

Wake Forest Student Body,

As you know we are set to play in the Music City Bowl in Nashville, Tennessee on Friday, December 30th at 5:40pm (CST) at LP Field against the Mississippi State Bulldogs.

Bowl games are special to the Wake Forest program and provide lifetime memories for students, alumni and fans. Selling out our allotment of 10,000 tickets will help the Demon Deacons secure bowl games in the future. This will mark the 4th straight bowl game Wake Forest has sold out our allotment if we are successful. Given our small size it is imperative that Wake Forest have a higher percentage of students and fans travel than larger schools. We need you to make plans and travel to Nashville.

The Athletic Department has received commitments from several key contributors who want to help get as many students to the game as possible. It is with great excitement to offer to Wake Forest students a **complimentary** ticket to the game. We have a special section available on the lower level and hope to see a rabid student body dressed in their black and gold in Nashville making lots of noise the entire game.

“We are excited to learn about this offer for the students” said head coach Jim Grobe, “their passion and energy will give our team a boost when we take the field in Nashville and I look forward to hearing loud Wake Forest students and fans for the entire game.”
