official IB transcripts must be submitted to the Office of the University Registrar. Contact your IB program coordinator or submit a request through the IB website as soon as possible. For more information regarding transcript submission, credit awarded, course equivalency and exemptions, please refer to registrar.wfu.edu/ap-ib.

Checking Credits Awarded

To determine if your AP/IB credits have been applied to your academic record, go to WIN > Virtual Campus > Academic Transcript after July 11.

If you believe you will have AP/IB credit for a course but it is not recorded on your transcript by the time of registration, do not register for the course in question. Most students do not want to take a class at Wake Forest for which they will obtain AP/IB credit. Qualifying scores received later will still gain you course credit.

WAKE DOWNTOWN

TRADITION INNOVATION

If you crave a complete change of scenery from the Quad's Georgian architecture, grab your scientific calculator and safety goggles and hop on a shuttle bound for Wake Downtown. Located in Wake Forest Innovation Quarter in the heart of Winston-Salem, Wake Downtown is where tradition meets innovation as engineering, the sciences, the arts and the humanities cross paths inside high-tech labs and classrooms.

Students enrolled in the engineering and biomedical sciences programs at Wake Downtown are immersed in an active, roll-up-your-sleeves learning environment. Experiential learning normally reserved for graduate-level study is the cornerstone of these undergraduate opportunities.

Wake Downtown's innovative, interdisciplinary space also houses

courses in the arts and humanities alongside our new anchor programs in engineering, biochemistry and molecular biology, and medicinal chemistry and drug discovery.

To provide our Wake Downtown students with every advantage, we set up shop right next to the Wake Forest School of Medicine facilities — not only to give our undergraduates proximity to those labs and research spaces, but also to increase collaboration with the School of Medicine faculty.

Classes aren't the only thing happening downtown. There is life outside the lab, and we've made having fun very convenient. When your brain reaches capacity, we suggest you fill up your senses at an art gallery, outdoor concert or unique downtown eatery.

B.S. in Engineering

This bachelor of science program is innovative and hands-on, just like a good engineer. It offers a comprehensive and fully immersed technical education with a firm academic grounding in the liberal arts. With Wake Forest's unsurpassed student-faculty engagement and real-world learning opportunities, the curriculum extends beyond that of a typical undergraduate engineering program.

B.S. in Biochemistry and Molecular Biology

Learn what makes life possible with this interdisciplinary degree offering from the departments of chemistry and biology. Understanding growth, development, reproduction and genetics begins with the study of life at the molecular and cellular levels. With a highly engaged, hands-on approach to learning, faculty and students use analytical and quantitative methods in

the chemical and physical sciences to learn practical skills for addressing today's complex biological, biochemical and biomedical challenges. Students partner with faculty mentors for at least two semesters and/or summers of research, culminating in a senior research project.

Concentration in Medicinal Chemistry and Drug Discovery

Discovery is for people who love a challenge as much as they love learning. Leveraging the strength of the chemistry department's research program, Wake Forest now offers a concentration in medicinal chemistry and drug discovery, providing a new avenue to earning an American Chemical Society certified B.S. degree. With the goal of identifying new therapeutic agents, faculty engage students in an in-depth study of the connections between chemical structure and biological function. This concentration is ideal for students interested in health-related fields, biomedical sciences and pharmacology.

LET'S GO AHEAD AND MAKE THIS OFFICIAL

Registration for fall classes will take place over the summer. In early June, the Office of the University Registrar will notify you via your WFU Google Mail where to check WIN to find your assigned registration days and times. This section will introduce you to the process of registration.

AUGUST 25

Drop/add begins

Registration will occur over the week of July 15-19 in two rounds. At your designated registration time on July 15, you will be permitted to log into WIN and access registration. You will be allowed to register for up to 10 hours. Please note that this 10-hour limit will include the writing course assigned to your schedule. This initial round will remain accessible until 11:59 p.m. EDT on July 16. On July 17, at your designated time, registration will reopen for you to complete the remainder of your fall schedule, up to a max of 17 hours. This final round will remain open until 11:59 p.m. EDT on July 19. This process of registration occurring in two rounds will be similar to how registration will occur in future semesters.

You will receive a Course Preference Survey on July 12 that will help you organize your thoughts regarding choices of courses for which you hope to register. Once you complete your registration, you must submit the survey to help us learn more about your academic plans. This survey is due July 19.

