

No Fear Alumni Newsletter Fall 2024

A Note from the PMS: Lt. Colonel Flach

I am so proud to spend another year working with the cadets of the No Fear Battalion! The class of 2028 has hit the ground running with over 30 cadets actively involved in ROTC, and the MSIVs have done incredible work so far increasing our participation in New Deac Week as well as planning an outstanding Climb to Remember, Fall FTX, and our first ever Veterans Tailgate. Our training this year has been even better than last year due in great part to support from Alumni and families, so thank you for your continued support. We are glad that you're part of the No Fear BN Family and hope you'll come by the next time you're in the area.

RECENT NEWS IN NO FEAR!

NEW CADETS!

This year we have been incredibly lucky to have a large MS 1 class and students who attended basic camp this summer join the program! We have 15 new cadets from Wake, 20 new cadets from WSSU, and 3 new cadets from Salem College. The new cadets have been active in battalion events and have begun to take on leadership roles as team leaders in lab! We are excited to see what they will accomplish in the next four years!

CLIMB TO REMEMBER

This year, on September, 11, the No Fear Battalion hosted our annual Climb to Remember memorial at Allegacy Stadium. To honor the 2,977 lives lost on 9/11, participants were invited to climb a step for each life. This event was open to the entire Winston-Salem community and this year we had the largest turnout in several years with many community members, sports teams, and students from Wake Forest, Winston-Salem State, and Salem College.

ARMY 10-MILER!

Army 10-Miler is a 10-mile race through the National Mall and downtown Washington, DC held each year. This year we had 13 cadets running in the race including cadets from each MS class! Our cadets ran alongside over 34,000 other runners in this race and were proud of how they did!

No Fear Events!

Fall Field Training Exercise (FTX)

October 25-27, 2024

During this weekend cadets gathered for our Fall FTX, a weekend full of tactical lanes, land navigation practice, obstacle courses, and team building. It was a great opportunity for cadets to gain leadership experience and practice the skills taught in class and lab!

Ranger Challenge

November 15-17, 2024

Ranger Challenge is a competition held annually between all 4th Brigade battalions and is a weekend long test of physical fitness, general army knowledge, and basic soldiering tasks. It is a competitive team for the best of the best in the program and those willing to go above and beyond to better themselves!

Branch Night

December 5, 2024

On branch night all of our MS 4 cadets will learn their assigned branches for service. This is an incredibly important night in their Army careers and we look forward to celebrating their past accomplishments and their future endeavors!

Impact of Supporting No Fear

Thank you for considering a donation to the No Fear Battalion. Below are examples of how your contribution may be used to help support cadet training, development, and events!

\$10

Supports a cadet meal after a training exercise or a battalion polo.

\$25

Helps to fund battalion events like Military Ball and Branch nNght to celebrate our cadets and their success

\$50

Supports a cadet to attend our annual Military Ball!

\$75

Supports registration for a cadet to attend Mountain Man Memorial March!

\$100

Supports registration for a cadet to attend the Army-10 Miler!

\$200

Supports training events for cadets and allows us to buy more advanced training aids like medical equipment.

Some of our favorite memories from the year so far!
