GETTING STARTED WITH BLUE OPTIONS

IMPORTANT INFORMATION REGARDING THE PLAN:

In accordance with applicable federal law, the PLAN will not discriminate against any health care PROVIDER acting within the scope of their license or certification, or against any person who has received a break on their premium, or taken any other action to endorse his or her right under applicable federal law. Further, the PLAN shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

Getting Started

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It's important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the "Who to Contact" section.

Notes on Words

As you read this booklet, keep in mind that any word you see in small caps is a defined term and appears in the "Glossary" at the end of the benefit booklet.

This booklet tells you about:

- your COVERED SERVICES and exclusions or services that are not covered
- how the PLAN works
- how we share expenses for COVERED SERVICES
- who is eligible to be covered under the PLAN and when this coverage starts and ends
- our UTILIZATION MANAGEMENT programs and the right to appeal the decision
- any Special Programs that may come with the PLAN.

PRIOR REVIEW and CERTIFICATION

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a full denial of benefits.

General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit our website at BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See "PRIOR REVIEW/Pre-Service" in "UTILIZATION MANAGEMENT" for information about the review process.

Exclusions and Limitations

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary of Benefits" and "What Is Not Covered?"

No Assignment of Benefits

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits, the right to receive payment under the PLAN, and the right to enforce any claim arising under the PLAN cannot be transferred or assigned to any other person or entity, including PROVIDERS. Blue Cross NC will not recognize any such assignment, and any attempted assignment is void if performed without Blue Cross NC's prior written consent. PROVIDERS are not considered beneficiaries under the PLAN and do not have standing to sue under ERISA. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER'S right to be paid directly is through such contract with Blue Cross NC, and not through the PLAN. Under the PLAN, Blue Cross NC has the sole right to determine whether payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC's decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under the PLAN, including but not limited to benefits, payments or procedures. For more information see "Additional Terms of Your Coverage."

More Information upon Request

You may receive, upon request, information about Blue Options, its services and DOCTORS, including printed copies of this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

Medical and Reimbursement Policies

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is **MEDICALLY NECESSARY** and eligible for coverage, **INVESTIGATIONAL** or **EXPERIMENTAL**, **COSMETIC**, or a convenience item. The most up-to-date medical and reimbursement policies are available at <https://www.bluecrossnc.com/content/services/medical-policy/index.htm>, or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

Reduced or Waived Payments

- From time to time, **MEMBERS** may receive a reduced or waived copayment, deductible and/or coinsurance on designated services or therapies in connection with programs designed to reduce medical costs, or to encourage **MEMBERS** to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.
- For certain **SPECIALTY DRUGS** with manufacturer coupons, discounts or copayment assistance, the portion of the cost paid by the manufacturer may not be applied towards satisfying the **MEMBER'S** deductible or **TOTAL OUT-OF-POCKET LIMIT**. For more information about this program, including which **SPECIALTY DRUGS** are included and whether it applies to your plan, please call Blue Cross NC Customer Service at the number listed in the "Who to Contact?" section.

Common Insurance Terms

To help you become familiar with some common insurance terms concerning what you may owe after visiting your **PROVIDER**, see the chart below:

Copayment	The fixed dollar amount you must pay for some COVERED SERVICES at the time you receive them. Copayments are not credited to the deductible; however, they are credited to the OUT-OF-POCKET LIMIT .
Deductible	The amount of money you must pay for COVERED SERVICES in a CALENDAR YEAR before the PLAN begins to pay for COVERED SERVICES . The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT , amounts exceeding any maximum, or charges for noncovered services.
Coinsurance	Your share of the costs of a covered health service, after you have met your CALENDAR YEAR deductible. This is stated as a percentage of the ALLOWED AMOUNT . The coinsurance listed is your share of the cost of a COVERED SERVICE .
OUT-OF-POCKET LIMIT	The OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a CALENDAR YEAR before the PLAN pays 100% for COVERED SERVICES in a CALENDAR YEAR . The OUT-OF-POCKET LIMIT includes your deductible, coinsurance, and copayments. It does not include charges over the ALLOWED AMOUNT , premiums, and charges for noncovered services.

Please note: This health benefit plan was not specifically designed to be a high deductible health plan ("HDHP") under the Tax Code, and therefore is not intended to be paired with a health savings account ("HSA"). Check with a tax advisor to ensure qualification before you pair this health benefit plan with an HSA.

Most Cost-Effective Benefit Level

As a MEMBER of the Blue Options plan, you enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You also have the freedom to choose health care PROVIDERS who do not participate in the PPO network - the main difference will be the cost to you.

Benefits are available for services from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible. For a list of eligible PROVIDERS, please visit Blue Cross NC's website at **BlueCrossNC.com** or call Blue Cross NC Customer Service at the number listed in "Who to Contact?" Here's a look at how it works:

	IN-NETWORK	OUT-OF-NETWORK
Type of PROVIDER	IN-NETWORK PROVIDERS are health care professionals and facilities that have contracted with Blue Cross NC, or a PROVIDER participating in the BlueCard[®] program. ANCILLARY PROVIDERS outside North Carolina are considered IN-NETWORK only if they contract directly with the Blue Cross or Blue Shield plan in the state where services are provided, even if they participate in the BlueCard[®] program. See "Glossary" for a description of ANCILLARY PROVIDERS and the criteria for determining where services are received. The list of IN-NETWORK PROVIDERS may change from time to time. IN-NETWORK PROVIDERS are listed on Blue Cross NC's website at BlueCrossNC.com, or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"	OUT-OF-NETWORK PROVIDERS are not designated as Blue Options PROVIDERS by Blue Cross NC. Also see "OUT-OF-NETWORK Benefit Exceptions."
ALLOWED AMOUNT vs. Billed Amount	If the billed amount for COVERED SERVICES is greater than the ALLOWED AMOUNT, you are not responsible for the difference. You only pay any applicable copayment, deductible, coinsurance, and noncovered expenses. (See Filing Claims below for additional information.)	You may be responsible for paying any charges over the ALLOWED AMOUNT in addition to any applicable copayment, deductible, coinsurance, and non-covered expenses.
Referrals	Blue Cross NC does not require you to obtain any referrals.	
After-hours Care	If you need nonemergency services after your PROVIDER'S office has closed, please call your PROVIDER'S office for their recorded instructions.	

