# Types of Study Abroad Programs

## Wake Forest Semester Programs

Courses are taught by Wake Forest faculty and/or local professors

- Vienna, Austria
- Cambridge, England
- London, England
- Santiago, Chile
- Dijon, France
- Venice, Italy
- Barcelona, Spain
- Salamanca, Spain
- Multi-country, South America
- Washington, D.C., United States

## Affiliate Programs

Approved programs offered through third party providers or other universities

### Island Program

Students go abroad and study with students from WFU and other U.S. institutions

### Full Immersion Program

Students are enrolled in a local university where they study and live with students from their host country

### Hybrid Program

Students go abroad and study with students from U.S. institutions and also have the opportunity to take courses at local universities

# WFU Summer & Short Term Programs

## Summer Programs

- Faculty-led & affiliate
- Typically 4-8 weeks
- Internship opportunities
- Scholarships available
- A full list of WFU summer programs will be available at the Study Abroad Fair in September.

## Short-Term Programs

- Embedded study abroad opportunities
- Take a class over Spring semester and go abroad over Spring Break or in May
- Up to two weeks abroad – taught by WFU Faculty
- Locations such as Belize, Greece, Venice, and Scotland

# Affiliate Programs

# Receiving Credit

- All majors and minors are able to go abroad!
- Previously approved course lists available in Workday.
- Students can seek additional course approvals on Affiliate programs.
- WFU programs are great for completing divisionals!
- Speak with your major/minor advisor and Office of Academic Advising about any credit limits you may need to be aware of.

# Financing Your Experience

- On a Wake Forest program, students will be charged for WFU tuition, fees, and housing.
- On Affiliate abroad programs, students will pay Wake Forest tuition, with housing and other fees billed directly to the student by the Affiliate program provider.
- Most merit and need-based funding can be used for approved study abroad programs.
- Additional scholarships are available. Please visit our website for additional information.

# Steps to Studying Abroad

Renew your passport. Must be valid for 6 months after you return.

It's never too early

Go to [www.studyabroad.wfu.edu](http://www.studyabroad.wfu.edu) to browse approved programs.

Set up an appointment with a study abroad advisor and complete an advising form.

At least 1-2 semesters before you plan to go abroad

Apply to 2-3 programs.

# Recap

- Individualized advising to help students find the program that meets their academic and personal goals
- Semester, Summer, and Short-Term study away options
- Most students go abroad sophomore or junior year
- Financial aid transfers to most programs
- Scholarships available
