Program Agreement

In order to complete your application, please sign below to indicate your agreement with the terms of the Explorer program.

- I agree that all the information I have submitted in this application is true and accurate to the best of my knowledge.
- I agree that I have my parent(s) permission to apply to the Wake Forest University Program.
- I agree to abide by the Wake Forest University Honor Code (below) while participating in the Wake Forest University Program.

Wake Forest University is firmly committed to the principles of honor and ethical conduct. The Honor Code embodies a spirit of trust that pervades all aspects of student life. Each student's work should be worthy of trust. A violation of this trust is an offense against the community. Membership in the student body signifies commitment to the Honor Code and the judicial system. It is the responsibility of every student to act honorably in all phases of student life, to understand student rights and responsibilities, and to preserve the integrity of the Honor Code. In specific terms, this means that each student agrees not to deceive any member of the community, not to steal, not to cheat or plagiarize on academic work, and not to engage in any other form of academic misconduct. It means that we can trust each other and that we willingly accept responsibility for our own conduct and activities. It means that we are liberated to pursue our common and individual interests free of the many constraints that become necessary in the absence of honorable conduct and personal integrity.
