

TAX DEDUCTIBILITY INFORMATION AND ESTIMATED VALUE OF BENEFITS FOR 2022

WAKE FOREST UNIVERSITY ATHLETICS

As of January 1, 2018, payments that resulted in the right to buy tickets for seating in a Wake Forest athletics facility are non-deductible for federal income tax purposes. Otherwise, current tax law provides that the amount of a charitable contribution that is deductible for federal income tax purposes is limited to the excess of the amount of any money (and the value of any property other than money) contributed by the donor over the value of goods or services provided by the charitable organization. **The information and estimates below are provided in accordance with 170 and 6115 of the Internal Revenue Code; however, we urge you to consult your tax advisor to address your particular circumstances.**

PRIORITY POINT SYSTEM

WAKE FOREST UNIVERSITY ATHLETICS

Some donor benefits are determined by Deacon Club rank, which is based on the Priority Point System. The system is designed to reward both loyalty and giving. Members earn priority points in the following ways:

- 5 points for every consecutive year of membership
- 1 point for every \$100 donation to the Deacon Club Annual Fund
- 1 point for every \$100 non-deductible payment related to athletic seating priority excluding ticket purchases
- 2 points for every \$100 outright gift to a capital project
- 2 points for every \$100 donation to an endowment fund

The following table provides an approximation of the number of priority points required to reach a certain rank. Please contact the Deacon Club at 336.758.5626 with any questions about the Priority Point System.