The following pages will walk you through the basic process of registering for classes in WIN. See go.wfu.edu/f101registrationguide for more details.

1 ACCESS WAKE INFORMATION NETWORK (WIN)

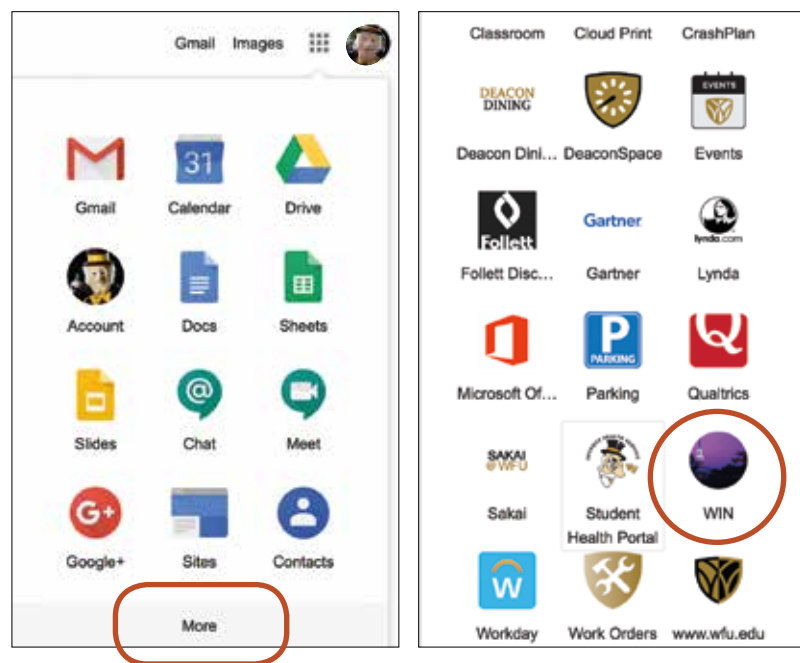

Let's start by logging into your Wake Forest Gmail account.

A FIND YOUR GOOGLE APPS MENU

Google Apps houses many helpful apps, including WIN.

B LOCATE THE WIN APP

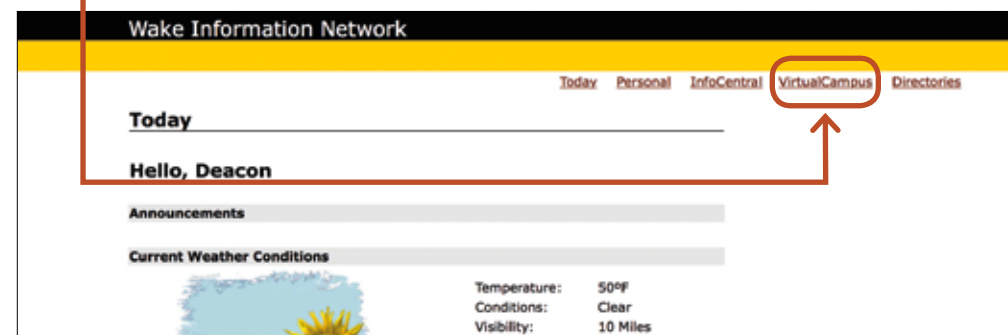

You may have to click "more" and scroll to find the WIN app.

2 ACCESS THE REGISTRATION SYSTEM

Select "check your holds & registration status" to determine the start date and time of your Round I registration.

