WFU Arts & Humanities Research Fellowship Application

Application Deadline: March 19, 2021. A faculty mentor endorsement form will be emailed automatically to your mentor(s) once your application is submitted. Please direct any questions to Jake Ruddiman (ruddimja@wfu.edu).

This application will collect some basic information about you and a description of your project. It is expected that the faculty mentor(s) will discuss the project and provide guidance on the application. Please include in the discussion how your project could change if we need to go remote during summer 2021. Be sure that your project description includes the following:

- Justification for your scholarly project (including Project Background, Rationale and Significance)

Reminder: The Wake Forest Arts & Humanities Fellowship requires that students work full time on their projects. That is to say, students receiving this fellowship may not work outside the fellowship nor enroll in summer courses during the 5 consecutive weeks of the summer fellowship.

All equipment purchased for research must remain with the mentor as the department or lab's property, used as a resource for future research and/or study

2021 Update: We anticipate awarding fellowships to undergraduate students for summer 2021. If there is a university update prohibiting on-campus housing during the summer, we will communicate with fellowship recipients accordingly
