

Use your WFU number anywhere with the Webex app

Do you have an existing Wake Forest phone number?

Yes!

No

Complete the Wake Forest Phone Request in AskDeac first.

To use your WFU number anywhere, you'll need to install Webex on your mobile device and/or laptop.

I want to use the Webex app to take my number anywhere, but I would like to keep my desk phone as well.

I am not interested in using the Webex app.

For use on your mobile devices, complete the Request Webex for your Mobile Device in AskDeac.

For use on your laptop, follow these instructions to download the Webex app to use on your computer.

We welcome you to start using the Webex app, while still retaining your physical desk phone.

Switching to the app is not mandatory at this time, however policies could change later. If you change your mind, you can always download the Webex app on your laptop or Request Webex for your Mobile Device through AskDeac.

Have you received confirmation your request is complete?

Yes

No

Select your device type for instructions:

Android

Apple iOS

Wait for completion verification before downloading the app.
