

# REMINDERS WHEN RETURNING TO CAMPUS

WAKE FOREST  
UNIVERSITY

Residence Life and Housing

As you finish your quarantine or isolation, just a reminder that while you enjoy being back in our communities you must continue these important public health practices:

## VISIT close to home.

COVID-19 ADDENDUM TO THE GUIDE TO COMMUNITY LIVING

Each resident living in a unit is allowed no more than one guest at a time.

All guests must be Wake Forest students with a current room assignment in University-sponsored housing.

Guests must be accompanied by their host at all times, and no guests are permitted to stay overnight.

## SIX FEET FIRST Safe distance every visit.

COVID-19 ADDENDUM TO THE GUIDE TO COMMUNITY LIVING

Social distancing (six feet, minimum) applies in all residential areas, including student rooms.

## INSIDE? Mask on.

COVID-19 ADDENDUM TO THE GUIDE TO COMMUNITY LIVING

Masks are to be worn at all times while spending time together indoors.

## REINFECTION

Having had COVID before does not mean you can't get it again - you still need to work to keep yourself and others well.

## AVOID GETTING SICK

- Avoid large social gatherings.
- Avoid poorly ventilated spaces.
- Wash your hands often and thoroughly with soap and warm water.
  - *If soap and water are not available, using a hand sanitizer with at least 60% alcohol can be an alternative.*
- Cover your nose and mouth when you cough or sneeze.
- Avoid touching your face.
- Clean and disinfect high touch surfaces like counters, chairs, handrails, phones, faucets, etc.
