

UNDERGRADUATE ADMISSIONS APPLICATION

2026

WAKE FOREST
UNIVERSITY

Application Information

Application Form

Wake Forest encourages students to apply for admission by either using the Common Application or the Coalition, Powered by SCOIR, Application. If you are unable to submit your application online, the Office of Undergraduate Admissions will accept this completed application in lieu of an online application.

Wake Forest asks that an application fee of \$85 accompany the application. (If this fee presents a challenge to you, you may request a fee waiver later in this application.) If paying by check, make checks payable to Wake Forest University.

You MUST sign the application.

Any materials submitted as part of the admissions application (DVDs, CDs, books, magazines, etc.) become property of the University and will not be returned.

Early Decision Plans

Early Decision plans are for incoming first-year students who have selected Wake Forest as their first-choice school and only active Early Decision application. Early Decision candidates must apply no later than November 15 and are notified on a rolling basis. The Early Decision II deadline is January 1, and candidates are notified by February 15. Both Early Decision plans are binding. If you are accepted under an Early Decision plan, you affirm the following:

- That I must promptly withdraw the applications submitted to other colleges and universities.
- That I may make no additional applications to any other university in any country.
- That I must enroll at the institution to which I applied ED and for the term I applied.
- That I will send an enrollment deposit (or equivalent) to only that institution, as sending multiple deposits (or equivalent) may result in the withdrawal of my admission offers from all institutions.
- That my \$1,500 non-refundable tuition deposit is due within two weeks of admission.

If your enrollment decision will be dependent on need or merit-based financial assistance, we recommend a thorough review of the Wake Forest financial aid website prior to application submission.

Early Action

The Early Action application plan is for students who identify as first-generation college students. For the purposes of this year's Wake Forest University application, a "first-generation college student" means the child of parents who have not graduated from a four-year accredited college or university. Brothers, sisters, or other family members who graduated do not exclude you from participation; neither does a parent currently enrolled. This criteria also applies to international students, and may also include the children of parents who earned a degree in another country,

immigrated to the United States, and are underemployed in the U.S. Whether domestic or international, if the student resides with and receives support from only one parent, the “first generation” classification is based on that parent’s education.

Students applying via Early Action must submit an application no later than November 15. Admissions decisions will be made available to applicants by mid-January. Offers of admission are non-binding, but we expect a decision regarding your enrollment at Wake Forest by May 1. If your Early Action application is deferred, you would then be reconsidered in the Regular Decision application pool.

Secondary School Report

An official transcript of your high school courses and grades must accompany the Secondary School Report. The Secondary School Report must be completed and signed by your school counselor.

Recommendations

School counselors are asked to submit a written evaluation along with the Secondary School Report. Wake Forest also requires an additional Teacher Recommendation Form. This should be completed by a teacher who has been your instructor in an academic subject, preferably from junior or senior year. The writer should send the form directly to the Office of Undergraduate Admissions.

Standardized Tests

Wake Forest values individual and academic achievement, initiative, talent, and character above standardized testing. As such, standardized test scores are not a requirement of our admissions process. If scores are submitted for consideration, they will be treated as supplemental information through the evaluation process.

We welcome self-reported SAT and/or ACT score(s), as well as those for IB exams and AP tests. TOEFL, IELTS, and Duolingo scores can also be self-reported. Applicants may, however, submit official score reports at any point in the admissions process.

After enrollment but prior to matriculation, students are expected to submit their official standardized scores from the appropriate testing center for verification purposes. Providing inaccurate information may necessitate a re-review of your admissions application, and could result in a revocation of an offer of admission.

Interviews

Virtual interviews and video interviews are optional components of the admissions application. More information can be found in your application status portal after application submission.

Notification, Reply and Deposit Dates

Early Decision candidates will be notified on a rolling basis. A nonrefundable \$1,500 tuition deposit is required within 2 weeks of acceptance notification for Early Decision candidates.

Early Action candidates will be notified mid-January. A nonrefundable \$1,500 tuition deposit is required by May 1 for Early Action candidates.

Early Decision II candidates will be notified by February 15. A nonrefundable \$1,500 tuition deposit is required within 2 weeks of acceptance notification for Early Decision II candidates.

Regular Decision candidates are notified no later than April 1. A nonrefundable \$1,500 tuition deposit is required by May 1 for Regular Decision candidates.

Transfers

The number of transfer students admitted each year varies, and is dependent upon the current overall student enrollment at the University. No merit-based scholarships are available for transfer students, but applicants are encouraged to apply for need-based aid. If you are applying to transfer to Wake Forest University, please send the following items:

1. Application and \$85 fee.
2. All official post-secondary transcripts.
3. Transfer college report from each college you have attended (form can be photocopied).
4. Final official high school transcript. **Required upon enrollment.**
5. Submission of standardized test scores is optional.

Transfer to Wake Forest

The application deadline for the fall semester is March 15. The application deadline for the spring semester is November 1. Students are encouraged to submit the application prior to these dates. For more information on whether transfer applications are still being accepted once these dates have passed, please contact the admissions office.

Need, Merit and Talent-Based Aid

The CSS PROFILE and the Free Application for Federal Student Aid (FAFSA) are required of need-based financial aid applicants. The PROFILE and the FAFSA should be filed no later than November 15 for Early Decision applicants and no later than January 1 for Early Decision II and Regular Decision applicants.

Most merit-based scholarships will be awarded based on the admissions application. Students who wish to be considered for merit-based scholarships must submit all required application materials prior to November 15.

International Students

An applicant who is not a United States citizen or permanent resident must apply as an International Applicant.

International Applications complete the same application, but are also required to submit evidence of English language proficiency, and the Confidential Financial Information Form (available in a student's application status portal).

Because International Applicants are not eligible for need-based financial aid, Wake Forest requires documentation that the applicant can meet all the financial expenses of earning a Wake Forest degree. Therefore, International Applicants must submit a completed copy of the Confidential Financial Information Form, which can be accessed online through the applicant's admissions portal. (Please contact the Office of Undergraduate Admissions for additional assistance, if necessary.) This form is required, and the application will not be evaluated until it has been received. Other financial documents, such as bank statements, letters, or affidavits, are welcome but WILL NOT be accepted as substitutes for this form. Though not eligible for need-based financial aid, International Applicants are eligible for most merit-based scholarships.

All International Applicants whose first language is not English are required to submit TOEFL, IELTS or Duolingo scores as part of their application. Scores may be self-reported; however, applicants are expected to submit their official standardized scores from the appropriate testing center for verification purposes after enrollment but prior to matriculation. Providing inaccurate information may necessitate a re-review of your admissions application, and could result in a revocation of an offer of admission.

Since all communication from our office will be by email, please make sure the email address provided in the application is accurate and checked often.