	IN-NETWORK	OUT-OF-NETWORK
Care Outside of North Carolina	Your ID CARD gives you access to participating PROVIDERS outside the state of North Carolina through the BlueCard® program, and benefits are provided at the IN-NETWORK benefit level.	If you are in an area that has participating PROVIDERS and you choose a PROVIDER outside the network, you will receive the lower OUT-OF-NETWORK benefit. Also see "OUT-OF-NETWORK Benefit Exceptions."
PRIOR REVIEW	All IN-NETWORK PROVIDERS in North Carolina and some outside North Carolina are responsible for requesting PRIOR REVIEW when necessary. See "COVERED SERVICES" and "PRIOR REVIEW (Pre-Service)" in "UTILIZATION MANAGEMENT" for additional information about those services which require PRIOR REVIEW and CERTIFICATION.	OUT-OF-NETWORK PROVIDERS are not obligated by contract to request PRIOR REVIEW by Blue Cross NC. You are responsible for ensuring that you or your OUT-OF-NETWORK PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a full denial of benefits. However, PRIOR REVIEW is not required for an EMERGENCY or for an inpatient HOSPITAL stay for 48 hours after a vaginal delivery or 96 hours after a Cesarean section.
Filing Claims	IN-NETWORK PROVIDERS in North Carolina are responsible for filing claims directly with Blue Cross NC. Claims not received within 18 months from the service date will not be covered, except in the absence of legal capacity of the MEMBER.	You may have to pay the OUT-OF-NETWORK PROVIDER in full and submit your own claim to Blue Cross NC. Mail claims in time to be received within 18 months of the date the service was provided. Claims not received within 18 months from the service date will not be covered, except in the absence of legal capacity of the MEMBER.

OUT-OF-NETWORK Benefit Exceptions

In an EMERGENCY, in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards, or in continuity of care situations, OUT-OF-NETWORK benefits will be paid at your IN-NETWORK benefit level. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. If you are billed by the PROVIDER, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

For more information, see one of the following sections: "EMERGENCY, URGENT CARE and Ambulance Services" in "COVERED SERVICES," or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about Blue Cross NC's access to care standards, visit Blue Cross NC's website at BlueCrossNC.com and type "access to care" in the search bar. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

Carry Your IDENTIFICATION CARD

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit Blue Cross NC's website at **BlueConnectNC.com** or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

Blue Cross NC is strongly committed to continuously improving your quality of care and reducing the cost of using health care services. Maintaining a relationship with a PCP, who will help you manage your health and make decisions about your health care needs is an important step towards ensuring you receive the highest quality of care. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS from all primary care areas, including family practice, internal medicine and pediatrics may participate as PCPs.

Please visit Blue Cross NC's website at **BlueCrossNC.com** or call Blue Cross NC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER network and they are currently treating you for an ongoing special condition, see "Continuity of Care" in "UTILIZATION MANAGEMENT."

Upon the request of the MEMBER and subject to approval by Blue Cross NC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER'S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER'S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and Blue Cross NC, with notice to the PCP, if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER'S primary and specialty care.

To make this request, or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

COVERED SERVICES

This section provides a more complete description of your benefits, along with some exceptions or services that are not covered by the PLAN. Keep in mind as you read this section Blue Options covers only those services that are MEDICALLY NECESSARY. Also check the "Summary of Benefits" for any benefit maximums and limitations that may apply to your benefits. We have grouped these COVERED SERVICES listed below to make it easier for you to find what you are looking for.

Table of Contents:	Key Words:
- Office Services - PREVENTIVE CARE - EMERGENCY Care, URGENT CARE, Ambulance Services - HOSPITAL and Other Facility Care - Alternatives to HOSPITAL Stays - Family Planning - Specific Therapies and Tests - Other Services - Equipment and Supplies - Surgical Benefits	- OFFICE VISIT - OUTPATIENT CLINIC - PREVENTIVE CARE - IN-NETWORK - OUT-OF-NETWORK - REHABILITATIVE THERAPY/HABILITATIVE Services

Office Services

The PLAN covers care you receive as part of an OFFICE VISIT, including:

- electronic visit
- evaluation and treatment of obesity
- house call
- telehealth services

Telehealth services include evaluation, management and consultation services for behavioral health and nonemergency medical issues with a PROVIDER via an interactive audio/video telecommunications system. See MDLIVE in "Who to Contact?" to access a DOCTOR who can diagnose and recommend treatment. Telehealth services from MDLIVE will be subject to the copayment and/or coinsurance and any applicable deductible listed in your "Summary of Benefits". You can also check with your local PROVIDER to see if telehealth services are available; your benefit would depend on the type of PROVIDER supplying these services.

The PLAN also covers infusion services received at an AMBULATORY INFUSION SUITE. Certain infusion services require PRIOR REVIEW and CERTIFICATION or services will not be covered.

If the PLAN has a copayment for PCP OFFICE VISITS, a copayment will not apply if you only receive services such as allergy shots or other injections and are not charged for an OFFICE VISIT.

Some DOCTORS or OTHER PROVIDERS may practice in HOSPITAL-based or OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC. See "Summary of Benefits."

Some PROVIDERS may get ancillary services, such as laboratory services, medical equipment and supplies or PROVIDER-ADMINISTERED SPECIALTY DRUGS, from third parties. In these cases, you may be billed directly by the ANCILLARY PROVIDER. Benefit payments for these services will be based on the type of ANCILLARY PROVIDER, its network status, and how the services are billed.

Please check with your PROVIDER before your visit to determine if your PROVIDER will collect deductible and coinsurance, or you can call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for this information.

PREVENTIVE CARE

The PLAN covers PREVENTIVE CARE services that can help you stay safe and healthy.

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, or outpatient, or ambulatory surgical setting, or URGENT CARE center, at no cost to you. Please note, this benefit is only for services that indicate a primary diagnosis of preventive or wellness and which are identified by recent federal regulations as being eligible. Services, such as diagnostic lab tests, that may be delivered with a PREVENTIVE CARE service

are not considered PREVENTIVE CARE. These services and services that do not include a primary diagnosis of preventive or wellness will be subject to your IN-NETWORK benefit level for the location where services are received. In addition, if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided, the PLAN may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply.

Please visit Blue Cross NC's website at www.BlueCrossNC.com/preventive or call Blue Cross NC Customer Service at the number in "Who to Contact?" for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including any limitations that may apply. Certain over-the-counter medications may also be available. These over-the-counter medications are covered only as indicated and when a PROVIDER'S PRESCRIPTION is presented at a pharmacy.

The PLAN covers one scientifically proven and approved bone mass measurement for the diagnosis and evaluation of osteoporosis or low bone mass during any 23-month period for certain qualified individuals only. Additional follow-up bone mass measurement tests will be covered if MEDICALLY NECESSARY. Please note that bone mass measurement tests will be covered under your diagnostic benefit (not your PREVENTIVE CARE benefit) if the claim for these services indicates a primary diagnosis of something other than preventive or wellness. Your diagnostic benefit will be subject to your benefit level for the location where services are received.

Some of these procedures are considered SURGERY, such as colonoscopy and sigmoidoscopy, and others are considered lab tests, such as hemoccult screenings. Lab work done as a result of a colorectal screening exam will be covered under your diagnostic benefit and not be considered PREVENTIVE CARE. WHEN COVERAGE BEGINS AND ENDS (cont.)

