

WAKE FOREST
UNIVERSITY

Movie Health and Safety Plan

Introduction

_____ would like to host a Movie Event on _____
at _____. The event will be located at/in _____. A maximum of
_____ attendees, including event hosts, will be present.

Select one:

- Those wishing to attend should register on The Link page for the event. Once the spots are full, registration will close.
- Those wishing to attend will be admitted first come first served, when the space reaches capacity listed above, no additional attendees will be permitted to enter.

Upon arrival, participants will show their Corq Event Pass and hosts will scan them in via the Campus Labs Event Check-in App. Chairs will be set up at least 6 feet apart for attendees to sit in while watching the movie.

Cleaning and Disinfecting Protocols

All high touch surfaces will be disinfected with disinfecting wipes before, during and after the event.

Attendee Expectations

Individuals are encouraged to wash their hands frequently. Hand sanitizer will be provided upon entry, exit and throughout the event. The use of non-contact greetings and interactions among participants will be encouraged/emphasized. All attendees/participants/volunteers must comply with the University's Face Covering Policy at all times throughout the event. No food or drink is permitted to be consumed throughout the duration of the event (in Orange status). If food is provided to attendees, it must be given in a one-touch distribution method upon exit to be consumed off-site.

Additional Notes: (List any specifications not included in this document here)
