Student Leadership Challenge

The Student Leadership Challenge provides many opportunities to help students develop to their full potential as leaders regardless of their experience. Grounded in over 30 years of extensive research, leadership experts Jim Kouzes and Barry Posner have identified The Five Practices of Exemplary Leadership® that are common when leaders are able to make extraordinary things happen. By incorporating the Five Practices of Exemplary Student Leadership™ into your program, you will be able to “liberate the leader within every student.”™
