

Red Envelope Craft

What you need:

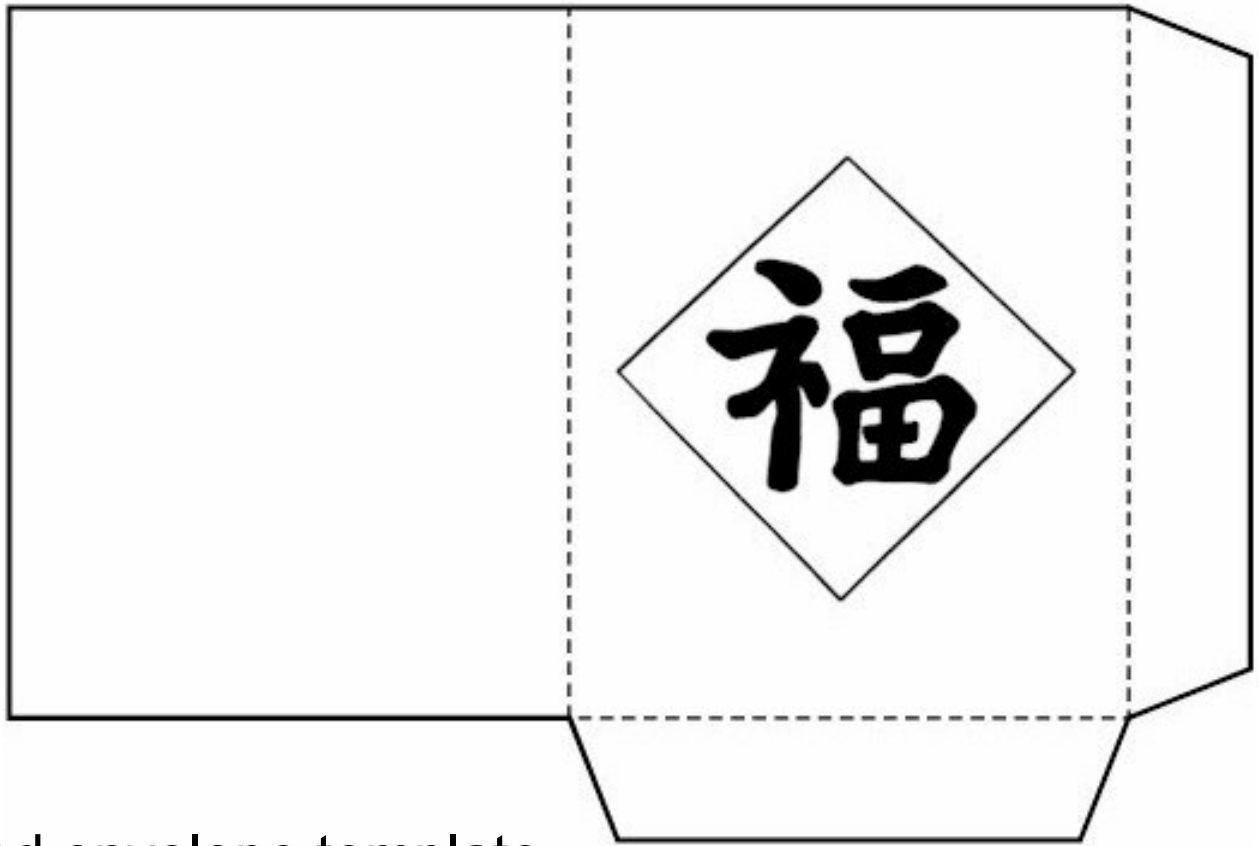

- Red envelope template (2nd page of this document, you don't have to use the design on the template)
- Red cardstock or heavy construction paper
- Scissors
- Glue
- Crayons, markers, or colored pencils
- OPTIONAL: glitter, glitter glue, glitter pens, stickers

What to do:

- Using the red envelope template, make copies on red cardstock or heavy construction paper.
- There will be two envelopes to a sheet, so cut the papers in half.
- Give each student a copy of the red envelope.
- Have the students cut out their envelope.
- Have students fold envelope along the dotted lines.
- Let students decorate their envelopes.
- Have students glue the long side of the envelope.

Here's a YouTube video showing how to make a red envelope:
