

Guidelines for Service Animals in Training at WFU

Requirements

1. Follow the established and published processes for registering an Emotional Support Animal (ESA) or Service Animal through Residence Life & Housing.
2. Adhere to all policies and procedures described in the “Requirements and Agreement for Maintaining Service and Therapy Animals for Residential Students at Wake Forest University.”
3. Provide an estimated amount of time the animal will be in training and let both LAC-DS and RL&H know when the animal is no longer on campus.
4. Animal must wear a collar and leash, harness or cape identifying the animal as a service animal in training.

Recommendations

1. Provide documentation from a service animal association regarding describing the commitment to training a service animal.
2. Provide periodic (no less than monthly) reports from the training agency regarding the service animal’s progress in the training program.
