Love the Lord your God
with all your heart.

Love the Lord your God
with all your soul.

Love the Lord your God
with all your mind.

Love the Lord your God
with all that you are.

What a fellowship, what a joy divine, Leaning on the everlasting arms;
What a blessedness, what a peace is mine, Leaning on the everlasting arms;
O how bright the path grows from day to day, Leaning on the everlasting arms?
I have blessed peace with my Lord so near,

Leaning on the everlasting arms.
Leaning on Jesus,

Leaning, Safe and secure from all alarms;
Leaning, Leaning on Jesus,

Leaning, Leaning on the everlasting arms.
Leaning on Jesus,
Love the Lord your God with all your heart.

Love the Lord your God with all your soul.

Love the Lord your God with all your mind.

Love the Lord your God with all that you are.
Near the Cross

1. Jesus, keep me near the cross—There a precious fountain,
   Free to all, a healing stream, Flows from Calv’ry’s mountain.

2. Near the cross, a trembling soul, Love and mercy found me;
   There the Bright and Morning Star Sheds its beams around me.

3. Near the cross! O Lamb of God, Bring its scenes before me;
   Help me walk from day to day With its shadows o’er me.

4. Near the cross I’ll watch and wait, Hoping, trusting ever,
   Till I reach the golden strand Just beyond the river.

Refrain

In the cross, in the cross Be my glory ever,
Till my raptured soul shall find Rest, beyond the river.

We Will Teach Each Generation

1 We will tell each generation all that you, our God, have done;
you, our God, have done; how you called and

2 Tell the time of our rebellion—how we wandered from your way,
how your law our

3 Tell how once, when spite and terror threatened
to engulf our land, you defended

4 Tell the grace that falls from heaven, angels’ food as faith’s reward;
led your people, chose us out to be your own.

5 We will tell each generation all that you, our God, have done.
tell how sins may be forgiven through the mercy of the Lord.
As a shepherd you have led us;
by your hand still lead your own.
