PROMPT

HOW THIS WORKS

The Conversation Leader will invite you to:

1. Respond to the prompt.
 - Go around the table again and share a personal experience one by one.
2. Connect themes from each other's examples.
 - What similarities did you notice?
 - What are you surprised wasn't mentioned?
 - What questions came to mind as you listened?
3. Consider what's next.
 - What will you take away from this conversation and what will you do with it?

Take a group photo! Be sure to exchange contact information so you can continue the relationships you've started.

In large letters, write one word that describes your C2C experience.
Take a photo and share on social media with @C2CWFU and #CalltoConversation.