- Your spouse under an existing marriage that is legally recognized under any state law
- Your or your spouse's DEPENDENT CHILDREN through the end of the month of their 26th birthday. Your EMPLOYER may require proof that your DEPENDENT CHILD meets the definition of DEPENDENT CHILD as outlined in the "Glossary."
- A DEPENDENT CHILD who, in accordance with North Carolina law, is and continues to be either intellectually or physically disabled and incapable of self-support may continue to be covered under the PLAN regardless of age if the condition exists and coverage is in effect when the child reaches the end of eligibility for DEPENDENT CHILDREN. The disability must be medically certified by the child's DOCTOR and may be verified annually by the PLAN.

Enrolling in the PLAN

It is very important to consider when you apply for coverage and/or add DEPENDENTS. Your EMPLOYER allows you to apply for or make changes to your coverage during the annual enrollment period, which is held once a year. If you do not apply for coverage within 30 days of when you or your DEPENDENTS first become eligible, you will have to wait for a future annual enrollment period. Newly eligible children (newborns, adoptive children, or FOSTER CHILDREN) and children added as a result of a court or administrative order, such as a Qualified Medical Child Support Order (QMCSO), are not restricted to the annual enrollment period.

See also "Adding or Removing a DEPENDENT."

You may also apply for coverage and/or add DEPENDENTS within a 30-day period following any of the qualifying life events (hereafter referred to as "QLE") listed below unless otherwise noted. A QLE for one individual within a family qualifies as an event for the MEMBER and all family MEMBERS, regardless of current enrollment. Coverage is effective no later than the first day of the first month following a completed request for enrollment. The following are considered QLEs:

- You or your DEPENDENTS become eligible for coverage under the PLAN
- You get married or obtain a DEPENDENT through birth, court or administrative order, adoption, placement in anticipation of adoption, or foster care placement of an eligible child
- You or your DEPENDENTS lose coverage under another health benefit plan, and each of the following conditions is met:
 - you and/or your DEPENDENTS are otherwise eligible for coverage under the PLAN, and
 - you and/or your DEPENDENTS were covered under another health benefit plan at the time this coverage was previously offered and declined enrollment due to the other coverage, and
 - you and/or your DEPENDENTS lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, divorce, loss of DEPENDENT status, death of the EMPLOYEE, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan's coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of EMPLOYER contributions toward the cost of the other plan's coverage, or vi) meeting or exceeding the lifetime benefit maximum, or vii) the discontinuance of the health benefit plan to similarly situated individuals.
- You or your DEPENDENTS lose coverage due to loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP) and apply for coverage under this PLAN within 60 days
- You or your DEPENDENTS become eligible for premium assistance with respect to coverage under this PLAN under Medicaid or Children's Health Insurance Program (CHIP) and apply for coverage under this PLAN within 60 days.

Adding or Removing a DEPENDENT

Do you want to add or remove a DEPENDENT? You must notify the PLAN ADMINISTRATOR and fill out any required forms.

For coverage to be effective on the date the DEPENDENT becomes eligible, any forms must be completed within 30 days after the DEPENDENT becomes eligible.

If you are adding a newborn child, a child legally placed for adoption or a FOSTER CHILD, and adding the DEPENDENT CHILD would not change your coverage type or premiums, the change will be effective on the date the child becomes eligible (the date of birth for a newborn, the date of placement for adoption for adoptive children, or the date of placement of a FOSTER CHILD in your home), as long as coverage was effective on that date. In these cases, notice is not required by the

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

PLAN ADMINISTRATOR within 30 days after the child becomes eligible, but it is important to provide notification as soon as possible.

DEPENDENTS may be removed from coverage by contacting the PLAN ADMINISTRATOR and by completing the proper form. DEPENDENTS must be removed from coverage when they are no longer eligible, such as when a child is no longer eligible due to age, or when a spouse is no longer eligible due to divorce or death. Failure to timely notify your PLAN ADMINISTRATOR of the need to remove a DEPENDENT could result in loss of eligibility for continuation of coverage.

Qualified Medical Child Support Order

A Qualified Medical Child Support Order (QMCSO) is any judgment, decree or order that is issued by an appropriate court or through an administrative process under state law that: (1) provides for coverage of the child of a MEMBER under the PLAN; and (2) is either issued according to state law or a law relating to medical child support described in Section 1908 of the Social Security Act. A QMCSO must be specific as to the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the applicable period of the QMCSO. A copy of the QMCSO procedures may be obtained free of charge from the PLAN ADMINISTRATOR.

Types of Coverage

These are the types of coverage available:

- EMPLOYEE-only coverage-The PLAN covers only you
- EMPLOYEE-spouse coverage-The PLAN covers you and your spouse
- EMPLOYEE-child coverage-The PLAN covers you and one DEPENDENT CHILD
- EMPLOYEE-children coverage-The PLAN covers you and your DEPENDENT CHILDREN
- Family coverage-The PLAN covers you, your spouse and your DEPENDENT CHILDREN.

Reporting Changes

Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact the PLAN ADMINISTRATOR and fill out the proper form. It will help assure better service if Blue Cross NC is kept informed of these changes.

Continuing Coverage

Under certain circumstances, your eligibility for coverage under this PLAN may end.

You may have certain options such as enrolling in Medicare or continuing health insurance under this PLAN. Coverage available during a leave of absence varies depending on the type of leave you take and your EMPLOYER'S leave of absence policy. Contact your Human Resources department for more information.

Medicare

When you reach age 65, you may be eligible for Medicare Part A hospital, Medicare Part B medical, and Medicare Part D prescription drug benefits. You may be eligible for Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Just before either you or your spouse turn 65, or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available.

If you are covered by this PLAN when you become eligible for Medicare, consult the PLAN ADMINISTRATOR, who will advise you about continuation of coverage under the PLAN.

Continuation Under Federal Law

Under a federal law known as COBRA, if your EMPLOYER has 20 or more EMPLOYEES, you and your covered DEPENDENTS can elect to continue coverage for up to 18 months by paying applicable fees to the EMPLOYER in the following circumstances:

- Your employment is terminated (unless the termination is the result of gross misconduct)
- Your hours worked are reduced, causing you to be ineligible for coverage.

In addition to their rights above, DEPENDENTS will be able to continue coverage for up to 36 months if their coverage is terminated due to:

- Your death
- Divorce
- Your entitlement to Medicare
- A DEPENDENT CHILD ceasing to be a DEPENDENT under the terms of this coverage.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Children born to or placed for adoption with you during the continuation coverage period are also eligible for the remainder of the continuation period.

If you are a retired EMPLOYEE and your EMPLOYER allows coverage to extend to retirees under this PLAN, and you, your spouse and your DEPENDENTS lose coverage resulting from a bankruptcy proceeding against your EMPLOYER, you may qualify for continuation coverage under COBRA. Contact the PLAN ADMINISTRATOR for conditions and duration of continuation coverage.

In addition, you and/or your DEPENDENTS, who are determined by the Social Security Administration to be disabled, may be eligible to extend their 18-month period of continuation coverage, for a total maximum of 29 months. The disability has to have started at some time before the 60th day of continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Notice must be provided to the PLAN ADMINISTRATOR within 60 days of the determination of disability by the Social Security Administration and prior to the end of the original 18-month period of continuation coverage. In addition, notice must be provided to the PLAN ADMINISTRATOR within 30 days after the later of the date of determination that the individual is no longer disabled or the date of the initial notification of this notice requirement.

You or your DEPENDENTS must notify the PLAN ADMINISTRATOR within 60 days of the following QLE:

- Divorce
- Ineligibility of a DEPENDENT CHILD.

You and/or your DEPENDENTS will be offered continuation coverage within 14 days of the date that the COBRA administrator is notified of one of these events resulting in the termination of your coverage. Eligible persons have 60 days to elect or reject continuation coverage. Following election, applicable fees must be paid to the COBRA administrator within 45 days.

Continuation coverage will end at the completion of the applicable continuation period or earlier if:

- Your EMPLOYER ceases to provide a health benefit plan to EMPLOYEES
- The continuing person fails to pay the monthly fee on time
- The continuing person obtains coverage under another group plan
- The continuing person becomes entitled to Medicare after the election of continuation coverage.

If you are covered by the PLAN and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult the PLAN ADMINISTRATOR. The PLAN ADMINISTRATOR will advise you about the continuation of coverage and reinstatement of coverage under this PLAN as required under USERRA.

If you have any questions about your COBRA rights or continuation of coverage, please contact the PLAN ADMINISTRATOR.

Certificate of CREDITABLE COVERAGE

The PLAN ADMINISTRATOR or its designee will supply a Certificate of CREDITABLE COVERAGE when your or your DEPENDENT'S coverage under the PLAN ends or you exhaust continuation of coverage. Keep the Certificate of CREDITABLE COVERAGE in a safe place. You may request a Certificate of CREDITABLE COVERAGE from Blue Cross NC Customer Service while you are still covered under the PLAN and up to 24 months following your termination.

You may call Blue Cross NC Customer Service at 1-877-275-9787 (toll-free), or visit Blue Cross NC's website at **BlueCrossNC.com**.

Leave of Absence

Coverage may be continued for a limited time, contingent upon payment of any required contributions for employees and/or DEPENDENTS, when the EMPLOYEE is on an Employer authorized leave of absence or sabbatical in accordance to the Employer's Human Resources policy and procedure.

Family and Medical Leave Act (FMLA)

The PLAN shall at all times comply with FMLA as outline in the regulations issued by the Department of Labor. If the EMPLOYEE is granted a qualified leave of absence as recognized by the Family and Medical Leave Act of 1993 (FMLA) or similar state law, coverage for the EMPLOYEE and any covered DEPENDENTS may be continued for the duration of the qualified leave as specified under the FMLA. The EMPLOYEE will be responsible for making any required contributions to the PLAN.

Termination of MEMBER Coverage

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Blue Cross NC will terminate coverage under the PLAN in accordance with eligibility information provided by the EMPLOYER. A MEMBER'S termination shall be effective at 11:59 p.m. on the date that eligibility ends.

Your coverage terminates when any of the following occur

- When the EMPLOYER terminates the PLAN
- On the last day of the month in which your employment is terminated for any reason
- On the date which you cease to be in a class that is eligible for coverage
- On the last day of the month in which you fail to meet the actively-at-work requirements (except as address in the Leave of Absence provision)
- When you fail to make a contribution to the PLAN
- When you voluntarily terminate coverage
- A dependent's coverage terminates on the earlier of the date the employee's coverage terminates or the date which the DEPENDENT ceases to satisfy DEPENDENT eligibility requirements.

Termination for Cause

A MEMBER'S coverage may be terminated upon 31 days prior written notice for the following reasons:

- The MEMBER fails to pay or to have paid on his or her behalf or to make arrangements to pay any copayments, deductible or coinsurance for services covered under the PLAN
- No IN-NETWORK PROVIDER is able to establish or maintain a satisfactory DOCTOR-patient relationship with a MEMBER, as determined by the PLAN
- A MEMBER exhibits disruptive, abusive, or fraudulent behavior toward an IN-NETWORK PROVIDER.

As an alternative to termination as stated above, the PLAN, in its sole discretion, may limit or revoke a MEMBER'S access to certain IN-NETWORK PROVIDERS.

A MEMBER'S coverage under the PLAN will be terminated immediately for the following reasons:

- Fraud or intentional misrepresentation of a material fact by a MEMBER or DEPENDENT. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see "Need to Appeal a Decision?" If your policy is rescinded, any premiums paid will be returned unless Blue Cross NC deducts the amount for any claims paid.
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this PLAN, or uses another person's ID CARD.

UTILIZATION MANAGEMENT

This Section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY.

Table of Contents: - Rights and Responsibilities - Prior Review - Concurrent Review - Retrospective Review - Care Management - Continuity of Care - Delegated UTILIZATION MANAGEMENT	Key Words: - ADVERSE BENEFIT DETERMINATION - MEDICALLY NECESSARY - CERTIFICATION - PRIOR REVIEW
---	--

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper setting and for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under the PLAN unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under the PLAN due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums

Rights and Responsibilities Under the UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC's ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (doctor licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through the appeals process (see "Need to Appeal a Decision?")
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under the "UTILIZATION MANAGEMENT" sections means "you or your authorized representative." Your representative will also receive all notices and benefit determinations.

Blue Cross NC's Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed. See "Who to Contact?"
- Limit what Blue Cross NC asks from you or your PROVIDER to information that is needed to review the service in question
- Ask for all information needed to make the UM decision, including related clinical information
- Give you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and the PLAN.

In the event Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in "COVERED SERVICES." These types of reviews are called pre-service reviews.

IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient facilities outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans' Affairs (VA) and military PROVIDERS. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC. Approval

of a pre-service review for services to be provided by an OUT-OF-NETWORK PROVIDER does not guarantee payment of the OUT-OF-NETWORK PROVIDER'S billed charges. The PLAN pays the ALLOWED AMOUNT for COVERED SERVICES rendered by an OUT-OF-NETWORK PROVIDER. **Failure to request PRIOR REVIEW and receive CERTIFICATION will result in full denial of benefits.**

If PRIOR REVIEW is required by the PLAN, you or your PROVIDER must request PRIOR REVIEW regardless of whether this PLAN is your primary or secondary coverage (see "Coordination of Benefits (overlapping coverage)"). Also, the PLAN requires notification for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified HOSPITAL or NONHOSPITAL FACILITY. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION.

To request PRIOR REVIEW, please call the numbers in "Who to Contact?"

