

GRAYLYN POOL & TENNIS CLUB RULES AND REGULATIONS

The rules and regulations of Graylyn Pool & Tennis Club are designed to assure the safe and sanitary operation of the pool, and for the protection and benefit of all users of the pool and tennis court facilities. The responsibility of parents and/or adult members who accompany children to the pool continues while children are in or near the pool. All family members and guests shall observe all rules and obey instructions of the Lifeguards.

1. Membership check-in required at each pool visit.
2. Parking is available on the side and behind the Management House only. Violators will be ticketed and towed.
3. Members may bring up to 4 guests to the pool at each visit. Adult children are welcome at the pool when accompanied by a member as a guest. Guests fees are \$5/per guest. No guests will be admitted into the pool area without the presence of a member.
4. All members will conduct themselves in an appropriate manner. Running, wrestling, dunking, horseplay and dangerous use of the diving board is prohibited.
5. Children under 12 must be accompanied by a responsible adult at the pool and tennis court.
6. Swim diapers are required for children in diapers. Diaper changing is to be done on the changing table in the Women's dressing room or on personal blankets, not on pool deck or picnic tables.
7. To swim in deep water, any swimmer of questionable ability must pass a test administered by the Lifeguard. A swimmer who cannot pass this test is allowed in deep water only if accompanied in the water by a parent/guardian and is not allowed to use the diving board.
8. Floats and inflated devices are permitted at the discretion of the Lifeguard.
9. There will be a 10 minute break every hour. No one will be allowed in the pool during this time.
10. Thunder/Lightning Policy: When thunder is heard, or lightning seen, the pool must be completely evacuated for a period of 30 minutes. Members may be asked to leave the pool area. We realize this is an inconvenience, but we need the cooperation of the membership to follow this very important safety rule.
11. Food and drinks are allowed only in designated picnic and grassy areas. No gum is allowed inside the pool gates. Members are responsible for their own clean-up. No grills or open flames are allowed within the pool gates at any time.
12. Glass containers, including baby bottles, are not permitted in the pool area.
13. Parents and /or guardians are also responsible for their children outside of the fenced in pool area. This area is under the authority of Graylyn Conference Center.
14. No smoking around or inside the fenced pool area.
15. Graylyn Pool Association and Tennis Club accepts no responsibility for lost or damaged personal effects.
16. In all matters of conduct and safety, the decision of the lifeguard is final.
17. Tennis court time cannot be reserved. Limit play to 1 hour when other players are waiting for the court. Rackets and balls are supplied by the member.
18. Appropriate tennis attire is required, including shirt and shoes. Repeated failure to comply with these rules shall be considered cause for suspension or revocation of membership and forfeiture of fees upon recommendation of the pool manager and the approval of the pool advisors.
