----------------------	---

NOTES:

Registration to participate in WISE: Connect 2021 will close on Thursday, February 4 at 11:59 pm. Registration is limited to one workshop per person.

WISE: Connect 2021 is free of charge due to the generosity of workshop facilitators sharing their expertise and no expenses related to physical facilities. Additionally, we are aware that professional development budgets have been greatly reduced or cut for many in higher education around the country and the world. WISE: Connect 2021 will be time of collegial collaboration, conversation, and connection without the obstacle of cost.

Each WISE: Connect 2021 Workshop will be three-and-a-half hours total divided into two 1.75-hour segments, part one on February 10 and part two on February 11. Participants are expected to attend on both Wednesday and Thursday.

If you ultimately are unable to attend the workshop for which you registered, we ask you to cancel your spot so that we may offer it to another colleague. Space is limited.