General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit our website at BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

If you fail to follow the procedures for filing a request for CERTIFICATION, Blue Cross NC will let you know of the failure and the proper steps to be followed in filing your request within five days of receiving the request.

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 calendar days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 days if additional information is required. Blue Cross NC will let you and your PROVIDER know before the end of the initial 15-day period of the information needed and the date by which Blue Cross NC expects to make a decision. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you and the PROVIDER know of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

Urgent PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state, or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER.

If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you and your PROVIDER know of the information needed as soon as possible but no later than 24 hours following the receipt of your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. Blue Cross NC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or within 48 hours after the time period given to the PROVIDER to submit necessary clinical information, whichever comes first.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in "Who to Contact?"

Concurrent Reviews

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent, a decision will be made and communicated to the requesting PROVIDER within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after we receive the request.

In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you, your HOSPITAL/S or other facility's UM department and/or your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

Urgent Concurrent Review

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request.

If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

Retrospective Reviews (Post-Service)

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under the PLAN.

Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the date Blue Cross NC received the request for coverage. If more information is needed, before the end of the initial 30-day period, Blue Cross NC will let you know of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC gets the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 calendar days. Regardless if additional information is needed, in the event of a NONCERTIFICATION, Blue Cross NC will let you and your PROVIDER know in writing within five business days after making the NONCERTIFICATION.

Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under the PLAN due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

Care Management

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services.

Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and the PLAN to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. The PLAN is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found by calling Blue Cross NC Customer Service. You may also want to talk with your PCP or SPECIALIST.

In addition to our care management programs for MEMBERS with complicated and/or chronic medical needs, MEMBERS may receive a reduced or waived out of pocket costs in connection with programs and/or promotions. These are designed to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

Continuity of Care

Continuity of care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for ongoing special conditions at the IN-NETWORK benefit level when your

PROVIDER is no longer in the PPO network. If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER network and they are currently treating you for an ongoing special condition that meets Blue Cross NC continuity of care criteria, Blue Cross NC will notify you 30 days before the PROVIDER'S termination, as long as Blue Cross NC receives timely notification from the PROVIDER. To be eligible for continuity of care, the MEMBER must be actively being seen by the OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by the Blue Cross NC requirements for continuity of care.

An ongoing special condition means:

- an acute illness, a condition that is serious enough to require medical care or treatment to avoid a reasonable possibility of death or permanent harm;
- a chronic illness or condition, a disease or condition that is life-threatening, degenerative, or disabling, and requires medical care or treatment over a prolonged period of time;
- pregnancy during the second and third trimesters;
- a terminal illness, an individual has a medical prognosis that the MEMBER'S life expectancy is six months or less.

The allowed transitional period shall extend up to 90 days, as decided by the PROVIDER, except in the cases of:

- scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- second trimester pregnancy which shall extend through the provision of postpartum care; and
- terminal illness which shall extend through the remainder of the individual's life for care directly related to the treatment of the terminal illness.

Continuity of care requests must be submitted to Blue Cross NC within 45 days of the provider termination date. Continuity of care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your continuity of care request is denied, you may request a review through our appeals process (see "Need to Appeal a Decision?"). Claims for approved continuity of care services will be subject to the IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of care will not be given when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for more information.

Delegated UTILIZATION MANAGEMENT

Blue Cross NC delegates certain UM services for particular benefits to other companies not associated with Blue Cross NC. Please see <https://www.BlueCrossNC.com/content/services/medical-policy/index.htm> for a detailed list of these companies and benefits. While some benefits have been identified under "COVERED SERVICES," the list of benefits and/or companies may change from time to time; for the most up-to-date information visit **BlueCrossNC.com** and search for "PRIOR REVIEW" for additional information, including those services subject to PRIOR REVIEW and CERTIFICATION.

NEED TO APPEAL A DECISION?

This section tells you more about how the appeal process works and what steps you need to take to file an appeal.

Table of Contents: - Steps to Follow - Internal Appeals - External Review	Key Words: - ADVERSE BENEFIT DETERMINATION - GRIEVANCE - MEDICALLY NECESSARY
--	---

In addition to the UTILIZATION MANAGEMENT (UM) program, Blue Cross NC offers a voluntary appeals process for MEMBERS. An appeal is another review of your case.

If you want to appeal an ADVERSE BENEFIT DETERMINATION, or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE. The process may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under this section means "you or your authorized representative." Your representative will also receive all notices and benefit determinations from the appeal.

You may also ask for, at no charge, reasonable access to, and copies of all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the PLAN or Blue Cross NC in connection with the claim being appealed. Please see the end of this section for contact information. References to Blue Cross NC throughout this section refer to Blue Cross NC or the designee.

Steps to Follow in the Appeals Process

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION will determine the steps that you will need to follow in the appeals process. For all appeals, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Any request for review should include:

- MEMBER'S ID number
- MEMBER'S name
- Patient's name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit Blue Cross NC's website at BlueConnectNC.com or call Blue Cross NC Customer Service at the number given in "Who to Contact?"

All information related to a request for a review through Blue Cross NC's appeals process should be sent to:

Blue Cross NC
Appeals Department
PO Box 30055
Durham, NC 27702-3055

You may also receive help from the Employee Benefits Security Administration at 1-866-444-3272.

After a request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case information before. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations about whether a certain treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted the PLAN'S internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may: pursue a second level appeal; or pursue an external review; or pursue a civil action under 502(a) of ERISA. You will be deemed to have exhausted the PLAN'S internal appeals process at

NEED TO APPEAL A DECISION? (cont.)

any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or situation beyond Blue Cross NC's control). In the event you are deemed to have exhausted the PLAN'S internal appeal process, and unless specifically noted below, you may pursue an external review.

You may receive, in advance, any new information or rationale that Blue Cross NC may use in making a decision, so that you may have an opportunity to respond prior to the notice of an ADVERSE BENEFIT DETERMINATION.

Blue Cross NC will send you, and your PROVIDER notification of the decision in clear written terms within a reasonable time but no later than 30 days from the date Blue Cross NC received the request. You may then request all information that was relevant to the review.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for review and consideration or any appropriate action against the PROVIDER. State law does not allow for a second-level grievance review for grievances concerning quality of care.

The meeting will be held by teleconference. You have the right to a full review of your appeal even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting.

Notice of Decision

If any claim (whether expedited or nonexpedited) shall be wholly or partially denied at either the first level appeal or the second level appeal, a written notice shall be provided to the MEMBER worded in an understandable manner and shall set forth:

- The specific reason(s) for the denial

- Instructions on how to request an external, independent review from an independent review organization (IRO) upon completion of this review if not satisfied with the decision (available for NONCERTIFICATIONS only)
- The right to pursue other voluntary alternative dispute resolution options as applicable
- If the decision is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that such explanation will be provided at no cost upon request; and
- The following statement: "You may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office."

