

**Athletics Committee of the Board of Trustees
Report to the Senate of the April 14, 2016 Meeting**

Submitted by Leah McCoy, Faculty Representative

The meeting was held Thursday, April 14, 2016, at 10:15 a.m. in the Turner Conference Room, Manchester Athletic Center.

Introductions were given by Athletic Director, Ron Wellman.

Assistant Coach Randolph Childress reported on the basketball program. He talked about the schedule, recruiting, and creating the basketball culture at Wake Forest.

Ron Wellman gave an update on construction projects in progress, and the importance of facilities in recruiting. Committee members discussed fundraising for facilities.

Concession options were discussed. Study is still underway to develop a plan for selling alcohol at games. This would be an amenity for fans, and not a significant revenue source. Ron expects to have a proposal for the next Trustees Meeting.

Ron reported on academics. Academic progress rates (APR) are very high for all teams. Competition highlights were also given for spring sports.

The meeting concluded with a tour of Haddock Golf House.
