## INJURIES HAPPEN

No one expects to get injured.  
Navigating school is hard enough.  
Seemingly simple tasks like walking  
may become extremely difficult.  
Hopefully, some of these tips will  
help make your transition  
a little easier.

## INJURED AT WFU?

We Can Help!

## TIPS FOR THOSE ON CRUTCHES

- Plan ahead. Don't be afraid to ask for help.
- Give yourself extra time to travel.
- Utilize a backpack to carry your belongings.
- Stairs can be difficult. Use the Wake Safe App for shuttle lines and the Accessibility Map.
- Consider crutch accessories, such as padding, tips, and caddies.
- Prevent deconditioning or muscle weakness by remaining active.
- Reach out to your insurance company to see if you qualify for medical assistive devices.

### ON-CAMPUS HOUSING

- RL&H can assist with temporary and accessible housing accommodations as space permits.

### OPENING DOORS

- CLASS can help with having your Deacon OneCard activated so doors automatically open for you.

**GETTING FOOD:** Does your injury/illness prevent you from getting to The Pit?

- Campus Dining: Make an appointment with Deacon Health to determine eligibility for to-go and pick-up options.
- Takeout Central
- Grubhub
- Uber Eats
- Door Dash

### CARRYING FOOD

- Need help carrying food or drinks in the Pit? Ask a Harvest Table manager or staff at the Pit and they will be able to assist you.

### PARKING

- Parking & Transportation can provide information about pursuing temporary disability or accessible parking to help meet your specific parking needs.

### ACADEMICS

- CLASS can assist with possible academic accommodations in the classroom setting (e.g. scribing, assistive technology, proctoring tests for faculty).
- If applicable, an OAA advisor may serve as a liaison with faculty members regarding absences or missed work due to your injury/illness.