Expedited Appeals (Available only for NONCERTIFICATIONS)

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances. The decision will be communicated no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

External Review

Federal law allows for an external review of certain ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). This service is administered by the PLAN at no charge to you. The PLAN will let you know of your right to request an external review each time you receive:

- an ADVERSE BENEFIT DETERMINATION
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION, or
- a final internal ADVERSE BENEFIT DETERMINATION.

NEED TO APPEAL A DECISION? (cont.)

In order to request an external review, Blue Cross NC must receive your request within four (4) months after the date of receipt of a notice of an ADVERSE BENEFIT DETERMINATION or final internal ADVERSE BENEFIT DETERMINATION. To request an external appeal, send your request to the following:

Blue Cross NC
Appeals Department
PO Box 30055
Durham, NC 27702-3055

Expedited External Review - An expedited external review may be available if (1) the time required to complete either an expedited internal appeals review or a standard external review would reasonably be expected to jeopardize your life or health or ability to regain maximum function, or (2) the final internal ADVERSE BENEFIT DETERMINATION concerns an admission, availability of care, continued stay, or health care item or service for which you received EMERGENCY SERVICES, but have not been discharged from a facility. If your request is not accepted for expedited review, the PLAN may: (1) accept the case for standard external review if the internal appeals process has been exhausted; or (2) require the completion of the internal appeals process and another request for an external review.

Within five (5) business days of (or, for an expedited review, immediately upon) receiving your request for an external review, the PLAN must determine whether the external review is eligible ("preliminary review"). The request is eligible if it meets the following requirements:

- Your request is about a NONCERTIFICATION or a rescission of coverage
- You are or were covered under the PLAN at the time the health care item or service was requested or, in the case of a retrospective review, were covered under the PLAN at the time the health care item or service was provided;
- The ADVERSE BENEFIT DETERMINATION or the final ADVERSE BENEFIT DETERMINATION does not relate to your failure to meet the requirements for eligibility under the terms of the PLAN (e.g., worker classification or similar determination);
- You have exhausted, or have been deemed to have exhausted (as defined above), the PLAN'S internal appeals process; and
- You provided all the information and forms required to process an external review.

Within one (1) business day of (or, for expedited review, immediately upon) completing the preliminary review, the PLAN will notify you in writing of whether your request is complete and whether it has been accepted. If the PLAN notifies you that the request is incomplete, you must provide all requested information to the PLAN within the four (4) month filing period or within 48 hours following the receipt of the notice, whichever is later.

If the PLAN accepts your request, the assigned IRO will timely notify you in writing of the acceptance of the external review. The notice will include a notification that you may submit additional written information and supporting documentation relevant to the ADVERSE BENEFIT DETERMINATION to the assigned IRO within ten (10) business days following the date of receipt of the notice. Within five (5) business days (for an expedited review, as expeditiously as possible) after the date of assignment of the IRO, the PLAN shall provide the IRO the documents and any information considered in making the ADVERSE BENEFIT DETERMINATION.

The IRO will send you and the PLAN written notice of its decision within 45 days. If the request is expedited, the IRO will notify you and the PLAN as expeditiously as possible, but in no event more than 72 hours after the IRO receives the request. If the notice is not in writing, the IRO shall provide written confirmation to you and the PLAN within 48 hours after the date of providing the notice. If the IRO's decision is to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will immediately provide coverage or payment for the requested services or supplies. If you are no longer covered by the PLAN at the time the PLAN receives notice of the IRO's decision to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been denied when first requested.

The IRO's external review decision is binding on you and the PLAN, except to the extent you may have other actions available under applicable federal law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION, for which you have already received an external review decision.

Benefits to which MEMBERS are Entitled

If a MEMBER resides with a custodial parent or legal guardian who is not the EMPLOYEE, the PLAN will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the EMPLOYEE or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in the PLAN will be provided only for services and supplies that are performed by a PROVIDER as specified in the PLAN and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under the PLAN.

Any amounts paid by the PLAN for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you.

Amounts paid by the PLAN for work-related accidents, injuries, or illnesses covered under state workers' compensation laws will be recovered upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

Disclosure of Protected Health Information (PHI)

The privacy of your protected health information is very important. Blue Cross NC will only use or disclose your protected health information in accordance with applicable privacy laws, including the Health Insurance Portability and Accountability Act (HIPAA).

Administrative Discretion

Blue Cross NC has the authority to use its discretion to make reasonable determinations in the administration of coverage. These determinations will be final. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. Blue Cross NC medical policies are guides considered when making coverage determinations.

North Carolina PROVIDER Reimbursement

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of

ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

care, agreed upon schedule of fees, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

Services Received Outside of North Carolina

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as "Inter-Plan Arrangements." As a MEMBER of the PLAN, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of the PLAN. While the PLAN maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services ("Host Blue") is responsible for contracting with and generally handling all interactions with its participating PROVIDERS.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services.

Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through one of these Inter-Plan Arrangements, which include the BlueCard Program and may include Negotiated National Account Arrangements available between Blue Cross NC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the **lesser** of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the "Host Blue" passes on to Blue Cross NC.

This "negotiated price" can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for COVERED SERVICES will be calculated based on the lower of the participating PROVIDER'S billed covered charges or negotiated price made available to Blue Cross NC by the Host Blue. If reference-based benefits, which are service-specific benefit dollar limits for specific procedures, based on a Host Blue's local market rates, are made available to you, you will be responsible for the amount that the healthcare PROVIDER bills above the specific reference benefit limit for the given procedure. For a participating PROVIDER, that amount will be the difference between the negotiated price and the reference benefit limit. For a nonparticipating PROVIDER, that amount will be the difference between the PROVIDER'S billed charge and the reference benefit limit. Where a reference benefit limit is greater than either a negotiated price or a PROVIDER'S billed charge, you will incur no liability, other than any related patient cost sharing under this PLAN.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

If you receive COVERED SERVICES from a nonparticipating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's nonparticipating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, the PLAN may use other payment bases, such as billed charges, to determine the amount the PLAN will pay for COVERED SERVICES from a nonparticipating PROVIDER. In any of these situations, you may be liable for the difference between the nonparticipating PROVIDER'S billed amount and any payment the PLAN would make for the COVERED SERVICES.

Value-Based Programs: BlueCard® Program

If you receive COVERED SERVICES under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Blue Cross NC through average pricing or fee schedule adjustments.

Value Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Blue Cross NC has entered into a Negotiated National Account Arrangement with a Host Blue to provide Value-Based Programs to your EMPLOYER on your behalf, Blue Cross NC will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

Blue Cross Blue Shield Global Core:

If you are outside the United States (hereinafter "BlueCard service area"), you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing COVERED SERVICES. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from PROVIDERS outside the BlueCard service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard service area, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

- **Outpatient Services**

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for COVERED SERVICES outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER'S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

Right of Recovery Provision

The provisions of this section apply to all current or former PLAN participants and also to the parents, guardian, or other representative of a DEPENDENT CHILD who incurs claims and is or has been covered by the PLAN. The PLAN'S right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, your decedents, minors, and incompetent or disabled persons. "MEMBER" includes anyone on whose behalf the PLAN pays benefits. No adult covered person hereunder may assign any rights that it may have to recover medical expenses from any

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the PLAN.

