GRADUATION EXERCISES
MONDAY, MAY 19, HEARN PLAZA, 9 A.M.

TICKET INFORMATION
There is no charge for Commencement tickets, but tickets are required and must be ordered in advance at commencement.wfu.edu/tickets beginning March 3, 2014. Each graduate is allowed a maximum of 8 tickets. Tickets will not be mailed. Graduate and professional school students will receive ticket and regalia pickup schedules from their respective schools. Undergraduate (BA and BS) ticket pickup is from 9 a.m. until 4 p.m. on Friday, May 16 and Saturday, May 17, at the Bookstore. Students and/or parents need to bring their IDs with them to claim their tickets. Wake Forest students and staff do not need tickets for the ceremony, but must have their Wake Forest IDs with them on Commencement Day.

FAMILY/GUEST INFORMATION
The Commencement ceremony includes remarks from the University President and keynote speaker and the conferring of degrees and honorary degrees. The ceremony lasts no longer than three hours and is held outdoors on Hearn Plaza. Temperatures in May vary widely, so check local weather forecasts.

Please arrive early. Due to security measures, there may be lines to enter Hearn Plaza. Please limit the number of items you bring; all bags are subject to search. Coolers are not allowed; water and other beverages will be available. Chairs on Hearn Plaza are not numbered and guests may seat themselves as they arrive.

The Commencement Breakfast Buffet will be held in the Reynolda Hall Cafeteria from 6:30 to 8:30 a.m. Tickets are $13 per person and must be ordered in advance.

Restrooms will be available in Benson University Center, Reynolda and Wingate Halls, and Efird and Huffman Residence Halls. The Benson Center facilities are wheelchair accessible. Executive bathrooms will be available in the parking lots on either side of Wait Chapel. A first-aid station will be located in Poteat Residence Hall. A map of the Reynolda Campus can be viewed or downloaded at commencement.wfu.edu/parkingmap

During the ceremony, the center aisle and the platform will be closed to all except those in the processional. Please observe the rope barricades.

PHOTOGRAPHY
Professional photographers will photograph each graduate as he or she crosses and exits the stage. Free color proofs and ordering instructions will be sent to the graduate’s permanent e-mail or mailing address. Packages are available through Photo Specialties (info@photospecialties.com or 800.722.7033) beginning at $7.00 for a 5" x 7" photograph. For their own safety and the courtesy of others, guests may not take photographs from the platform. The platform is strictly for graduates and faculty.

The ceremony also will be professionally recorded and the two-disc DVD set ($50) can be ordered online during ticket registration. The use of a handheld personal video camera will be allowed only if it does not obstruct the view of other guests in the audience. Tripods are not permitted.
Parking

On-campus parking will be limited and every vehicle must have a 2014 Commencement parking pass to enter campus on Monday morning. During peak traffic times, vehicles will enter campus in two lanes from University Parkway. University Police will direct guests to available parking. A parking map can be viewed or downloaded at commencement.wfu.edu/parkingmap. Free parking will also be available at BB&T Field and shuttles will run continuously to and from Hearn Plaza beginning at 6 a.m. Although no pass is needed to park at the football field, a WFU ID or Commencement ticket is required to ride the shuttle.

Each graduate will receive two parking passes with his or her ticket order. The pass should be hung from the vehicle’s rearview mirror to serve as a gate pass throughout Commencement Weekend. One parking pass may be exchanged for one Special Needs parking pass (see next section) at ticket pickup.

Special Needs

On Sunday, May 18, reserved parking for guests with disabilities will be available in designated lots on a first-come basis. A Special Needs pass is required.

On Monday, May 19, reserved parking for guests with disabilities is available in designated lots on a first-come basis. Space is limited. Guests should not park in these lots unless the driver or a passenger has a physical disability or extreme difficulty walking. A Special Needs pass is required.

Wheelchair seating will be available on Hearn Plaza. Special Needs seating will be located near the Special Needs shuttle drop-off point at the Hearn Plaza crosswalk in front of Poteat Residence Hall. Due to limited space, each person seated in this area may be accompanied by one guest and should arrive early.

A sign language interpreter will stand on the Zick’s side of the platform.

For Special Needs guests who have difficulty tolerating outdoor conditions, a live feed of the Commencement Ceremony will be available in Pugh Auditorium, located on the second floor of Benson University Center. Commencement Ceremony tickets are required for admission to Pugh. Space is limited.

Rain Plan

If rain is likely, University officials will announce a decision regarding the rain plan by 7 a.m. on Commencement Day via the following:

www.wfu.edu
336.758.5821 (outgoing voicemail message)
local radio (600 AM, 88.5 FM) and television (WXII, Channel 12)

If the rain plan is put into effect, Commencement will begin at 9:30 a.m. in Lawrence Joel Veterans Memorial Coliseum. Shuttles will take families who have parked on campus to and from the Coliseum.

If rain is likely to end in the early morning, Commencement may be delayed until 9:30 or 10 a.m. in order to hold the program on Hearn Plaza.

Commencement is an exciting time in the life of every college and university, and I am eager to celebrate this special weekend with you. I hope that your student’s years at Wake Forest will culminate with a memorable Commencement weekend as family, friends and faculty members share in their considerable academic accomplishments.

In keeping with Wake Forest tradition, many academic departments will host receptions on the Sunday afternoon of Commencement weekend. The faculty is the heart of the University, and I hope you will attend the reception in your son’s or daughter’s major area to meet some of these outstanding teacher-scholars.

Tickets are required for many of the weekend’s events. I encourage you to register and make travel arrangements early. I look forward to celebrating this milestone with you in May.
