We offer the voluntary Loan Relief benefit from Fiducius to help you take control of your student loans, put more money back in your pocket and let you focus on what really matters. Others utilizing the Forgive service through Fiducius have lowered their payment by \$550 (average) per month through the Public Service Loan Forgiveness Program.

### Living Our Best Lives as a Family

"Since teaming up with Fiducius, my life has changed drastically for the better! Having the stress and weight of roughly \$500 per month in student loan payments lifted has allowed my family to actually LIVE! We can pay our bills, fill our cupboards and fridge, go on family outings, eat out as a family and still have money left over."