As used throughout this provision, the term “responsible party” means any party possibly responsible for making any payment to a MEMBER due to a MEMBER’S injuries or illness or any insurance coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers’ compensation coverage, no-fault automobile insurance coverage, or any first party insurance coverage.

The PLAN is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN’S subrogation and reimbursement interest are fully satisfied.

The right of subrogation means the PLAN is entitled to pursue any claims that the MEMBER may have in order to recover the benefits paid by the PLAN. Immediately upon paying or providing any benefit under the PLAN, the PLAN shall be subrogated to all rights of recovery a MEMBER has against any party potentially responsible for making any payment to a MEMBER due to a MEMBER’S injuries, illness or condition, to the full extent of benefits provided or to be provided by the PLAN. The PLAN may assert a claim or file suit in the MEMBER’S name and take appropriate action to assert its subrogation claim, with or without your consent. The PLAN is not required to pay the MEMBER part of any recovery it may obtain, even if it files suit in the MEMBER’S name.

In addition, if a MEMBER receives any payment from any potentially responsible party as a result of an injury, illness or condition, the PLAN has the right to recover from, and be reimbursed by, the MEMBER for all amounts the PLAN has paid and will pay as a result of that injury or illness, up to and including the full amount the MEMBER receives from all potentially responsible parties. The MEMBER agrees that if the MEMBER receives any payment from any potentially responsible party as a result of an injury or illness, the MEMBER will serve as a constructive trustee over the funds for the benefit of the PLAN. Failure to hold such funds in trust will be deemed a breach of the MEMBER’S fiduciary duty to the PLAN. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN’S subrogation and reimbursement interest are fully satisfied.

Further, the PLAN will automatically have a lien, to the extent of benefits advanced, upon any recovery whether by settlement, judgment or otherwise, that a MEMBER receives from the third party, the third party’s insurer or any other source as a result of the MEMBER’S injuries. The lien is in the amount of benefits paid by the PLAN for the treatment of the illness, injury or condition for which another party is responsible.

The lien can be filed with or enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the PLAN including, but not limited to, the MEMBER; the MEMBER’S representative or agent; responsible party; responsible party’s insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the PLAN. In order to secure the PLAN’S recovery rights, the MEMBER agrees to assign to the PLAN any benefits or claims or rights of recovery they have under any automobile policy or other coverage, to the full extent of the PLAN’S subrogation and reimbursement claims. This assignment allows the PLAN to pursue any claim the MEMBER may have, whether or not they choose to pursue the claim.

The MEMBER acknowledges that the PLAN’S recovery rights are a first priority claim against all potentially responsible parties and are to be paid to the PLAN before any other claim for the MEMBER’S damages. The PLAN shall be entitled to full reimbursement first from any potentially responsible party payments, even if such payment to the PLAN will result in a recovery to the MEMBER which is insufficient to make the MEMBER whole or to compensate the MEMBER in part or in whole for the damages sustained. It is further understood that the PLAN is not required to participate in or pay court costs or attorney fees to any attorney hired by the MEMBER to pursue their damage claim.

The terms of this entire right of recovery provision shall apply and the PLAN is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party and regardless of whether the settlement or judgment received by the MEMBER identifies the medical benefits the PLAN provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The PLAN is entitled to recover from **any and all** settlements or judgments, even those designated as pain and suffering or non-economic damages and/or general damages only. The PLAN’S claim will not be reduced due to your own negligence.

The MEMBER acknowledges that Blue Cross NC has been delegated authority by the PLAN ADMINISTRATOR to assert and pursue the right of subrogation and/or reimbursement on behalf of the PLAN. The MEMBER shall fully cooperate with Blue Cross NC’s efforts to recover benefits paid by the PLAN. It is the duty of the MEMBER to notify Blue Cross NC in writing of the MEMBER’S intent to pursue a claim against any potentially responsible party, within 30 days of the date when any

ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

notice is given to any party, including an insurance company or attorney, of the intention to pursue or investigate a claim to recover damages or obtain compensation due to injuries or illness sustained by the MEMBER. The MEMBER and their agents agree to provide the PLAN or its representatives notice of any recovery the MEMBER or the MEMBER'S agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, the MEMBER and the MEMBER'S agents shall provide notice prior to any disbursement of settlement or any other recovery funds obtained. The MEMBER shall provide all information requested by Blue Cross NC or its representative including, but not limited to, completing and submitting any applications or other forms or statements as Blue Cross NC may reasonably request and all documents related to or filed in personal injury litigation.

The MEMBER shall do nothing to prejudice the PLAN'S recovery rights as herein set forth. This includes, but is not limited to, refraining from entering into any settlement or recovery that attempts to reduce, waive, bar or exclude the full cost of all benefits provided by the PLAN.

The MEMBER acknowledges that the PLAN has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The PLAN reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

The MEMBER acknowledges that the PLAN has notified them that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq*, to share your personal health information in exercising its subrogation and reimbursement rights.

In the event that any claim is made that any part of this right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the MEMBER and the PLAN agree that the PLAN ADMINISTRATOR shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

The MEMBER agrees that any legal action or proceeding with respect to this provision may be brought in any court of competent jurisdiction as Blue Cross NC may elect. Upon receiving benefits under the PLAN, the MEMBER hereby submits to each such jurisdiction, waiving whatever rights may correspond to the MEMBER by reason of the MEMBER'S present or future domicile. By accepting such benefits, the MEMBER agrees to pay all attorneys' fees the PLAN incurs in successful attempts to recovery amounts the PLAN is entitled to under this section.

Notice of Claim

The PLAN will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to Blue Cross NC within 18 months after the MEMBER INCURS the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits.

Notice of Benefit Determination

Blue Cross NC will provide an explanation of benefits determination to the MEMBER or the MEMBER'S authorized representative within 30 days of receipt of a notice of claim if the MEMBER has financial liability on the claim other than a copayment or other services where payment was made at the point of service (unless the PLAN has chosen to provide an explanation of benefits for additional claims where the MEMBER does not have a financial liability other than a copayment).

Blue Cross NC may take an extension of up to 15 more days to complete the benefits determination if additional information is needed. If Blue Cross NC takes an extension, Blue Cross NC will notify the MEMBER or the MEMBER'S authorized representative of the extension and of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC receives the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 days.