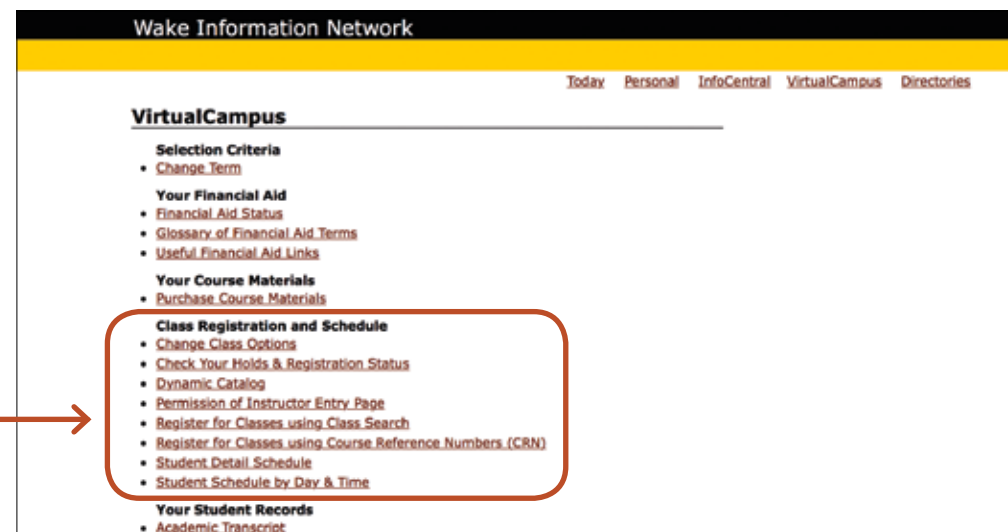

A ACCESS VIRTUALCAMPUS

Once you are logged into WIN, you can access VirtualCampus by using the link located in the top-right corner of your WIN home screen.

B LOCATE "CLASS REGISTRATION AND SCHEDULE"

In VirtualCampus, you will find a section titled "Class Registration and Schedule."

3

SEARCH FOR YOUR CLASSES

You can register beginning at your assigned time, and you will be permitted to make changes until the end of self-registration — July 19 at 11:59 p.m. EDT.

A FIND A CLASS

Under “Class Registration and Schedule,” **select the link “Register for Classes Using Class Search.”**

Please select the appropriate term (Fall 2019) to search for classes offered by using the drop-down menu under **“Search by Term.”**

Select Term or Date Range

Search by Term:
Fall 2019

Submit Reset

B THERE ARE TWO WAYS TO SEARCH FOR CLASSES. USING ADVANCED SEARCH IS RECOMMENDED.

1 Course search

Selecting a department and clicking Course Search will produce a list of all courses offered in that department. Select the specific course to see all of the sections offered.

Under **Advanced Search**, you will be able to select department, course number (if you know which specific course you are looking for), term, instructor, etc.

For example, selecting the department under **Subject**, “Undergraduate” under **Course Level**, “Full Term” under **Part of Term** and clicking **Section Search** at the bottom of the page will produce a full listing of **full-semester courses** offered by that academic department.

You can also search for half-semester courses under **Advanced Search** by selecting either “First Part of Term” or “Second Part of Term.” Common examples of half-semester courses include HES 100, HES 101 and LIB 100.

HERE ARE SOME COMMON REGISTRATION ADD ERRORS

	Definition	What Do I Do?
Class Restriction	Course or section is restricted to students in a particular classification (e.g., first-year, sophomore, junior).	Your classification level must be the same as the course at the time you take it. Restrictions are listed following the course description in the <i>Undergraduate Bulletin</i> .
Corequisite	Course has corequisite; you must be registered for both courses simultaneously.	Corequisites are listed in the course description in the <i>Undergraduate Bulletin</i> (as indicated with a "C"). Select both corequisites simultaneously and register for them at the same time.
Missing Prerequisite and/or Test Score	Prerequisite or placement test score is missing or insufficient to register for the course.	Prerequisites are listed in the course description in the <i>Undergraduate Bulletin</i> (as indicated with a "P"). Make sure all AP/IB and prior college credits have been received by WFU and are visible on your academic transcript.
Time Conflict	Course conflicts with another registered class.	Find another class that meets at a different time.
Duplicate Course	Course is the same as another registered course.	Register for a different course.
Maximum Hours Exceeded	Maximum hours for that registration round will be exceeded with addition of the class.	Make adjustments to schedule. Cannot exceed the limit established for the registration round.
Instructor Signature (POI)	Permission of instructor (POI) is required to register for class.	Seek permission of instructor. Contact department for more information.
Closed Section	Section is at maximum capacity.	Register for another course.
Reserved Closed	Reserved seating for entry term is at maximum capacity.	Register for another course.

CONFIRM REGISTRATION

Finally, confirm that you are registered for the classes that you intended. Check the list of your registered classes.

Campus: Reynolda Campus (UG)

How are my registration dates and times determined?

The assignment of registration time is randomized across your class.

What do I do if I am traveling or have a conflict when my registration period starts?

Your registration can be accomplished using any device with internet access. Your access to registration begins at the assigned time and ends July 19 at 11:59 p.m. EDT, so you can register for classes at any time that is most convenient for you once your registration time opens. If you will be unavailable the entire week of registration, please contact the Office of Academic Advising prior to July 12.

