Join us for two upcoming professional development events!

The **2027 Bridging the Gap Symposium**, a pre-conference event hosted by the NBCC Foundation (NBCCF) in collaboration with NBCC, will take place **Feb. 22–23**. The **2027 Law and Ethics in Counseling Conference** will be hosted by NBCC in collaboration with the University of Holy Cross on **Feb. 23–26** in New Orleans, Louisiana.

Both events are being brought together for the first time to create a dynamic learning experience for Counseling professionals, Counselor Educators, graduate students, supervisors, and other leaders in the profession. They are excellent opportunities to engage in discussions on leadership, law, ethics, professional practice, and emerging issues in Counseling and connect with colleagues from across the country.

Participants may register for either *Symposium* or the *Law and Ethics in Counseling Conference* or choose a combined package to attend both events. *Symposium* will be offered in person only; the *Law and Ethics in Counseling Conference* will offer in-person and virtual attendance.

We hope you'll consider joining us for one or both events!

Early bird registration rates for attendees are available until Nov. 15, 2026, with a final registration deadline of Feb. 23, 2027.
