*Amounts reported from FY2008 forward reflect endowment net assets as reported in the University's audited financial statements. Previous years (before FY2008) have not been restated and reflect the market value of endowment investments.

*The Financial Accounting Standards Board issued Account Standards Updates (ASU) 2016-14 and 2018-08, both of which relate to Not-for-Profit Entities (Topic 958) in an effort to clarify and improve information and make it more meaningful to users of financial statements. Wake Forest University adopted both of these standards and has applied them retrospectively to all periods presented in our FY2019 financial statements.