How do I begin to decide what courses to register for during my registration week?

There are many resources available to help you think about course selection (see p. 101). What you decide to prioritize for registration will depend largely on your academic interests. The Course Preference Survey will help you reflect upon those interests and will also guide you through making decisions about courses to fulfill basic, divisional or pre-professional requirements.

A typical first-semester schedule should include a writing-intensive course, as guided by your DSP (unless you received AP/IB credit for WRI 111, in which case you may wait to take an FYS in the spring). Remember, you will be registered for this class before you complete self-registration.

Many students choose to begin working on their foreign language requirement along with other divisional requirements, while others choose to delve right into areas of academic interest or electives.

How many credit hours should I have each semester?

Your credit hours each semester will be somewhere between 12 and 17 hours; 12 hours is the minimum required to be considered a full-time student. Exceeding 17 hours requires special permission; 15 hours is the average course load per semester to graduate in four years.

We typically recommend having 12 to 15 hours for your first semester at Wake Forest. A strong first semester is always better than an overly ambitious plan.

What should I register for if I am interested in medicine, dentistry, veterinary medicine or an allied health field, such as physician's assistant, nursing, pharmacy, etc.?

Consult the pre-health professions website: college.wfu.edu/prehealth.

What should I register for if I am interested in pre-business?

If there is availability, you may register for ECN 150 or MST 111 (MST112 for Mathematical Business), but these do not need to be completed until the fall of your sophomore year.

What should I register for if I am interested in law school?

There are no specific requirements. You are encouraged to take courses that challenge you to think critically and creatively, and prepare you to read, write and communicate well. For more information, see college.wfu.edu/prelaw.

Can I wait-list a class?

No, not for your first fall semester. It is important that you are registered in classes instead of being wait-listed for classes where seats may never become available. In future registration periods, wait-listing will be available to you.

What is the relevance of the Directed Self-Placement for my first writing course?

The Directed Self-Placement helps you to be better informed when making decisions about the writing course in which you should enroll first. Visit go.wfu.edu/f101dsp.

Why am I getting a prerequisite error when I try to register for a foreign language course?

The results of your Foreign Language Placement test will determine your placement for your first foreign language course. You must register for the course level indicated on your placement test or determined by your AP/IB score. If you are receiving AP/IB credit for a foreign language and still see this error, the Office of the University Registrar has not received your official AP/IB score. Please see p. 105 for more information on AP/IB score submission.

I know I will be receiving AP/IB or prior college credit, but this credit is not yet in the WFU system. Therefore, I am having difficulty registering for a higher-level class. What should I do?

Please contact the Office of the University Registrar at registrar@wfu.edu or 336.758.5207.

What should I register for if I am interested in engineering?

Consult the engineering department website: college.wfu.edu/engineering/undergraduate/current-students.

What do I do if classes that I need or want are closed?

We understand that it can be frustrating not to get your first-choice classes, but please do not get discouraged. It is not uncommon for first-year students to find that some classes are already full. Some closed classes might open up during the add/drop period, and if not, most classes will be offered again in the future. You have many classes to take, and thus many options, as a new student!

Will changes be made to my schedule?

It is possible that some small changes may be made to the class schedule you made for yourself. Our advisers work hard to make sure that you have a balanced schedule that fits your needs. If we find that you have made an ill-advised choice in your schedule, we will usually call you to discuss the change we recommend. An example of this may be that you have indicated an interest in the pre-health track, but that you did not register for CHM 111 and CHM 111L. It is important that you begin chemistry during your first semester to stay on track with the pre-health curriculum.

Similarly, there are requirements for the pre-business and pre-engineering programs that require that you begin with certain courses.

You may also find that you have been registered for an additional class if you registered yourself for MST 111. MST 105L is a 1-hour pass/fail class that focuses on reviewing 220 topics from algebra and trigonometry that are essential to student success in calculus. This course is offered to all students enrolled in MST 111 during the first half of the semester. MST 105L has both an attendance requirement and a proficiency requirement. Students are required to attend two hours of class each week and work on their algebra/trig review in the ALEKS program. Most students who have registered for MST 111 will be registered for MST 105L.

ACCESSIBILITY FOR ALL DEACS

Wake Forest is an equal access institution that admits qualified applicants without regard to disability. When a student with a disability is admitted, the University seeks to accommodate those needs that are determined to be reasonable and that do not compromise the integrity of the curriculum.

