WINSTON-SALEM NEIGHBORHOODS

Winston-Salem is rich with diverse neighborhoods and architecture. From urban living downtown and historic neighborhoods, to big yards and country club living, Winston-Salem offers a home setting for almost any taste. This list of neighborhood descriptions can be helpful when searching for a home or apartment that fits your lifestyle. Many of the following neighborhoods provide multiple options from condos, apartments, and home sharing living arrangements to meet your preferred lifestyle.

➤ **Ardmore**

Ardmore, the largest and newest historic district in Winston-Salem, is a popular Winston-Salem neighborhood for young families and medical students, as it is located between Wake Forest University Baptist Medical Center and Forsyth Hospital and hosts one of the largest parks in the city — Miller Park.

➤ **Bermuda Run**

Bermuda Run is an upscale, fully-gated town located just off Interstate 40, minutes from Winston-Salem that actually borders Forsyth County on the west, along the Yadkin River. Situated in Davie County, the community of 1,500 is next door to Tanglewood Park and home to Bermuda Run private country club, golf course and retirement community.

➤ **Buena Vista/Runnymede/West Highlands**

This sophisticated neighborhood west of the West End neighborhood with Italian Renaissance and Tudor-style mansions is home to the work of many famed architects, including Charles Barton Keen. The streets are lined with sidewalks and large oaks.

➤ **Downtown Winston-Salem**

With downtown revitalization in recent years, downtown is now vibrant, especially after business hours and weekend nights. The tobacco warehouses and knitting mills of our farming and industrial history have now been transformed into beautiful urban lofts in the heart of downtown surrounded by restaurants, the galleries of the Arts District, cinemas, music venues and more.

➤ **Holly Avenue**

Holly Avenue is one of the smallest neighborhoods in the city, but it enjoys a prime spot just southeast of the downtown area between Hanesbrands Theatre and the BB&T Ballpark. Home to Calvary Moravian Church, this neighborhood of colorful bungalows and duplexes has been rejuvenated in recent years with the revival of downtown development.

➤ **Olde Vineyard**

The Olde Vineyard neighborhood was constructed at different times, beginning in the 1950's and so offers a variety of architectural styles and housing types from mid-century modern and ranch style homes to more contemporary and traditional homes. Sidewalks thread through the neighborhood. Olde Vineyard is located near Hanes Mall area and Forsyth Hospital and is bordered by Interstate 40 Business Loop/Hwy 421 on the west, I-40 on the south, South Stratford on the east and Silas Creek Parkway on the northeast. Points of interest include Hanes Mall, Bolton Park, and many shopping centers.

➤ **Old Salem**

Old Salem is a preserved Moravian planned community. The Historic Town of Salem dates back to 1766 and includes cobblestone streets surrounded by gardens, living historical tours and classes with staff in period dress.

Points of interest include Home Moravian Church and the Moravian Archives; Old Salem Visitors Center; St. Philips, the oldest standing African American Church in North Carolina; the Museum of Southern Decorative Arts; Salem Academy; Salem College; the 1800 Tannenberg Organ, the largest organ in existence; Winkler Bakery and Zevely House Inn.

➤ **Sherwood Forest/Polo**

The Sherwood Forest neighborhood is filled with classic brick homes built mostly in the 1960's and '70's with large yards, mature trees, walkable schools and soccer fields. It is home to a popular neighborhood pool.

➤ **South Fork/Country Club**

The South Fork neighborhood is situated around Country Club Road and is convenient to Forsyth Hospital. There is a wide range of home size and styles, from manor homes to ranch-style homes to condos. There are few sidewalks in the neighborhood. Points of interest include Forsyth Country Club, South Fork Park and Community Center, Hathaway Park, The Greek Orthodox Church and school.

➤ **Washington Park**

This is another historic neighborhood making a comeback. The architecture of the Washington Park is varied, from Georgian and Queen Anne-style mansions, to smaller Craftsman bungalows. Points of interest include the largest neighborhood park in town, (including a dog park), the University of North Carolina School of the Arts and quaint neighborhood market and bar Washington Perk and Swaim's Grocery.

➤ West End

The first suburb of Winston-Salem, now dubbed, “Winston-Salem’s front porch,” the West End historic district is adjacent to downtown and Wake Forest University Baptist Medical Center. The neighborhood was historically part of the Hotel Zinzendorf spa resort property in the 1890’s, which tragically burned in a fire just months after opening.

This neighborhood of turn-of-the-century architecture, rolling hills, stone walls and tall oaks was home to the Hanes and Reynolds families and the first Millionaire’s Row in town. Architectural styles include Queen Anne, Neoclassical, Colonial Revival and Craftsman. Residents must ascribe to historical guidelines for their home fronts. Points of interest in the West End include Grace Court Park, Hanes Park and the William G. White (formerly Central) YMCA, and many great restaurants.

➤ West Salem

West Salem is a historic neighborhood that borders downtown Winston-Salem and Old Salem. Established in 1782, it is the second oldest neighborhood in town, having been initially settled as farmland serving Old Salem before it was associated with the suburban expansion of Winston-Salem’s industrialization in the early 1900’s. It features over 1,000 homes and structures with varied architectural styles from 19th Century Greek Revival to a large collection of Craftsmen-style bungalows.

Some points of interest include the gothic Christ Moravian Church and the new BB&T Ballpark. In the heart of West Salem sits Historic Granville Park where neighbors come together to enjoy social events and utilize the tennis courts and new playground equipment. West Salem also features a community garden where neighbors grow food for themselves and others – an average of 1,000 bags of produce are offered back to the community each summer from the garden.