Such notice will be worded in an understandable manner and will include:

- The specific reason(s) for the denial of benefits
- Reference to the benefit booklet section on which the denial of benefits is based
- A description of any additional information needed for you to perfect the claim and an explanation of why such information is needed
- A description of the review procedures and the time limits applicable to such procedures, including the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following a denial of benefits
- A copy of any internal rule, guideline, protocol or other similar criteria relied on, if any, in making the benefit determination or a statement that it will be provided without charge upon request
- If the denial of benefits is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that this will be provided without charge upon request; and

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

- In the case of a denial of benefits involving URGENT CARE, a description of the expedited review process available to such claims.

Upon receipt of a denial of benefits, you have the right to file an appeal with Blue Cross NC. See "Need to Appeal a Decision?" for more information.

Limitation of Actions

If the PLAN is subject to ERISA, you must exhaust only the first level appeal process before bringing any legal action to recover benefits. **No legal action to recover benefits may be brought later than one year from the date your claim for benefits is denied at the end of the appeals process. If you choose to pursue a second level appeal, the one-year period for bringing a legal action will begin to run once that final second-level decision has been issued.**

If the PLAN is not subject to ERISA, no legal action may be brought to recover benefits until you have exhausted all administrative remedies, which requires completion of the two-level appeals process. No legal action may be taken later than three years from the date services are INCURRED.

Please see "Need to Appeal a Decision?" for details regarding the appeals process.

Evaluating New Technology

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow Blue Cross NC to determine the best services and products to offer MEMBERS. They also help Blue Cross NC keep pace with the ever-advancing medical field. Before implementing any new or revised policies, Blue Cross NC reviews professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. Blue Cross NC then seeks additional input from PROVIDERS who know the needs of the patients they serve.

Coordination of Benefits (Overlapping Coverage)

If a MEMBER is also enrolled in another group health plan, the PLAN may take into account benefits paid by the other plan.

Coordination of benefits (COB) means that if a MEMBER is covered by more than one group insurance plan, benefits under one group insurance plan are determined before the benefits are determined under the second group insurance plan. The group insurance plan that determines benefits first is called the primary group insurance plan. The other group insurance plan is called the secondary group insurance plan.

Benefits paid by the secondary group insurance plan may be reduced to avoid paying benefits between the two plans that are greater than the cost of the health care service. Most group health insurance plans include a COB provision. Payment by Blue Cross NC under the PLAN takes into account whether or not the PROVIDER is a participating PROVIDER. If the PLAN is the secondary plan, and the MEMBER uses a participating PROVIDER, the PLAN will coordinate up to the ALLOWED AMOUNT. The participating PROVIDER has agreed to accept the ALLOWED AMOUNT as payment in full.

If you receive services from an OUT-OF-NETWORK PROVIDER, you are responsible for any charges not paid by either group insurance plan. You may wish to check with the primary group insurance plan to find out if an OUT-OF-NETWORK PROVIDER participates in the primary group insurance plan's network and whether this affects your responsibility for paying up to the PROVIDER'S charges.

If either the primary or the secondary health benefit plan covers a particular service, where the PLAN is the secondary plan, the PLAN will coordinate benefits for that service based on the benefits of the secondary coverage. However, if neither the primary nor secondary plan covers a particular service, the MEMBER will be responsible for payment for that service.

Blue Cross NC, on behalf of the PLAN may request information about the other plan from the MEMBER. A prompt reply will help Blue Cross NC process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits from other group health plans are taken into account, **benefits for COVERED SERVICES under this PLAN are still subject to program requirements, such as PRIOR REVIEW and CERTIFICATION procedures.**

Important Information for MEMBERS Eligible for Medicare

ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

If you are eligible for or enrolled in Medicare, the PLAN will determine Medicare primacy in accordance with the Medicare Secondary Payer rules and will coordinate benefits based on your Medicare eligibility. Information regarding how Medicare works with other insurance benefits like those offered by the PLAN can be found on www.medicare.gov. If you or your DEPENDENTS are covered under the PLAN, and are eligible for Medicare, **the PLAN may take into account the benefits that you or your DEPENDENTS are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage.** In other words, even if you have not enrolled in Medicare, the PLAN may reduce a claim based on the benefits you are eligible for under Medicare, and then pay the remaining claim amount under the terms of the PLAN and in accordance with the Medicare Secondary Payer rules. As a result, if you are eligible for Medicare and Medicare would pay benefits primary to the PLAN, your out-of-pocket costs may be higher if you do not enroll in Medicare. The Medicare Secondary Payer rules that determine when Medicare pays benefits primary to other insurance benefits like those offered by the PLAN are complex and will not result in higher out-of-pocket costs in every instance. Therefore, if you become eligible for Medicare and are unsure about how the PLAN will coordinate benefits with Medicare, please contact your Plan Administrator for more information.

The following Federal Notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See "COVERED SERVICES" for more details.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

See PROVIDER'S Office, or for external prostheses, see PROSTHETIC APPLIANCES in Other Services in the "Summary of Benefits."

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable deductibles, copayment or coinsurance and limitations as applied to other medical and surgical benefits provided under the PLAN.

GLOSSARY

These definitions will help you understand the PLAN. Please note that some of these terms may not apply to the PLAN.

ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage and initial eligibility determinations are also included as adverse benefit determinations.

ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. Except as otherwise specified in "EMERGENCY, URGENT CARE, and Ambulance Services" for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount established by Blue Cross NC or through the BlueCard system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER'S billed charge unless doing so is required by law. Calculation of the allowed amount is based on several factors including Blue Cross NC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

ERISA Rights Statement

As a participant in the PLAN, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all MEMBERS shall be entitled to:

- Examine, without charge, at the PLAN ADMINISTRATOR'S office and at other specified locations, such as worksites, all PLAN documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the PLAN with the U.S. Department of Labor.
- Obtain, upon written request to the PLAN ADMINISTRATOR, copies of documents governing the operation of the PLAN, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary PLAN Descriptions. The PLAN ADMINISTRATOR may make a reasonable charge for the copies.
- Receive a summary of the PLAN'S financial report. The PLAN ADMINISTRATOR is required by law to furnish each MEMBER with a copy of this summary annual report.
- Continue health care coverage for yourself, spouse or DEPENDENTS if there is a loss of coverage under the PLAN as a result of a QLE. You or your DEPENDENTS may have to pay for such coverage. Review this Summary Plan Description and the documents governing the PLAN on the rules governing your COBRA continuation coverage rights.

OTHER IMPORTANT PLAN INFORMATION *(cont.)*

In addition to creating rights for MEMBERS, ERISA imposes duties upon the people who are responsible for the operation of the PLAN. The people who operate the PLAN, called "fiduciaries" of the PLAN, have a duty to do so prudently and in the interest of you and other PLAN MEMBERS and beneficiaries. No one, including your EMPLOYER or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the PLAN and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the PLAN ADMINISTRATOR to provide the materials and pay you up to \$156 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the PLAN ADMINISTRATOR. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the PLAN'S decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that the PLAN fiduciaries misuse the PLAN'S money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about the PLAN, you should contact the PLAN ADMINISTRATOR. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