ACADEMIC RESOURCES

YOUR COMPLETELY FAIR ADVANTAGE

Whether you're looking for a little help with your fundamentals, trying to secure the right tools for success or even hoping to fine-tune the areas in which you already excel, this Forest is overflowing with ways to supplement your classwork and hone your academic skills.

These resources exist to encourage you, challenge you and support you along the path that leads to the realization of your full potential. Seek them out early and often, as they can ensure your success in the classroom and enhance your intellectual growth across your entire Wake Forest journey — and beyond.

Office of Academic Advising

The Office of Academic Advising (OAA) strives to help students achieve their potential as whole persons. Toward this end, academic counselors provide caring and timely individual guidance, connect students with resources, help students form relationships within the Wake Forest community, promote personal responsibility and encourage an intentional personal journey. OAA assists students in choosing courses and making decisions, both inside and outside of the classroom, that reflect thoughtfulness, exploration, open-mindedness, creativity, appropriate risk-taking and willingness to learn from challenges. OAA also monitors student academic progress, aiming to intervene as early and proactively as possible when problems arise.

OAA offers students the opportunity to meet with an academic counselor one-on-one while respecting privacy and confidentiality. Students are welcome to stop by Reynolda Hall 125 — **Monday through Friday between 8:30 a.m. and 5 p.m.** — to see a counselor, or make an appointment in advance by calling 336.758.3320. Walk-in hours are 10 a.m.–4 p.m. daily for brief requests or concerns. Visit advising.wfu.edu.

Math & Stats Center

It is an exciting summer for the Math & Stats Center! We will be changing our name, updating our website and relocating the center during the summer of 2019. One thing won't change; we will continue to provide quality academic support for all students enrolled in Department of Mathematics and Statistics classes. Please stop by our new location in the Calloway Center to see how we can help. mathandstatscenter.wfu.edu

Writing Center

The Writing Center offers students a relaxed and welcoming place to discuss writing and the writing process with trained peer tutors. The Writing Center is staffed by undergraduate and graduate students; these tutors ask questions to help students discover what they want to say — effectively. Because everyone writes differently, tutors tailor their assistance to meet each student's needs. Students may make appointments online, by phone or by visiting the Writing Center in Z. Smith Reynolds Library 426. The center is open **Monday through Friday, 10 a.m. to 5 p.m., and Sunday through Thursday, 7 to 10 p.m.** writingcenter.wfu.edu

Office of the University Registrar

The Office of the University Registrar functions as an academic service office to the Wake Forest community, managing registration for classes, keeping the academic records for the University and overseeing the security and privacy of these records. The University Registrar will announce important academic dates and the details of academic procedures throughout the year. The office is located in Reynolda Hall 110.

For other academic services provided, visit registrar.wfu.edu.

The Learning Assistance Center and Disability Services (LAC-DS)

The LAC-DS provides academic counseling and peer tutoring. Academic counseling focuses on familiarizing the student with study, time management and organizational strategies that enable successful learning at the college level. A peer tutoring program offers students individual or group tutoring in many courses including foreign languages. Peer tutors are available primarily for divisional classes. The LAC-DS also coordinates accommodations for students with disabilities. Find us in Reynolda Hall 118. The center is open **Monday through Friday, 8:30 a.m. to 5 p.m.** lac.wfu.edu

Chemistry Center

Located in Winston 38. Visit chemistry.wfu.edu/chemistrycenter.

Computer Science Center

Located in Manchester Hall 229, the center is open **Monday through Thursday, 6 to 8 p.m.** Visit college.wfu.edu/cs/cs-center.

Biology Center

Located in Winston Hall, the center is open **Sunday through Wednesday, 6 to 9 p.m.** Contact the biology department for more details.

Z. SMITH REYNOLDS LIBRARY

YOUR PORTAL TO INFINITE KNOWLEDGE

Z. Smith Reynolds Library, fondly referred to as ZSR, is the main library on campus and provides a host of services to help you succeed.

