

Spring 2021 Registration Portal Guide

For Spring 2021, the expanded [Registration Portal](#) class listings show the sections of each course that are available and their modalities, meeting patterns, and location details. With this information, you will be able to register for a section within a course that fits best with your schedule.

WHAT YOU WILL SEE

WHAT COURSE?

This is the **course listing** found in the Academic Bulletin. One course may offer multiple options, or sections.

This example shows BIO 245 is offered for three sections that cover the same material by the same instructor.

WHICH SECTION FITS MY SCHEDULE?

Sections of the same course may meet at different times, days, or have different modalities. For Spring 2021, you will register for a specific section of the course.

The three sections for BIO 245 have different modalities: two are Blended Traditional (B1 and B2) and one is Blended with Online Pathway (B3). They also have different schedules.

WHEN & WHERE DOES MY SECTION MEET?

Each line lists the **days and times each section meets by modality**. For instance, blended classes have the days for in-person meetings listed together on one line and the days for online instruction listed together on another line.

Next, the Portal shows the **location**. The building and room numbers are listed for days that a section meets face to face. For online meetings, the building says **online** and the room is either **SYNchronous** or **ASYNchronous**. Note: If a section has an asynchronous day, you will not have class meetings, but check your syllabus for any work due that day.

This example shows that all three sections for BIO 245 meet together online on Mondays for a synchronous meeting at 11 a.m.

Additionally:

- **Section B1** meets face to face on Wednesdays at 11 a.m. in Salem 109.
- **Section B2** meets face to face on Fridays at 11 a.m. in Salem 109.
- **Section B3** has asynchronous work on Wednesdays and Fridays. This Online Pathway allows remote students to register for BIO 245.
