Medical Alumni Association Welcome Reception

Graduates and their guests are invited to the Medical Alumni Association (MAA) Welcome Reception on Monday, May 18, in the Benson Center, Room 401, at Wake Forest University immediately following transmigration. The alumni association is honored to welcome the MD Class of 2015 to the alumni family, and MAA Board members will proudly present graduates with a personalized gift. Graduates are encouraged to notify the alumni office (alumni@wakehealth.edu or 800-899-7128) with updated contact information.

Candidates for and holders of master's and doctor's degrees wear hoods over their robes. The hood symbolizes a heavy burden. The hood identifies the level of the degree, the field of learning, and the institution which awards it. The color of the trim declares the major field of learning; forest green represents medicine. The colors that line the hood identify the university awarding the degree.