Resources

- Access online and in-person: books, journals, DVDs, music, databases and equipment
- Research and project assistance: schedule a personal research session with a subject specialist — make the request in person at the reference desk, via the Ask ZSR form online, or by email (askzsr@wfu.edu)
- Study space: 10 study rooms and accessible space with a variety of resources throughout the library
- Classes and workshops: topics include citations and information literacy
- Course reserves: access class readings electronically
- Writing Center and Information Systems: both are housed inside ZSR

 WAKE FOREST UNIVERSITY STUDENT
FINANCIAL SERVICES

 @WFUSTUFINSRVCS

Student Financial Services manages all Wake Forest student accounts, including tuition, housing and other University-related fees. We're here to help you in any way we can, and we welcome all questions you may have.

Please visit our website for more information on tuition and fees, billing, DEAC, Deacon OneCard, student account refunds, Dewar Tuition Insurance and other student financial information.

Tuition Insurance Program

An unexpected withdrawal due to sickness or injury can mean significant financial consequences for families. Wake Forest offers an elective tuition insurance program through A.W.G. Dewar, Inc., that will help minimize financial loss if a student suffers a serious illness or accident and must withdraw before the end of a semester. This plan extends and enhances the University's published refund policy. The last day to purchase this plan is the day before the first day of classes. Please see our website for further details.

Student Account Refunds

Adjustments to charges, prepayments, financial aid disbursements and overpayments often result in credit balances on student accounts. A credit balance is indicated on the student account statement by parentheses around the balance. Example (\$100). Students may sign up for direct deposit for quicker refund processing. Please visit our website for further information regarding sign-up and the refund process.

Tax Form 1098-T

A 1098-T will be issued for all students who made payments for qualified tuition and fees during the tax year. Students are encouraged to sign up for online access by completing an authorization via WIN> Personal>1098-T Electronic Consent. Otherwise, a paper copy will be mailed to the primary home address by January 31 each year.

The Deacon Electronic Account Center (DEAC)

This electronic billing system allows students and authorized payers to view student account activity in real time, 24/7. Payments are made via e-check through an automated clearinghouse. DEAC accounts are automatically set up for all incoming students but are not automatically set up for parents or other third parties due to the Family Educational Rights and Privacy Act (FERPA). Students must authorize parents and others to have access to their accounts. If a student does not set up their parents or others as authorized payers, only the student will receive the billing notifications as all bills are viewable online only via the DEAC system. If a student chooses not to have any authorized payers, he/she will need to be sure to check WFU email for billing notifications. Failure to meet a payment deadline could result in a financial hold, which will prevent the student from registering for classes. Being an authorized payer within DEAC also gives SFS employees permission to speak with that individual regarding the student account.

Students access their DEAC accounts by logging into WIN>Personal>DEAC. DEAC has mobile and text message capabilities, making it easier and more convenient to view accounts via mobile devices and receive billing notifications via text message. Please visit finance.wfu.edu/sfs/deac for helpful information regarding DEAC, including setting up authorized payers, authorizing text messages and making online payments.

financial aid record with **WIN Proxy Access**. We check your authorization and authenticate the identity of any person requesting your financial aid information.

Are You There? Hello? — Check your WFU email account regularly. You won't receive any spam from financial-aid@wfu.edu, only important information to ensure maximum aid eligibility and timely receipt of funds. Please help us to help you by responding without delay.

Federal Work-Study — It's not like other aid programs. It's a real paycheck to help with daily expenses during the year. It's not available to pay upfront charges like tuition, housing and meal plans. So, your student account (DEAC) statement will not include estimated Federal Work-Study earnings.

Spend Wisely — Aid eligibility is based on "modest but adequate" standard estimates of expenses. Don't overspend on a meal plan that you might not fully need. Consider used or rental textbooks. Access free entertainment. Use free or low-cost transportation. Get local discounts. Find other tips.

One, Two, Three, Four — Tip: Create a calendar reminder now for the next three years. Aid eligibility is an annual process. Returning students must reapply for need-based aid each year by February 1. If a family's financial circumstances change (such as having fewer family members enrolled as undergraduate students in future years), then aid eligibility will likely be reduced. Use the **Net Price Calculator** to project your likely future aid eligibility if you anticipate such changes.

Report Your Outside Scholarships — Notify us now if you have received (or expect to receive) a scholarship from any source that is not already included in your current financial aid award record at Wake Forest.

Current merit scholarship recipients with any questions should visit the **Wake Forest Scholars** webpage.

Athletic scholarship recipients should contact **Athletics Compliance** at 336.758.3992 with any questions.

Information for Aid Recipients — Do you recall a reference to this in your aid notification letter? Refresh your memory about your responsibilities as an aid recipient and other important information.

