## Section 2: Individual Development Plan (Goal Setting for Upcoming Year)

Identify 3-5 developmental goals and the strategy or action steps to meet each performance goal. These goals will be the basis for the upcoming appraisal year. (This is a non-scored section.)

### Goal-Setting Framework

- Developmental goals result in outcomes that directly contribute to departmental success.
- Well-written goals meet specific criteria. The following "SMART" criteria can be used as a guideline to establishing goals: **S**pecific, **M**easurable, **A**ction-oriented, **R**ealistic and **T**ime-bound.

Performance Goals*	Performance Activities	Manager Support (completed by manager)	Success Measures	Target Completion Date
<b>Example:</b> Deliver clear and appropriate written correspondence, achieving the desired result in 100% of my written correspondence by the end of the year.	<ul style="list-style-type: none"> <li>- Enroll in training classes on effective written correspondence</li> <li>- Follow up with corresponding individual to validate clarity of written communication</li> </ul>	Review/Confirm staff member written correspondence with Manager and other select individuals in order to validate the delivery is clear and appropriate.	<ul style="list-style-type: none"> <li>- Successful completion of training class on effective written correspondence</li> <li>- 100% of correspondence at the end of the year is clear and appropriate and does not require follow up in order to achieve my desire result</li> </ul>	December 31, 2013

Comments should effectively summarize performance and support the overall performance rating. After the manager and staff member have discussed the performance appraisal, the staff member should be given time to add his/her final comments to the review form before the form is signed and submitted to Human Resources.
