

Final Examination Schedules

Academic Year 2022-2023

Students should not have more than two Final Exams in a 24-hour period. Students with more than two exams in 24 hours should be permitted to reschedule one of the exams. Students must contact their professors for relief by the last day to declare a W. If the faculty members involved cannot come to agreement on scheduling the student's exams, the class with the earliest meeting time has first priority in scheduling their final.
