

EXPERIENCE COLLEGE HANDS-ON

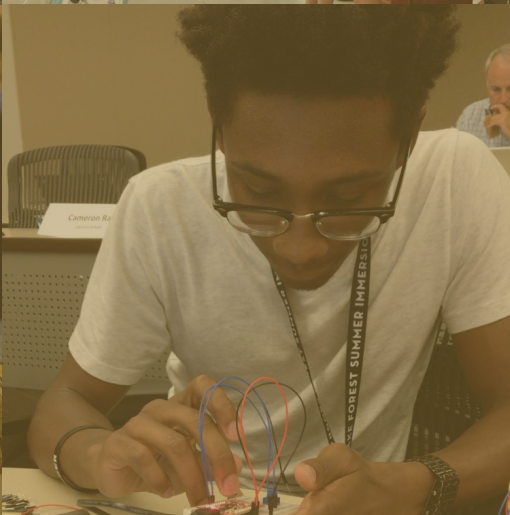

WAKE FOREST UNIVERSITY
SUMMER IMMERSION
PROGRAM

GET A BETTER VIEW OF TOMORROW. **RIGHT NOW.**

The Wake Forest Summer Immersion Program is a hands-on learning experience built to provide real-world knowledge and a comprehensive view of an academic or career pathway. This is your chance to dive deep into a field of study with access to world-class faculty, researchers and industry professionals.

YOUR FUTURE IS WAITING.

A photograph of several students in a classroom or computer lab, sitting at desks and working on laptops. The image is overlaid with a semi-transparent orange filter. The text 'LIVE LIKE A COLLEGE STUDENT' is prominently displayed in the upper half of the image.

LIVE LIKE A COLLEGE STUDENT

Our programs, based on-campus at Wake Forest University in Winston-Salem, North Carolina and in Uptown Charlotte, offer a taste of the complete college experience. After your sessions, enjoy campus life with fellow Summer Immersion friends in the undergraduate residence halls under the supervision of Wake Forest staff.

WHO IS THIS FOR?

Talented, curious students who want exposure to their future career pathways. Applicants must be rising high school sophomores, juniors, seniors or incoming college freshmen.

WHEN ARE THEY HELD?

Institutes are offered throughout the summer, June - August. Please visit our website for program dates at go.wfu.edu/sip.

WHERE?

Residential programs are offered at Wake Forest University in Winston-Salem, NC. Residential and nonresidential programs are offered at the Wake Forest University Charlotte Center in the heart of Uptown Charlotte.

Throughout the week, students will visit industry-specific locations tailored to each institute's planned curriculum. A campus tour and a Wake Forest admissions presentation is included during the week.

HOW DO I APPLY?

Apply online at go.wfu.edu/sip. Need-based scholarships are available for those who qualify.
