

ANTHONY ASTON PLAYERS

Anthony Aston Players (AAP) is a student organization associated with the theatre programs of Wake Forest. Students who have participated in theatre productions here at Wake are eligible to apply for membership. Anthony Aston undertakes a number of projects during the year. These include providing concessions for the Tedford Mainstage Auditorium and Ring Theatre productions, and producing a full length play in the Ring Theatre. In addition, AAP has organized social events during the year, ending with the much-anticipated Anthony Aston Theatre Awards Banquet. **AAP meets every Monday at 4:00 pm in the Ring Theatre.**

Students interested in theatre are invited to attend these meetings. For additional information, feel free to talk to any of the students working in the theatre, or contact one of the current exec members listed below.
