# Notes for Today's Worship

---

## Worship

Today's worship is a contemplative service that invites participants to journey inward to the presence of God within each of us. Through chants and repetitive songs drawn from different traditions, silence, and walking the labyrinth, all are encouraged to listen for the movement of the Spirit that invites us to "be still and know that I am God." Worship was planned by Chris Copeland, Sally Ann Morris, Sophia Russell, and Michael Hood.

The altar design was created by Sophia Russell (MDiv '18).

The bulletin cover is a photograph of the altar in the Taize Community in Taize, France. [www.taize.fr](http://www.taize.fr).