Withdrawal and Aid Reduction — If you get sick and must leave Wake Forest during a semester, aid amounts may be reduced. Consider purchasing Tuition Insurance.

And Bonus Good Stuff, for All Students

Student Employment — Read about when and where to look for local jobs.

Internships — Let the OPCD help you explore the possibilities.

Outside Scholarship Announcements and Private Scholarship Searches — Don't fall for scholarship scams.

WakeWare — Wake Forest's academic technology program provides the opportunity to purchase a laptop computer. Students receiving a Wake Forest need- or merit-based aid or an athletic grant are eligible for a WFU Technology Grant to purchase the current standard model.

YOU'RE AMONG FRIENDS

The Forest is intentionally small so that the individuals who are drawn here will never be lost in a crowd or see themselves as anything less than a vital part of a true community. Wake Forest takes education personally. That means providing all possible means of supporting students in what can be an exhilarating yet stressful time in a young person's life.

We are committed to providing a vast network of support services and centers designed both to guide our students throughout their time at Wake Forest and provide outlets of individuality and commonality within a diverse environment rich in perspective, inclusion and open dialogue.

Center for Global Programs and Studies (GPS)

At Wake Forest University, global learning experiences are an integral part of your education. Wake Forest has made global study and cross-cultural understanding a priority. The Center for Global Programs and Studies is your on-campus resource to assist with incorporating global learning opportunities into your academic experience. We offer more than 30 Wake Forest-administered study abroad/away programs and can provide information on our many affiliate program offerings. The International Student and Scholar Services (ISSS) division of GPS supports all international students, faculty and staff participating in programs at Wake Forest University. We strive to leverage our abroad, campus and outreach efforts to enhance the global campus community. Our goal is to provide the resources and support for all WFU students, staff and faculty to develop as global citizens and create a global campus community. Visit us in Reynolda Hall 116. global.wfu.edu.

The University Counseling Center (UCC)

The University Counseling Center provides confidential individual and group-based counseling and psychotherapy for a broad range of personal and interpersonal issues. Individual assessment and counseling for concerns related to alcohol and other drug use are also available. The Counseling Center offers outreach programs and consultation to students, faculty and staff as well as referrals for off-campus mental health providers. For mental health emergencies outside business hours, the counselor on call can be reached 24/7/365 by calling the University Counseling Center at 336.758.5273.

All services are free to full-time Reynolda Campus undergraduate and graduate students. Contact with the UCC is confidential to the fullest extent provided by law. Appointments may be scheduled by telephone at 336.758.5273 or in person at Reynolda Hall 117. counselingcenter.wfu.edu

The Safe Office

The Safe Office provides confidential crisis response, ongoing support and prevention services to Reynolda Campus students for concerns related to interpersonal violence, including sexual misconduct, relationship violence and stalking. For urgent matters, the helpline can be reached 24/7 during the academic year at 336.758.5285. For non-urgent appointments, email safe@wfu.edu or visit safeoffice.wfu.edu for more information.

THERE ARE HUNDREDS of substantive campus employment opportunities that provide students transferable life skills and career development as well as income. Once you have your WFU email set up, check out the wide variety of jobs and internships available to students through the Office of Personal and Career Development. THIS WON'T HURT A BIT

Student Health Service (SHS) is here to help keep you as healthy as possible. College is more fun that way. When you're sick, we'll do everything we can to get you back to 100 percent. But more importantly, we provide you with the essential knowledge and skills to form lifelong habits that lead to sustained wellbeing.

Through a variety of services — including a 24-hour nurse available during the academic year — we are committed to promoting and maintaining the health of our students with a comprehensive approach involving health education, health maintenance, acute care, appropriate care of chronic illnesses and referral assistance.

Student Insurance Program

Health insurance coverage is required as a condition of enrollment for all degree-seeking students. Students may waive the coverage if they can demonstrate comparable coverage. Please see the Student Insurance Program website for more details about benefits, policy, enrollment/waiver instructions and eligibility. The deadline to enroll or waive this coverage is **August 1**. All students who do not complete this form will be automatically enrolled. Please visit shi.wfu.edu.

Health Information & Immunization

Wake Forest University, per North Carolina state law, requires documentation of certain immunizations for students attending college. The Health Information and Immunization Form can be found at shs.wfu.edu/forms. Forms must be completed and returned via email to hiif@wfu.edu by **July 1**.

