Plan Ahead

You should have plans to meet with your adviser(s) for advising, discuss courses for Fall 2023, and obtain your advising PIN. ***You must meet with your adviser to obtain your registration PIN. Without your PIN, you will be unable to register for Fall 2023 courses.*** The Office of the University Registrar cannot provide you with your PIN and the Office of Academic Advising will not release your PIN without the permission of your adviser.

Use the Plan Ahead tool in the [Registration Portal](#) to craft potential schedules and scenarios with different courses. When your registration time ticket opens, you can load courses directly from your desired plan. More detailed instructions on creating plans can be found [here](#).

Time Tickets

Registration [time tickets](#) will be available March 3 and are based on credit hours earned through the first part-of-term of Spring 2023 (excluding AP/IB/pre-college credit). You may register at, or after, your assigned date(s) and time(s):

You can view your registration time ticket in the [Registration Portal](#) > Prepare for Registration > Select Fall 2023. Check your student status for any holds to ensure they display checkmarks. If you have any holds, make sure to resolve them with the office that placed your hold prior to registration. Please note that your time ticket will display an exclamation mark until it is your time to register.

Office of the University Registrar staff will be available via [Google Chat](#) between 4 pm - 8 pm on Tuesday, March 28 thru Thursday, March 30; and Tuesday, April 4 thru Thursday, April 6. Google Chat is the most efficient way to contact us for assistance during self-service registration.

Overload/Exceed 17 Hours Requests

Beginning April 10, you may seek permission to exceed 17 hours by following the [steps](#) outlined by the Office of Academic Advising.

Waitlists

If a course has closed and a seat is available on the waitlist, you will be able to add yourself to the waitlist (see “[Join a Waitlist](#)”). If a seat in the course becomes available, you will receive a waitlist notification in your WFU email account. Please make sure you are checking your WFU email regularly as you will have *48 hours* from the time of notification to register for the open seat. If you fail to act within the 48-hour window, the available seat will go to the next student on the waitlist.
