

Thanksgiving Parking Announcement 2016

- Commuting students that live off-campus and will be traveling for the holiday should leave vehicles parked at their apartment/house.
- Resident upperclassmen that have registered vehicles and are not driving home for the break should leave their vehicles parked in general parking lots.
- Sophomore students can relocate their vehicles to campus after 5:00 p.m. Tuesday, November 22 and park in general parking lots only.
- Freshman students must relocate their vehicles to campus by Tuesday, November 22 at 10:00 p.m. and park in general parking lots only. **Shuttle service will cease operating at that time.**
- If a vehicle needs to be relocated to campus prior to 5:00 p.m. Tuesday, please contact the Parking and Transportation office at 336-758-PARK.

Tips for loading your vehicle to go home:

- To expedite the loading process, packing your personal items prior to moving your vehicle to your Resident Hall to load will save time.
- Using headlights and emergency flashers while parked will indicate your are actively loading your vehicle.
- Special use parking spaces, such as fire lanes, handicapped or reserved spaces should be avoided to ensure they are available for their designated purpose.
- You will be given 30 minutes to load your vehicle. If there is no activity around the vehicle after 30 minutes, the vehicle is subject to being cited.

Students that are going to stay on campus or need to visit campus during the holiday should park in general lots and avoid parking illegally.

All vehicles with off-campus permits must be relocated back to their respective off campus parking lots by **Monday, November 28 at 8:00AM.**
