Dear Pi Alpha Chapter,

The Counselor Community Engagement Committee of CSI would like to recognize your chapter for its excellence in counselor community engagement during the 2024–2025 year. Our committee was impressed that your chapter facilitated and participated in several impactful CCE projects, each making a unique and meaningful contribution to your community. Through your chapter's partnerships with various university organizations and offices, we believe your work is creating a significant and lasting impact. We especially enjoyed reading about Project Pumpkin and your chapter's creative trick-or-treat table. As part of our recognition process, our committee would love to highlight your projects on CSI's social media platforms. Your chapter provides a wonderful example of what meaningful community engagement looks like in action.
