# NPHC Intake

- Intake is the process where students who are interested in joining one of our historically African American fraternities and sororities or our multicultural sorority can explore their options.
  - These organizations are open to all
- Intake takes place at various times throughout the year depending on when a chapter is eligible to accept new members.
- 6-8 week process, usually followed by a new member presentation
- During this time aspirants learn organization and chapter history.

# Myth or Fact

- **The office of Fraternity & Sorority Life can force a chapter to extend an invitation (MYTH)**
- **Panhellenic offers a chance for membership outside of formal recruitment (TRUE)**
- **I have to consent to pledging/hazing for membership (MYTH)**
- **I am guaranteed membership if my parents were members (MYTH)**
- **I can join an unrecognized organization (?)**

# Unrecognized Organizations

- Delta Kappa Epsilon (DKE) -also referred to as DEKES and Psi Delta. Delta Kappa Epsilon lost university recognition in October 2018 through at least May 2022. Delta Kappa Epsilon is recognized by the national organization.
- Kappa Sigma- also referred to as Kappa Sig, KSig, Delta Omega, and Siggies. Kappa Sigma lost university recognition in 2013. A re-established chapter is recognized by the national organization, but it does not have university recognition.
- Theta Chi- also referred to as Tachi. Theta Chi lost recognition in June 2023. Theta Chi will be eligible for return for the Fall 2027 semester