Student Health Fee

Most services at SHS are covered by the Student Health Fee. In addition, there are discounted "fee-for-service" charges for medications, laboratory tests, observation care, procedures and some supplies. Payment can be made by cash, check, credit/debit cards, Student Blue Insurance or charged to the student's account. Each student is given a copy of the medical charges incurred on the date of service, which can be used for insurance filing. Student Health Service neither participates in nor files insurance claims on behalf of patients. Forms can be found at shs.wfu.edu/forms.

OFFICE OF PERSONAL AND CAREER DEVELOPMENT

COLLEGE-TO-CAREER STARTS HERE

The Office of Personal and Career Development (OPCD) is here to help you navigate the college-to-career process and get started on the right track from your first days on campus. Many resources are available, including career coaching, self-assessments, workshops, tools, opportunities to meet and interview with all types of employers and much more.

In conjunction with the department of education, the OPCD offers career courses, for credit, in which you can learn what you need to know about the entire career development process. Numerous programs and resources are also available to help you learn about mentoring, as well as personal, professional and career development.

WHAT DOES IT MEAN TO BE CAREER **AND** LIFE READY?

Our doors are open to ALL students. We're here to help you craft your unique, individual journey so that you feel prepared for whatever adventure awaits when you leave the Forest. Explore the endless possibilities — in majors, grad schools and careers — and take advantage of the resources we offer to help you become **Ready7**.

The seven essential steps of Ready7 bring clarity to the often daunting and unclear path from college to career. Starting with self-awareness and ending with life and leadership skills, Ready7 guides you through achievable actions to get you career and life ready. To get started on this journey and your seven steps, visit opcd.wfu.edu, stop by our office, make an appointment with a career coach or sign up for a college-to-career course.

THE POWER BUTTON TO OUR CAMPUS

From keeping the network safe and secure to providing access to multiple computing resources, the Office of Information Systems is your one stop for all things computing.

As a Wake Forest student, you can access many services, such as WFU Google G Suite for Education, WIN, Sakai, WebEx, Adobe Creative Cloud and Lynda.com, using your DeacNetID (username) and password. These tools will empower you to collaborate across the University and beyond.

JUNE 3

New academic year WakeWare laptops available for purchase online or in the Bookstore

WIN

WIN is the administrative system used by students to register for classes, update contact information and access student accounts. You can access WIN by using your DeacNetID (user name) and password at win.wfu.edu. You can find your Student ID number under Personal>Your Personal Information.

WakeWare

All undergraduate students are required to have a powerful laptop able to handle all academic software. Students have the choice to purchase a laptop through the WakeWare program or bring their own device from home. Students bringing their own laptop should check the minimum configuration requirements posted on the WakeWare website each spring.

The WakeWare program provides all students the opportunity to purchase specially selected Apple and Dell laptops at educational prices with extended insurance and warranties.

All WakeWare laptops are bundled with four years of warranty and accidental damage protection. Our on-campus Information Systems Service Desk is certified to repair all WakeWare laptops and guarantee you have a loaner laptop if ever needed.

Students receiving any institutional aid, including need-based, merit or athletic scholarships, are eligible for a Technology Grant. Technology Grants cover the full cost of the standard WakeWare laptop, including insurance and Winston-Salem tax. Students receiving a Technology Grant will be contacted in late May.

Students may order their laptop year round, online or at the Bookstore. **If having the newest model available or taking advantage of any summer promotions from the vendors is important to you, we recommend waiting to purchase your laptop until late July.**

Additional information about the WakeWare program, including software, minimum configuration requirements and support limitations on non-WakeWare laptops is available online at wakeware.wfu.edu.

Software @ WFU

Software @ WFU offers a variety of academic software available at no cost for all Wake Forest students, faculty and staff, including Microsoft Office, Adobe Creative Cloud and more. Students should visit software.wfu.edu to download all needed academic software before the first day of class.

One Button Studio/WakerSpace

The One Button Studio is an automated video-recording facility with a student focus, located in ZSR Library behind the Service Desk. No need to mess with camera, lighting or audio equipment. Just bring a USB thumb drive and the studio will do the rest.

The Wake Forest makerspace, WakerSpace, is a great addition to the multimodal and digital culture at Wake Forest. The 3,000-square-foot facility serves as a location for faculty to hold classes and for students and staff to experiment with various forms of technology.

Find out more about both at is.wfu.edu/academic-technologies.
